"Royal" is found by analyses the only baking powder in the world that is chemically pure. It leaves neither acid nor alkali in the food.

It is the highest in leavening power, will keep its full strength until used, and renders all quickly raised food more delicious and whole-

Dr. Cyrus Edson, Commissioner of Health of New-York, says that "Royal" is shown by analysis to be the best baking powder; the only baking powder that will raise large bread perfectly.
