Local News Notes.

Pipes at cost at C. H. Paine's. The roads are in an almost impassable condition. The county commissioners meet in their session next Tuesday. The tin sink at the power house will probably be ready to use tomorrow. Thanksgiving gave us the first real winter weather of the season—20 below. The W. C. T. U. will meet on Tuesday afternoon, at 3 o'clock at the Y. M. C. A. parlors. All are welcome. Mrs. G. A. Rowe will preach in the Baptist Church Sunday, Dec. 6th, at 10:30 a. m. and 7:30 p. m. W. Williamson, general foreman at the N. P. shops, has resigned his position. His successor has not yet been selected.

A social party was given at the rooms of the Chequamegon Club last evening, which was quite largely attended. The new steam heating plant recently put into the Old Falls Hotel by R. H. Paine, is now in operation, and works like a charm. The cars on the electric line are being provided with seats on each end as a protection to the motor men and conductors, and in accordance with the state law.

The people of Great River fear that John Bundy, of that place, who went in quest of deer some two weeks ago, is lost, as no word has been received from him. Tickets for the Knights of Pythias and Masonic ball on sale at the different drug stores in the city, where they can be obtained by any person who has received an invitation. The ball given by the Ancient Order of Hibernians at Gardner Hall on Wednesday evening was a grand success, and the meeting of dancers enjoyed the occasion to the fullest extent.

A very pleasant dancing party was given at the residence of Mrs. P. A. Paine on the Pine River road, last Friday evening, about 40 couples being present. A very pleasant time was enjoyed. W. E. Seelye, while in St. Paul Monday, closed a government contract for surveying in the northern part of the state, and will be back to work in a day or two. He will be absent nearly two months.

According to the Portman Bulletin, A. H. Prang has entered into an arrangement with the proprietors of the opera house at Little Falls, Brainerd, Wadena and Detroit, and will perform there with his company. In speaking of the Shady matter the Little Falls Transcript says: "The proceedings under which it was released were entirely proper, and the authorities of the state had no right to keep Shady in custody under the circumstances."

Rev. T. Tompkins, who has for some time past had charge of the Norwegian Lutheran Churches at Brainerd, Long Lake and Little Falls is no longer in the field, and his successor has not yet been selected. The title to the vacant regularly filed it is expected that the church authorities at Minneapolis will see that the local project is supplied.—Transcript.

N. B. Chase will leave next week for his field of labor on the Chippewa reservation, he having received his commission and qualified for the position. The work, if done in a thorough, systematic manner, will take from four to six years to complete. The gentleman in charge of the work is expected to do it, and pay their own expenses.

A surprise was given Mr. and Mrs. Thomas Wilson on Friday evening at their home on Fifth street south, and a very enjoyable time was the result. With the surprise came a nice way chair which was given to Mrs. Wilson on behalf of those present by H. C. Strivers who made the presentation speech. Mr. Wilson was not overlooked in the matter, but was presented with a sack-bunch of improved pants, with instructions how to use it. The details were arranged by Mrs. E. P. Johnson, and those present being held by Mrs. Johnson, A. Olson, D. McIntosh, N. P. Johnson, J. H. Gaudin, and their present being held by Mrs. Johnson, Jerry Crowley, H. C. Strivers, A. Rosenberg, Nels Peterson, Victor Gustafson, and Peter Lewis.

The citizens of this part of the state are desirous of seeing the game law lived up to but it seems that some combination of circumstances has led to a compromise with the Minnesota end of the game commission in regard to the shipping of venison. The law states that the season closes on the 15th of December, and a number of saddles were seized by Deputy Game Warden Paine on Monday night at Staples and on Tuesday night at F. P. Park, a member of the board, seized eight saddles at the express office in this city in compliance with instructions from W. H. Andrews, the warden general. After this was done telegrams came from Mr. Andrews, to return all saddles and let things take their course until today. Dec. 1st. At the law is perfectly clear on the subject, Mr. Ferris was remarkably correct in receiving the telegrams to enforce the law, and the next day to overlook the violation. The end is not yet.

