"With a quick movement, as graceful as a cat... I turned and looked after the retreating form... I felt as if I had been struck by a lightning bolt..."

"The old gentleman did not seem to care... I had known that Alice Foster was the wife and daughter of her father's heart..."

"I had known that Alice Foster was the wife and daughter of her father's heart... I had known that Alice Foster was the wife and daughter of her father's heart..."

"I had known that Alice Foster was the wife and daughter of her father's heart... I had known that Alice Foster was the wife and daughter of her father's heart..."
