A Few Dead Estate Deals.

Real estate which has been very
quiet during the past few months
has taken a decided move within the
past few days and many transfers have
been made. Naturally, the general
public is anxious to learn the cause
of the flurry, and rumors as to
"insiders" on the part of the
Weyerhaeuser and Northern Pacific
dealers are rife, but no one can be
found who will "give up" anything definite.
Among the real estate deals that have
been closed are the following:
B. H. Hickey on Thursday bought
three lots for \$20,000.
Mrs. W. Whelan yesterday bought
the Steele residence property on Main
street, and also about twenty-five lots
in Southland BRAINERD.
Henry Spalding on Tuesday pur-
chased a home and two lots of E. M.
Clark and Dr. Courtney on 6th
avenue, also the P. H. Conway lot on
6th street south.

A. Hoffman had a spot cash offer

for his entire real estate interest in
this city, about 100 lots, at an advance
of what he paid for them. He con-
sidered it to sell.
Election of Officers.

erd Chapter No. 42, R. A. M., held on
Thursday evening, December 16th,

the ensuing year:
George Forth, M. E. H. P.
John Lewis, W. M.
Milton McMillan, Scribe.
Joseph N. Day, Secretary.
W. H. Henry, C. of H.
Theodore W. Hagan, A. C.
H. M. Delamater, Secretary.
The remaining officers will be ap-
pointed on or before installation of
officers.

What Does This Mean?

The correspondence of the Minne-
apolis Tribune, G. S. Canfield, sends
the following telegram to that paper
from his city under date of Dec. 15th:
"J. A. Millett, chief timber man of
Wisconsin Weyerhaeuser lumber
company, is here to-day expecting to
visit the Iron Lake region, where he has
a party of crummers. He is expected
at work in the Northern Pacific mill
all summer, especially when the
timber is in company with a like party
of the Northern Pacific. Mr. Millett
states that his order for the
timber is contemplated in bringing
men out. But he is generally con-
vinced that the character of the timber
has not had a general belief in the
importance of the (dead) as pre-
sented Minnesota lumbermen. It is
rumored that the latter stepped in
with an offer of a large sum for the
timber lands, more than the Weyer-
haeuser were able to pay, and by this
means and by other powerful in-
fluences headed off the Wisconsin
men and thus secured it. It is said
there was no other offer made at
that which the Upper Mississippi
was to be awarded."

Barbers will kick.
A prominent medical journal con-
tains the following:
Are not diseases of the throat and
respiratory organs dependent, to a
considerable extent, upon the habit of
shaving the beard? Speaking as a
specialist, and from a series of obser-
vations extending over many years, I
unhesitatingly answer the affirmative.
Year after year I am informed that
the most painful of all the acute
throat diseases - diphtheria - is
contracted by men who have not
only a beard, but a long one. I can
form an adequate idea of the suffer-
ing it entails. Since I have had a
patient, to whom I have since then
given the advice to allow their beards
to grow.

Boys' hats can be found in great

variety and at popular rates, call at

Not as Had as Reported.
Geo. Steph. Kimbly, of the North-
western Pacific, states that the reports
received here of a strike on the
division of that road is greatly ex-
aggerated. Freight traffic at Tacoma
and Seattle is not affected and the
strike is confined to a certain portion
of freight brakemen, and conductors
on the Cascade division. Officers of
the Pacific coast division of the
organization are not in sympathy with
the strikers, and the local and
officials of the road on western divi-
sions, who say there are plenty of men
to take the places of the strikers.

A Good Stomach.
A special from Madison, Wis., says
that Dean Donahoe, that there, aged
70 years, and in his stomach of my
large jack knives were found. He
had also swallowed needles, snakes and
bones.
A New Wart Remover.
To remove a wart, rub it with a
piece of silver taken from a cent that
was killed in the day of the moon,
at the same time repeating the alphabet
backward. Then wash with a
knife that has never been used before
and carefully around every wart, and
wash the excruciating itself firm-
ly with salt water. The wart will
fall out - Chicago Tribune.

New Carpets.

Geo. N. Day has just received a
large invoice of Velvet and Brussels
carpets, which he is offering at popu-
lar prices.
