The city election will take place three weeks from next Tuesday. BARNES STRIVE, of the Journal, has the matter of becoming the next mayor of Brainerd under advisement.

The move to organize a State Sportsman's Association will meet with the hearty approval of many people in this city and county. In such an event there might be a possibility of stopping the slaughter of fish and game which is being unmercifully carried on.

The council met in regular session last Monday evening and adjourned. The reports of the superintendent of electric lights, the chief of police, and the city clerk were read and accepted. The city payroll for March, amounting to \$1,000, was approved. A number of bills for small amounts were also introduced and passed.

It was ordered that the sidewalk tax for the town of Brainerd be assessed by the street commissioner. The sidewalk tax was immediately postponed, as the expense of the meeting of the State Fire association would be held here next.

The liquor bonds of P. M. Johnson and Archie Purdie were approved. The following judges and clerks of election were appointed: JUDGES—W. W. Waterman, A. W. Murray and Andrew Anderson.

LOU NEWS NOTES

The district court will again open a week from next Monday. Edson Fuller, of Little Falls, was arrested on Wednesday.

Chas. Secker returned to his claim near the Montana, on Wednesday evening. Mrs. F. W. Wickland is visiting her mother, Mrs. E. W. Kaley, at Ham line, this week.

E. J. Shields has removed to Fargo Falls, his run, having been transferred to the branch. J. E. Johnson can now truthfully corroborate the saying that "the life of a policeman is not a happy one."

A. Olson has so far recovered from his recent illness as to be about the city and attending to his business. Mrs. H. L. Cohen and Mrs. C. M. Patek gave a "coffee" to their lady friends on Wednesday afternoon.

John Hughes was quite severely kicked by a horse the first of the week and was confined to his bed for some days. The Brotherhood of Machinery Menders will give their first annual ball at the Armory, on Tuesday evening, April 29th.

Clark Percy left for his home in Canada the first of the week on account of a telegram announcing the dangerous illness of his father. We forgot to mention the fact last week that Wm. Shontell left as a very nice sample of the honey which he found in the log some days ago.

The department was called out on Wednesday to extinguish a blaze in Dave Snel's house on Maple street east. The damage was slight. C. D. Johnson had the good fortune to hold the ticket drawn for a prize for a gold watch, the drawing being given by an Ohio caught drop concern.

The morning session at the First Congressional district on Sunday will be "The United States for God" Evening subject, "Christianity and the Labor Problem." Ducks have already appeared in quantities in the swamps in the ponds which are now open but they are not being molested in this section. The stationary engine at the N. P. shops in this city will shortly be run with crude oil for fuel instead of coal and a large tank is being built near the engine room for the purpose of holding the oil. The tank will hold between 600 and 700 barrels.

How Co. No. 2 elected the following officers on Tuesday evening: Foreman, H. Coughlin; first assistant, Chas. Baker; second assistant, John Lupton; secretary, R. L. Weeks; treasurer, N. McFadden. The parties who picked up the package addressed to "O. U. Sucker" at the corner street on the freight house on Tuesday, were probably not pleased at its contents - a dead rat is a repulsive thing at least.

First M. E. church, quarterly meeting, Rev. C. H. Tenney, pastor, will preach. Morning subject, "Joy," to be followed by Sermons of the week's campaign for the "Dispersed" Epworth League on Tuesday evening. Junior Epworth League Saturday afternoon at 3 p. m. The public are cordially invited.

The military ball on Monday evening was not as much a success in point of attendance as could have been desired. The numerous dances which are advertised, the fire-dancing, the rain and the play at the opera house all tended to detract from the occasion. The drill by Co. K and the band at the head of the march were more of an exhibition than was expected, and the members can feel proud of their proficiency in the field. Those who attended were well repaid for their visit.

School opens Monday with Miss Graham, of Brainerd, as teacher. The home of Mr. and Mrs. Peter Behm, who have been in the city since the arrival of a fine boy baby. John Herman left for Cromwell Tuesday night to accept a position in the foreman.

Several new notices have made their appearance on the city streets. We hope to see some of our young people who have been in the city for some time and who have not yet made their home in our town.

Positive guarantee as REPRESENTED, or money refunded, at HENRY I. COOPER'S.
