

INGRESS & WELLS, Publishers. BRAINERD - MINNESOTA

OSK. F. K. SPINER, ex-treasurer of the United States, is now almost entirely blind.

JAMES FRASER was excused from jury duty at Philadelphia the other day on the ground that he was over 70 years of age and had shaken hands with La Fayette.

TO WALK THROUGH all the streets and lanes and alleys of London, and never traverse the same one twice, you could have to walk ten miles every day for nine years.

The school board of Shippensburg, Pa., determined to furnish for scholars this year five text books, stationery, and other articles. For a month ago the board had decided to the school tax.

BRANDENBURG can start a fire by pounding violently a red hot nail, first spreading on the nail a layer of powdered coal. This is a good illustration of the conversion of force into heat.

FERRAZZI'S ALPHABET, Columbus, 70 years old and over two feet tall, is reported from Albany, N. Y., to be dying. He was injured about a month ago at Johnsonville by falling out of a train and having a light train run into him.

It is estimated that citizens of England hold about \$1,000,000,000 or \$2,000,000,000 of Argentine stock, and the financial strength of the Argentine is being built on a piece in England. The English losses will run up into the hundreds of millions.

The senate committee on postoffice has reported a bill, which will certainly pass, for a further extension of the free delivery system so as to include all towns of not less than 5,000 inhabitants and \$7,000 a year of office receipts.

The first elephant ever seen in England was sent on a steamer to the United States by the firm of Messrs. H. H. & J. W. of the firm of Messrs. H. H. & J. W. of the firm of Messrs. H. H. & J. W.

It is said to be unlikely that the house in which President Lincoln died will ever be visited by any of the western armies that have made an offer for it. The intention is to put it on exhibition during the world's fair.

A PLANTER at Alvertoria, Ga., has a crop of cotton, every stalk of which is a deep red color, red, both above and below. The crop is the product of seed derived three years ago from two stalks of red cotton raised in a cotton field in Alabama.

The Australians have attained toward the solution of the rabbit pest problem. They are attacking the mischievous rodents, and are making a sale for them in Europe. One can now also pay up 44,000 rabbits a week, and there are several other ways, with more success contemplated.

Why don't the burglar find in the movement for shorter hours? One of them was recently caught fast asleep under a bed, and he explained that he was so tired that he could not stay up.

DR. CHARLES W. DULLES, a prominent physician of Philadelphia, holds to the opinion that there is hope for constipation, and that medical science will soon be able to control the disease. In a recent paper on the subject, he pointed out that while in England half a century ago there were 55,000 deaths annually among 10,000,000 people, there are now only 14,000 deaths out of 40,000,000.

Clutched the Pulley and Saved Himself. Mr. Charles Griffin, while engaged in adjusting the large pulley on the leather board mill, Milton, N. H., came near losing his life. He was unable to get up, and the gate was about to close, when he was saved by a pulley that he had just put on.

Put Not Your Trust in Riches. The friends of "Riches" write the editor, "put not your trust in riches." Only last Saturday a man came in and paid us a visit. He was a man of some means, and he was very kind to us.

Interesting News of the Week Billed Down and Classified

THE NATIONAL CAPITAL

The official record is announced by the census bureau that the population of the United States in 1900 was 76,095,531.

James F. K. Spiner, ex-treasurer of the United States, is now almost entirely blind.

THE COUNTRY EDITOR

It is the right kind of a man he can do well anywhere.

What one does in a newspaper is not a matter of course.

It is not the man who is the best, but the man who is the most useful.

It is not the man who is the most learned, but the man who is the most practical.

It is not the man who is the most eloquent, but the man who is the most sincere.

It is not the man who is the most powerful, but the man who is the most just.

It is not the man who is the most generous, but the man who is the most kind.

It is not the man who is the most noble, but the man who is the most true.

It is not the man who is the most brave, but the man who is the most honest.

It is not the man who is the most wise, but the man who is the most simple.

It is not the man who is the most virtuous, but the man who is the most good.