A Pleasant Anniversary.

The members of St. Andrew society celebrated their anniversary last evening by a ball and banquet in the Columbia block, nearly 50 invited guests being present. The occasion was one of unusual interest and enjoyment, and the members of the society are to be congratulated over the manner in which they entertained their guests at their first "Happily" dance. The invitations were served at 9 o'clock, and during the interval between that and the dancing a very fine musical program was rendered, and speeches were made by the president of the society, Dr. G. S. McPherson, Wm. Williamson, C. D. Johnson, Mayor Hancock and H. C. Strivers. The floor was then cleared and dancing was indulged in until a late hour. The society is Brainerd is composed of about fifty-five members, and while the organization is scarcely ten months old its history is steady and the treasury is in excellent condition. The object of the organization is to advance the interests of Scotchmen, assist the object of that nation, and also to install an interest in Scotch genealogy and name. The officers were: President—Dr. G. S. McPherson. First Vice President—Wm. Williamson. Second Vice President—Kenneth McDonald. Secretary—A. G. Mitchell. Treasurer—Larry McPherson.

Wedded.

The wedding of Mr. Charles Lightfoot to Miss Kittie Meekins occurred Thursday morning at 9 o'clock, at the Catholic Church, Rev. Fr. Lynch officiating, the ceremony being followed with High Mass. The church was well filled with friends of the young couple, and all assembled to witness the ceremony. The bride was charmingly attired in light blue silk, trimmed with broad white ribbons, and carried a garden of roses. The groom was attended by H. W. Hancock and P. Thieland. The bride and groom are both well known to most of our readers, the former being the daughter of Mr. and Mrs. Wm. Meekins, of East Brainerd, the groom being a fireman in the employ of the Northern Pacific company. The ceremony was performed at a wedding breakfast at the home of the bride's parents, and started for their new home in St. Paul on the noon train followed by the well wishes of the entire community. Several very nice wedding gifts were tendered.

Charles G. Holmstrom and Miss Betty Peterson were married last Saturday evening at the residence of Mrs. A. P. Nelson. Read our advertisement about the GREAT REMOVAL SALE. Everything in stock offered at ACTUAL COST.

Henry I. Coates.

Brayer broke his thumb. The 20 room pipe organ delivered to take place at the Olympic Theatre on Wednesday night, resulted in a victory for Fitzpatrick in his second round, his opponent, the Rev. B. A. Beyer, being unable to continue the fight, and bringing his rights to the referee. The referee, who was not present, said to have been a very clever exhibition, and that who witnessed it expected to see a determined contest, as both men showed that they were well up in the pugilistic art. At the close of the second round, which was hard fought, Beyer was found to be injured through an extent that he was unable to continue, and the referee, Tom Cavanaugh, gave the fight to Fitzpatrick, the audience being very large, was sorely disappointed at the termination of affairs, and many thought the injury was merely a blind bluff, and was not the real thing. The following affidavit will show:

That on November 30, 1893, I, the undersigned, saw the above named fight, and that I saw the referee, Tom Cavanaugh, give the fight to Fitzpatrick, and that I saw the referee, Tom Cavanaugh, give the fight to Fitzpatrick, and that I saw the referee, Tom Cavanaugh, give the fight to Fitzpatrick.

Johnson will undertake to give the Brainerd public some advice on management on ice during the coming winter months, and accordingly have flooded the large roller rink at the corner of 6th and Kingswood streets, to bring the intention to have the place ready for those who like to skate in a day or two. The floor has been covered through soaking with linseed oil, after which about three inches of water was covered over it and frozen by degrees in order to keep the water from soaking through and running out when the flooding took place. The present cold snap has done the trick, and the rollers are assured of an excellent quality of ice. The place will be a very popular resort, and the gentlemen connected with it will see that it is run in an orderly manner.
