

Facts, Fashions and Fancies

BROWNING, KING & CO

408, 408, 410 and 412, Broome Street, New York City.

The Largest Tailoring Firm in the World.

It is only within a few years that those who aspired to fashion, outside of the great cities could have their aspirations satisfied.

To-day there is no reason why a man in a backwoods village should not be as correctly dressed as the best dressed man on the shady side of Broadway on a sunny afternoon.

You can't get a fit away from home? Who says you can't? If the measure is correct what difference does it make whether the garment is cut on the spot or a thousand miles away. Therefore we say we CAN FIT and what is more we do it.

If you believe what we say let us add you to the tens of thousands of well dressed men to whom we minister.

Call at our agency and look over our immense line of samples, and leave your measure for a fall suit and an Overcoat.
