Knute Neison, agreed four years ago with certain agreed four years ago with certain congress, to stand out of the way this fall and allow another to reach the goal of his ambition, we do not feel authorized either to affirm of dany; but it seems to us that there is no obligation to support Mr. Nelson for congress against the will of the people. If he is the choice of the najority of the rap-publicans of the district, it is all right, If there is another man whom that majority would pra-ticult. If there is another man whom that majority would pra-cout, and let the candidates declare themselves.

To write for a paper is one thing; to edit it another. There are some excellent writers who would "make a fool of a paper" if they had the conducting of it for a few weekslects, dictates, alters, combines; and to do this well has little time to compose. Those people who have the most to say about the way a newspaper should be conducted are those who know the least of what they are talking.
