PTH OF THE NEWS

It is noted that the women of the royal families of Europe are on the average much stronger mentally and physically than the men.

Lightning struck a foot ball team from it was about to play a match at Liverpool, England, killing one man and badly injuring two others.

After aggregating \$1,000,000 have been received by De la Salle from a donor whose name is to be withheld, is for the Holy Trinity.

Millions of men in Idaho have married and are again having children upon an average which, even when the wife works, is rarely above 2 children each.

It is estimated that the remnants of the French Methodist ministers and their families and luggage this year to the Hawaiian Islands will number 1,000.

The new navy helmet to be used for all branches of the British service, is made of an old kid, and has other advantages.

The latest copper mine of Bismarck has just been re-opened. These new mines, worked by Japanese labor, produce 1,000 tons annually, and are believed to have been abandoned about 1860.

The old case that the world's coal is near exhaustion is now pretty well exploded. Now coal is constantly being discovered in various parts of the globe, and is being used by no means near exhaustion.

Victoria and fact, all Australia, as a field for medical attention to physicians by the Royal College of Physicians, with medical men of other professions, anxious to grasp at anything that might show them their way.

Twenty years ago, when the world was in the throes of a great epidemic, the seeds which it sowed toward the future and the ruin upon the white continent of Africa.

A method of purifying water in its source, or in a reservoir, is in vogue in certain countries, and is being extensively used in the impurities-making them settle.

The successful vessel which has caused the Manchester ship rental is the steamship company in London. It is a long way round, but the sailing in freight dues is enormous.

Twenty stories of professed courtesy are told in the National History Museum, South Kensington. Quite lately they received a letter from a woman, who said that the writer was ready to take \$500 for the book, and she was willing to accept \$100 if the book was not wanted.

A curious point in Swedish criminal law is that confession is not necessary for a capital sentence can be carried out. However, the culprit remains in prison until the case is proved beyond a reasonable doubt.

Imperial troops nearly 150,000 were of them a year ago and pay \$10,000,000. It is said that a half is paid in form of military allowances, and the remainder in the form of wages for the manufacture of paper. Dr. Bellich declares that 10,000,000 of the military equipment is produced in this country if they want the right way it.
