Ball Ball is Brainer.

A score of 21 in three innings to be very bad showing for the Brainer team, but taking into consideration that our best pitcher, the team's best pitcher, and living and at the same time a player as good as any of their players are in the city, it is not so bad as it looks. The first six innings was decidedly interesting as there had been three "egg" for Duluth and five for Brainer the former making three runs from the latter, and at the end of the 7th inning Duluth had scored also runs. The ball was out during the 7th and 8th innings but a misplay rather than the batsmen's fault, and Duluth got work in the 9th and 10th. The umpire was the manager of the Duluth team and it must be confessed that several of his decisions were very "raw," and it showed a lack of judgment when he consented to accept the position, as his sympathies could not help but be with the club that he was managing.

Wisconsin Central News.

The Wisconsin Central have held the office of the Nicollet House block on the corner of Washington and Nicollet avenues and after May 10th will move into their new quarters. The office is being entirely refitted and when completed will be the finest office west of Chicago. The central office will have the best offices as well as the finest equipments in the west and their enterprise in securing this is evidence that they may do more for their Chicago life in 1886 than which will be about June 15th.

A Poor Judgment of Good Whiskey.

Williams and Gil, Harley have formed a partnership and will engage in the patient medicine business. Williams claims to be an anticipator large profits, but Harley informs us confidentially that the firm make money by the fact that Williams applied with the required information to the State of Wisconsin and the State of Illinois. If the laws of this patent medicine are not broken, the firm will not take more than one dose to kill a man. It is a very good thing that Dr. Brower get such a dose at his recent visit to this city or he would have been a Brainer whiskey connoisseur. Some say, sometimes comes.

Straw Hats for Ladies, cheap at Day & Meagher's. The largest stock of Hats and Shoes in the city is at Day & Meagher's. Latest styles in Straw Hats for Ladies and Men. The sale of straw hats on account of delinquent taxes which occurred Monday attracted quite a crowd of real estate dealers and property owners to the office of County Attorney Wilson. The list was published in February in the Dispatch and was for the counties of Crow Wing, Cass and Itasca, and affecting a good many people. The bidding was quite interesting although the greater part was taken by the state, all of which may be redeemed in two years by paying 30 per cent interest. If property has anything it is held up to the late taxes account until it goes to a tax deed and then sold.
