Are Getting Fatigue.
 A peculiar incident occurred in this city on Sunday last which will probably be repeated for some time to come. About 12:30 a wild deer which had crossed the river and came up the bank near the Swartz residence, appeared on Front street near the house, and, becoming frightened at the signs of civilization and the barking of dogs, started on a mad run down the street.

When in front of Slipp Bros. hardware store the animal whirled suddenly and gave two jumps, the second one landing his dewlap on the inside of the store, and he was flying like a plane through the air.

Once inside the door he overturned things generally and broke the window in the door in endeavoring to get out.

The excitement soon called a large crowd, and the animal, who was apparently taken to the rear of the store, was taken to the rear of the store, and was taken to the rear of the store.

When the deer jumped through the plate glass window it knocked down a large number of things and was otherwise severely injured about the head, being cut in several places.

Dr. J. C. Condon, of the N. P. Sanitarium, being present saw up the wounds, and took the animal to the hospital, but it died the same night.

Memorial Day.
 Memorial Day was fittingly observed in this city notwithstanding the rain which fell in torrents just as the time was advertised for the parade to take place in the afternoon.

Although the clouds presented a threatening aspect during the afternoon hours no rain fell and the exercises at the cemetery were not interfered with.

At the appointed time the Post and Home Guard, accompanied by the firing squad proceeded to the cemetery where the graves of the fallen soldiers were adorned with flowers and appropriate ceremonies were performed.

Accompanying the procession was a beautiful float drawn by four horses and occupied by twenty girls dressed in white who had charge of the flowers for the occasion.

In the afternoon some delay was occasioned by the rain but fortunately it partially cleared up to some extent and the solemn was formed, and the march proceeded over the route published in this paper last week.

J. C. Condon was in command of the float which furnished music for the occasion. Maj. J. L. Dobbin, the orator for the day, will deliver the address in this city on Tuesday.

Arriving at the park Maj. Dobbin delivered a very eloquent address which was listened to with much interest by his hearers. Rev. D. McKay acted as chaplain and Hon. W. A. Fleming did the honors as master of ceremonies.

Some very fine music was rendered by the children of the Brainerd school. Miss Kate Gannon and also by the quartette, Miss Minnie Merritt presiding at the organ.

Considering the weather the day was in every way a grand success and one long to be remembered by those who participated.
