The People's party will hold caucuses in the various wards this evening to elect delegates to their county convention which will be held at the court house tomorrow afternoon, which time delegates to their state, congressional and legislative conventions will be elected.

J. C. Congdon's point shop has a very narrow escape from destruction by fire on Tuesday evening. The blaze originated in the rear room and was caused by a spontaneous combustion. The department was quickly on the ground and extinguished the fire. Congdon estimates his loss at \$125 with no insurance.

James Smith, son of J. G. Smith, arrived home from the week Monday, in company with Roy Douglas. Mr. Smith had started for his home on a bicycle and had gotten as far as Glendive when he was taken ill by the illness and died of it. A long ride through the bad lands without water is assigned as the cause.

J. W. Koop, of the firm of Koop Bros., Brainerd, is in the city today on business. He is a native of Rich Prairie and has been out there the last week superintending the harvesting of the crops. He says that he will have a fairly good yield in all the crops on his place this year.

Steel vs. Cast Iron.
Steel has succeeded iron in all structural work where the greatest strength and durability are required. The old-fashioned cast-iron stove has made way for the

Majestic Steel Range
which is made of cold-rolled steel (the strongest steel) and malleable iron (that, by an expensive process, is made unbreakable), and the whole construction is riveted by hand (the honest way).
The MAJESTIC is built on honor to last the user a lifetime.
