A SURIED GEM.

A SURIED GEM.

The death of Senator Plumb, of Kanasa, which occurred on Sunday last at Washington, removes from the field of politics an able and noted man. For fifteen years he has served his country in the upper house of con-gress faithfully, being a conservative and at the same time one of the hardest working members. His death is universally regretted.

A man belonging to a party of nine in a legislative body constituting of its late that the body by the ease, or to earry of any of the indigent or erapy place that that body by the ease, or to surprise of the third of the thir

HIGH APPRECIATION.

It pays to make honest, pure goods. Take the success of Dr. Price's ing Powder that has maintained its standard for purity and

of human food that bear his name—a name and a reputation synony-

us with pure food preparations throughout the land.

Here are the indersements of the United Cooks and the Pastry Cooks' Association of the United States. What higher praise. Its officers, whose signatures are given, are all men who have given dignity and character to their profession. Members of these as tions are the chefs and cooks of the leading hotels, restaurants, clubs and private families, and certainly no higher commendation could be found for an article of daily use in the practical culinary art, like that

of baking powder. Here is what they say: This is to Certify, That the Cocks of this Association, and its members, have used Dr. Price's Cream Baking Powder and recommend its use in preference to all others. For quiet raising and cales, pastry, etc., it has no equal. It is free from mmonis, time or alum. The most perfect Baking Founder made.

his. After that, he used to bite on it WANTED -- A BURGLAR through."

In return—well, you see, I have nothing so show. Then she must have scorned And my loving gift? Not What she gave me was-Far more presions than this Heart and soul overflow. For she gave me—a kies.
