AN ELECTRICAL MIRACLE.

CLEVELAND, Ohio, Oct. 14.—A Cleveland physician has brought what is believed to be a miracle. He has returned to perfect health after 7 years of illness. He had been paralyzed from the neck down, and his body was so weak that he could not move. He was unable to walk, and his hands were so stiff that he could not hold a glass. He was unable to eat, and his body was so weak that he could not stand. He was unable to sleep, and his body was so weak that he could not move. He was unable to sleep, and his body was so weak that he could not move.

The Congress of Women, Chicago, Oct. 16.—The seventh annual Congress of the American Association of Women was opened in the Haystack ball, there being a large number of distinguished women from all parts of the country in attendance. The public meeting commenced at 2:30 p.m. in the afternoon, and was a private session of the association in order to discuss the business of the day.

GRAVITAS, Mexico, Oct. 20.—A notice received from Cuba says the condition of things in that town is fearful, as it is being ravaged by cholera, typhoid fever, and dysentery. It is believed that the disease has been introduced by a steamer from Havana, and that it has spread rapidly. The death toll is high, and the people are in a state of panic.

NEW YORK, Oct. 14.—A certificate of organization of the new American, British and Continental Cable company, capital \$1,000,000, has been registered here. The company is to be organized for the purpose of operating a cable line between New York and London.
