THE BEST FAMILY MEDICINE
AYER'S PILLS
I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use.

AYER'S PILLS
Highest Honors at World's Fair,
Ayer's Sarsaparilla Cures all Blood Disorders.
New Dosing Car Service.
It is a pleasure to note the addition of another important feature to the already complete train service of the Nickel Plate Road.

Attention to the St. Cloud papers
E. V. Doherty has written to this city to state the trouble which has come upon them from the A. R. U. and the Great Northern railway.

The new law enacted with regard to noxious weeds declares the following to be public nuisances: Wild mustard, wild oats, cocklebur, burdock, tumble mustard, Canada thistle, oxeye daisy, quack grass and hunch grass.

The Journal has been trying to hoodwink the people on the silver question by publishing the following article under this head from the Chicago Times-Herald, by Professor Langley:

To Be Enforced at St. Cloud.
Superintendent S. P. Parr, of the St. Cloud city schools, according to reports from that city, is investigating the full provisions of the law passed by the legislature which prohibits the sale of tobacco to students of schools receiving state aid.

The Commission Will Stand.
There has been considerable newspaper talk during the past week regarding the fish and game commission, especially since the attorney general gave an opinion that the old board was legitimated out of office by the legislature of last winter.

Silver and the Laborer.
As the Journal has been trying to hoodwink the people on the silver question by publishing the following article under this head from the Chicago Times-Herald, by Professor Langley:

Don't Know HALL.
The Journal comes down off its high horse this week in assuming that no one knows anything about the silver question, and it proceeds to give us its quotation from President Cleveland's last week's address.

ALABASTER MINES.
An industry in Fla. That thousands live in the province of this name, a very remarkable and very ancient industry is carried on. We refer to the alabaster industry, which a full description from actual observation is given by Vice Consul Carmichael of Logansport, in a foreign commission report.

WARRIOR CAPTURE.
News of the Arab believed to have been captured by the British, and the capture of the Arab believed to have been captured by the British, and the capture of the Arab believed to have been captured by the British.

MINN. CHINA has notified the treaty of peace with Japan, and it is hardly to be expected that the treaty will be changed at the dictation of Russia or any other European nation.

The British government has continued to grudge the world, but the Russian government in Central America, republics is packing up his samples and preparing to evacuate.

A dog committed suicide in Chicago the other day. This is the worst case of the kind. The Windy City has had some horses connected it so closely with the hot trotting that the inference is inevitable.

Paper stockings are the latest fashion for simplifying the household cares of women. "Darling bachelors" may now be relegated to the lumber room.

Ireland should name its next two battleships the Ballin and the Constable. The British and the Red Agent are not to be approached, it is not to candid.

The point is now made that the armed invasion of Nicaragua by British forces abounds all the trouble before it. It is not to be approached, it is not to candid.

Prof. Holden has been to the coast to see that there is no more of the kind. It is not to be approached, it is not to candid.

The Newmarket market simply furnishes another illustration of the fact that England never misses an opportunity to assist her strength when she can do so without danger of having to fight a nation of her own size.

A. A. Blackwell, a rich and ardent collector of the art and science of Blackwell, has decided to build a temple in David city cost \$200,000. It is not to be approached, it is not to candid.

The report from Key West that 20,000 more Spanish soldiers for service are sent for to the United States is the result of the recent stories that the insurance was on the point of collapse.

Great interest is taken in Berlin in the recent exhibition of the present century. They include the most interesting of the century. It is not to be approached, it is not to candid.

New York city's latest census shows that it is likely to pass the 2,000,000 mark. It is not to be approached, it is not to candid.

When Turkey dined a correspondent breakfast in Constantinople, he was checked for \$12 and made to go. It is not to be approached, it is not to candid.

While France is largely building its population, it seems less disposed than ever to encourage immigration. It is not to be approached, it is not to candid.

Some of the Paris papers are beginning to notice that the situation with Russia is of service only to the latter country, and that now it has become a matter of indifference.

Russia is moving her warships with the greatest care. It is not to be approached, it is not to candid.

Queen Victoria, who stopped over at Darmstadt lately to attend the christening of a grandchild, was accompanied by some children, forty grandchildren and twenty-one great grandchildren.

On a boat some 184 certain Texas landowners are protesting against the government for property included in a military reservation, and ever since the protest has been made.
