M. W. McKinley was on Wednesday nominated for governor of Ohio. Mr. McKinley made a rousing speech and the greatest enthusiasm prevailed. His election is a foregone conclusion, as he is exceedingly popular and invariably runs ahead of his ticket, and then Ohio is a republican state, you know.

Lawyer Merrill, of Aitkin, has hitherto been a stalwart republican. He has now, however, changed his mind and is now a democrat. He was one of the most prominent of the former alliance, and he has now, however, changed his mind and is now a democrat. He was one of the most prominent of the former alliance, and he has now, however, changed his mind and is now a democrat.

Mr. Merrill has dropped. The only wonder is that he did not drop earlier out of the party. He has now, however, changed his mind and is now a democrat. He was one of the most prominent of the former alliance, and he has now, however, changed his mind and is now a democrat.

The difficulty in the Third Regiment, between the regimental officers and the adjutant general, has been amicably adjusted, and the order accepting the resignations of Col. Wright and Adjutant Merrill has been forwarded. It is now the duty of the adjutant general to assign the different companies to duty in other regiments.

The 3d Regt. Trencher Co. has been ordered to report to the adjutant general of the 3d Regt. Trencher Co. on the 27th inst. The adjutant general of the 3d Regt. Trencher Co. has been ordered to assign the different companies to duty in other regiments.

It is a practice of the Navajo Indians to treat a larva of his hair about their necks in such a manner as to prevent it from becoming too long. They use for this purpose a certain oil which they extract from the seeds of a tree which grows in the mountains of their country. The oil is extracted by boiling the seeds in water, and the oil is then filtered through a cloth. The oil is then used for the purpose mentioned above. It is said to be very effective in preventing the hair from becoming too long.

Baking Powder

ABSOLUTELY PURE

Merry Makers Company. Brainerd will have a dose of musical faro-comedies next week, presented by Bentrows' old established and highly admirable company of comedians, whose trade-mark is the "Jolly Pathfinders". The personal is composed of people well known in the vaudeville world, and people whose ability to amuse is far ahead of their many unassuming rivals.

The Knights of Pythias of this city will attend divine memorial services at the M. E. church on Sunday evening in accordance with a time honored custom of devoting a service each twelve months to the memory of the brethren who have died within that territory. The case was dismissed, and Mr. Hallett discharged, the evidence showing no probability of his being guilty.

On Wednesday night about 11 o'clock the old frame building on East Second street, at the end of the railroad bridge, was discovered to be on fire. The department was called out in short order, but as the fire was not put out until morning the building was gutted. The building was vacant at the time, although it had been used more or less lately by the chocolate-colored dem-tender.

It is said that all the train dispatchers at Brainerd have been transferred to West Superior, and that the office has been moved to Duluth. The building was vacant at the time, although it had been used more or less lately by the chocolate-colored dem-tender. The bride and groom were the groomsmen, Mr. J. E. Edgerton, and the bridesmaid, Miss Zapp, wearing pretty costumes of pink and white, with large lorgnettes and carrying bouquets of pink and white flowers.

Death of a Respected Citizen. On Sunday night, Mr. E. M. Tilton, an old and respected citizen of East Brainerd, died of hernia, after an illness of two years. Mr. Tilton was an old citizen of this city, and has been employed by the N. P. company in the blacksmith shop until stricken down by illness. He was a plain, honest, and upright man, a good citizen, and therefore universally loved and respected.

The authorities are looking for a sick young man by the name of Jason W. Kefford who has been missing for several weeks. He was last seen in this city and elsewhere in passing two checks to the amount of \$20 each which he had forged in the name of C. B. Thompson. He had worked with Mr. Thompson on the electric light line for some time which made the job an easier one as he is apt with the pen. He was supposed to be in Superior and an officer went there after him, but found he had worked that place and Duluth, and that there was a warrant out for his arrest there. The young man probably will be caught before many days as detectives are on his track.

A Pleasant Event. A very pleasant social event was the reception tendered Mr. Julius Kiebler and his bride, at the residence of the groom's parents on 9th street north last Tuesday evening. Mr. Kiebler was a resident of this city for several years until about four months ago, when he went to Winnipeg to live. While here he was a member of the 3rd Reg. Band, and the members of that organization arranged to surprise him on his return from Little Falls, where he was married the day previous to his arrival in Brainerd.

Geo. W. Stratton has leased the New Commercial building and will open it about July 1st. Mr. Stratton has had a great deal of experience in the hotel business, and knows how to run a first-class house. That he will enjoy a large patronage is a foregone conclusion.

Two rooms were raided by the police last Saturday night which were supposed to be used for gambling. Eleven men were found and arrested and lodged in the lock-up, but were soon released on their own recognizance. On Monday morning Judge Fleming appeared in the municipal court in their behalf and entered a plea of guilty. They were fined \$5 each.
