GOUL RIVER NEWS.

What a pity that this little town should waste its sweetness on the desert air! We are determined that our neighbors shall hear from us more frequently than of late.

School opened for the winter term last Monday with Miss Barrett and Dergoyans in charge. Mr. Walden spent his holiday vacation in Iowa, but returned in time to connect with 'the grappe'.

The 'Company Store' has been improved by putting in a new floor, or something that looks like one. A young lady arrived at the home of James Thomas Monday morning. She comes as a permanent boarder and received a warm reception, although arriving the coldest day of the season.

'La Grappe' has secured a full-board among farmers in this town who covers the sawdust. Otherwise what would come when we all get to snowing? Quite a number here are French variety, and others have the plain, old-fashioned spell-with-four-words grapple on the nose.

Rev. F. Parr is expected to be with us again next Sabbath, after an extended visit to his kind home in Canada. Where are our fortnightly socials? New carpets.

Geo. N. Day has just received a large inventory of colored and fringed carpets, which he is offering at popular prices. Gents' suit and soft hats in all the new blocks, at Geo. N. Day's.

Twenty yards will buy a first-class carrying suit at Clark & Co's.
