The legislators adjourn next Tuesday.  
 Several windstorms, typhoons and hurricanes have devastated portions of the Kansas and Missouri states.  
 A severe case of gonorrhea, which the master with the gambler's monopoly in this city. Brainerd leads in this matter as in all others.  
 The governor has signed the capital bill and appointed the committee to have charge of the work of building a new capital. C. H. Graves, of Duluth, represents this district.  
 The United States has over one million acres of public land, according to the latest census, not counting Company K of the 3rd regiment, recently designated in this city. This would make a respectable sized city to fight Indians away.

**STEP LIVING.**  
 What is gained by passing passengers to the Pennsylvania railroad has no place in prominent positions in all the stations within a radius of 25 miles of Philadelphia, requiring passengers to board and alight from all trains as expeditiously as possible.  
 The reason for this is, it is said, as that it is very hard under existing circumstances to maintain the schedule to the exact minute.  
 It is a good thing if people can be made to lead it. But it is only a test after all. The real proof and driving must be done by the conductors and brakemen, and main work of the superintendent will be to keep them up to the mark.  
 A bit of this under a general name that have been found in the ocean, and that have been found in the ocean, and that have been found in the ocean.

**RECAPTURED.**  
 A man named James Green, who had been living in the city for some time, was captured by the police.  
 He was found in a room at the corner of the street, and was taken to the station.  
 The police were looking for him, and he was found in a room at the corner of the street, and was taken to the station.
