Open house, to-night, the Paris Gaiety Girls.

E. J. Smith has removed from Duluth to Minneapolis.

Indian Commissioner Dar Hall was in the city on Tuesday.

Mrs. Dressen's ice cream parlors on 7th street are now open.

A. J. Donohue is now traveling for Smith & Co. of Duluth.

Henry Spalding has leased Mrs. Steeper's summer resort at Long Lake for the season.

E. J. Smith has moved his grocery store into the block at the corner of Fifth and Laurel streets.

Mrs. H. G. Lagerell, of Plover, Wis., arrived in the city on Monday and will remain several weeks.

It is planned to celebrate the Fourth of July in patriotic style this year. It is time more was made of it.

Lost—A recent seal pin set with pearl and small diamonds. Finder will be rewarded by leaving same at this office.

Mrs. Dressen has concluded to have her brick block on Sixth street built two stories instead of one as first contemplated.

The Women's Christian Temperance Union will meet on Tuesday afternoon at 3 o'clock at the Y. M. C. A. All are invited.

The Crookston club will hold a tournament on July 5th and 6th in connection with the commencement of the season.

A flying wheel has been struck on Adam Brown's place near the fair grounds which throws out about twenty barrels of water an hour. It is the first accident of the kind in the vicinity.

A Lagermeister, who has been employed at Westfall's clothing store for several years has severed his connection with that establishment and will probably start in business for himself.

Sam Pickett's Paris Gaiety Girls company opened to a large attendance last night at the Casino. The show is a capital one, possessing many original and taking features.—Milwaukee Journal.

bishop Gilbert will spend Saturday and Sunday in the city of the Rev. and Mrs. G. H. Davis, and will preach in St. Paul's church at the usual hour on Sunday. All are cordially invited to attend.

Sam Pickett's Paris Gaiety Girls are doing the best business of the season at the Madison Street Opera House and sending every audience home happy. This is by far the best the house has had this season.—Chicago Daily News.

Pante Damico, an Italian laborer, died at the Sanitarium on Saturday from internal injuries received by being thrown from a hand car. He was brought to the Sanitarium from his home. His remains were buried in Evergreen cemetery on Sunday.

Frank Donahue, a lumberman from Brainerd, was robbed of \$90 in bank and his shoes on Tuesday evening in a beastly state of intoxication he roared his way from the alley in the rear of the Shepher block and when the policeman found him his pocket had been cut out and his earnings gone.

The St. Paul Hotel Reporter says concerning the entertainment at the opera house to-night:

The Paris Gaiety Girls have made an immense hit at the Opera and packed house rule. It is worthy of the business for it is a very funny show. They show their engagement here Saturday night.

W. B. Chambers, of Minneapolis, has been over the city this week looking over some property which he recently purchased. The gentleman has been here for some time and has been held to call on what is known as the old mission, and also to see a number of cottages at that place. He had the premises surveyed and will begin work at once.

We are informed of the publication of a novel in the book line which is certain of an enormous sale. This book is "Glimpses of the World," a Portfolio of Photographs prepared under the supervision of the great travel writer, John L. Stock. It contains photographic views of famous scenes and places in all parts of the world. Every view is fully described. As an attraction it is available. It contains 550 pages, and nearly 275 views, and is sold by subscription at popular prices. The R. B. Peale Co., Chicago, are the publishers and they desire an agent in this locality. They will gladly mail descriptive circulars, sample views and terms to all, on application.

At the Hill Side.

The preliminary arrangements for the removal of the Hill River mill and the erection of the new one here have been completed and the work will proceed more rapidly from this time on. A Despatch scriber was at the site on Rice Lake yesterday and found the work of excavation and track to that place progressing rapidly, the grading to the mill grounds being nearly completed, and a crew of men were at work on the line already constructed. The land owned by the company has been cleared and the brush burned. The machinery is nearly all loaded on the cars at Hill River and only awaits completion of the track to the site before it can be shipped. We understand that the company yesterday closed a contract with J. J. Howe & Co. for transport of cars of heavy timber and dimensioned lumber for immediate delivery at the point. Three cars loads of granite arrived yesterday to be used in constructing the bridge.

A Farmer's Misfortune.

John Hartman, who lives here near Wood and Jackson streets Tuesday evening. The moose was very bad in the vicinity of his home and stable, he made several attempts to kill the animal, but he was unable to do so. During the night the wind came up and fanned the moose into a large fire, which it lit into straw stack, and his barn was burned together with a span of horses, a couple of cows and a quantity of farm produce which had been stored in the building. His wagon and harness was also consumed.

The Electric Railway.

The ordinance relating to the construction and operation of street railway lines in Brainerd which received the mayor's veto was presented to the city council on Tuesday evening and received its first reading and will at the next meeting of that body be taken up for consideration. The changes in it require the grader to have at least one mile in running order, fully equipped, by July 1, 1892, and provide for electric steam motor lines. The location of the line is as follows:

The said street railway shall be located, in part of its course, on Sixth street south, in the city of Brainerd, and from the corner of Sixth and Third streets south, and over such other streets as
