A Pleasant Surprise.

The home of Mr. and Mrs. Ed. White was, on Tuesday evening of this week, the scene of a very pleasant surprise party, the occasion being the marriage of their daughter, Miss Kate M. Glass, to Mr. J. H. Johnson, of Brainerd. The marriage was a great surprise to the assembled guests, as they had been led to believe that the party was in honor of Mr. Frank White, who was to have been married to Miss Margaret White, the first intimation of the guests had of the real occasion of the party was at 10 o'clock, when all present were invited to repair to the sitting room, where the guests found themselves the relatives of the contracting parties and the Rev. J. A. Rowell, of the First Congregational Church. The wedding party, composed of the bride and groom and Miss Maggie Atterton, the bridesmaid, and F. W. Fowler, the groom's best man, then quietly took position, and the astonished guests fully realized what was going on. Mr. Rowell stepped forward and in a solemn and impressive manner pronounced the words that made them man and wife. While the ceremony was proceeding, the guests were so impressed with the beauty of the occasion that they were not aware of the fact that the bride and groom were not the bride and groom of the party, but the bride and groom of the party.
