A Fine Theatre.
The magnificent new Olympic Theatre which has just recently been constructed by Messrs. Kohnen and Quinn was formally opened to the public on Monday evening to a crowded house. The house has a seating capacity of nearly 500, the stage is 40 feet wide and 10 feet deep, which were well filled and a great many were standing. While the theatre is not large, its capacity is amply sufficient for a city of this size, but what it lacks in size more than makes up for in the quality of the interior decorations. It is managed by the manager, Mr. W. B. Chambers, under whose management the theatre has been opened. The stage is large and comfortable and is supplied with all the latest improvements. The theatre is a fine one and is well adapted to the needs of the community.

Oliver Reverts.
Oliver Lunn is contemplating buying a farm near Brainerd. This is a great growing weather. Prospects are good for big crops. Our General Station, J. F. McGinnis & Co., will buy all the blue berries in the city and pay cash.
We are informed that the Pillsbury mill will abandon their picnic and celebrate at Grill Bay.
Hon. Gilman Crane arrived home last Monday after a six weeks absence above Park Rapids.
