**LABOR DAY.**  
There will be plenty of amusement in Brainerd on Monday Sept. 6.  
The executive committee hold a meeting at the Y. M. C. A. parlors on Tuesday evening at which time the program for the day's amusements and other matters were discussed.  
J. C. Davis reported that he was enabled to act as chairman of the Association committee and W. A. M. Johnston was appointed to fill that position. Mr. Johnston and D. E. Smith also being added to the dance committee.  
Mr. Sawyer, of the Y. M. C. A. announced that members of that organization had arranged for a five pointed contest to take place on Labor Day before it was decided to celebrate in a general way, and stated that the young men who were to participate in the game would be glad to join their sports with those arranged on the general programme.  
The ball game will take place on the vacant ground behind the N. P. freight depot and Larson & Walters wood yard.  
The grand parade will occupy the greater portion of the forenoon. The ball game will be followed by a picnic at the vacant ground behind the N. P. freight depot and Larson & Walters wood yard.  
Rev. Father Lynch and Hon. H. C. Stevens have accepted the invitation extended them to deliver the addresses on Labor Day.  
The contests between the hose companies will be an interesting affair and will take place at the close of the parade.  
Dreskel's band will furnish music for the morning and afternoon procession on the morning and being at the City Park during the afternoon where the sports and amusements will occur.  
The evening Drezkel's orchestra will furnish the music for the grand ball which will occur in Gardner hall and which will be largely attended judging from the number of tickets sold. The cake walk advertised to take place during the intermission at the dance will be worth twice the price of admission.  
At the park, in the afternoon, the Germania Menzinger and Chautauquet will furnish some excellent vocal music.  
Taking it all together it will be an occasion long to be remembered.

**Burglary Work.**  
The grocery store of M. J. Heilly and Abbott & Wilkins and Moberg's saloon were burglarized on Wednesday night. At Mr. Heilly's place of business the back door was pried open and the cash register removed to the back porch where it was broken open and something like \$150 taken from it out nothing else about the place was disturbed. At Abbott & Wilkins' an entrance was gained by going down through the sidewalk into the cellar way and up through the trap door to the back room. Once inside the thieves got at the cash drawer by removing the screws that held it in position but they were not rewarded for their work as no money is ever left there over night and the few pennies that they found were left scattered over the floor.  
At Moberg's saloon the thieves broke on a window glass in the rear and when inside they put up the shutter that had carelessly been left down the night before. Mr. Moberg leaves his cash register open when he closes up for the night and the midnight prowlers had no trouble in securing the \$500 in change which had been left in it and did not have to break the machine to secure the coin.  
A Everett's carpenter shop on 7th street was broken into and several tools taken which were used by the burglars in breaking into the different places. The police are of the opinion that the job was the work of local crooks as they claim there are no strangers hanging about the city.

**Diadrom Paralysis.**  
On Wednesday Charles Otto was stricken with paralysis from the effects of which he died on Thursday night at 7 o'clock. Mr. Otto was engaged in the dry business and was in the street at the time being immediately taken to his home on Sixth street south where medical aid was summoned but the shock was too great and he did not regain consciousness. The deceased was in his 58th year and leaves a wife and several children. Charles Fred and Albert Otto, and Mrs. C. A. Johnson of this city, Mrs. Chas. Reaslow of Carlton, and O. Otto, of Schenvedy, N. Y. Mr. and Mrs. Reaslow arrived in the city last night and Mr. and Mrs. Johnson who have been visiting the Germania Menzinger and Chautauquet for some time have been telegraphed for and will arrive on Monday. The funeral will occur on Tuesday from the German Evangelical church in East Brainerd, Rev. Mathiasen officiating.

**Staples News Items.**  
From the Tribunes.  
Engineer Ed Lynch went to Brainerd Saturday to get engine 170, of the large class, which is on its way west.  
Engineer W. B. White was at Brainerd Saturday breaking in engine 170, one of the large engines for use on the Minnesota division.  
W. E. Barber, brakeman on the west end, has been laying off since the middle of June on account of the illness of his wife. He expects to resume his duties about the first of September.  
The Misses Sandberg, of Brainerd, arrived Saturday on a week's visit with Mr. and Mrs. J. M. McNaughton. Mrs. McNaughton's mother had last week for West Superior, where she will reside.

**Yellowstone Lakes.**  
"There is an individually about lakes, perhaps the most striking thing about Yellowstone Lake is its high altitude. It is up among the mountains and clouds in Yellowstone Park nearly a mile and a half—7,741 feet above where the sportive summer girl sits on the bench at the Atlantic Ocean while the lazy wavelets ripple about her shapely form. But as high as it is the mountains rise higher still by thousands of feet. In a solemn, coil-like fashion they blink down at the lake, and the lake winks back at them. These mountains are well defined peaks, and cones, and turrets, and sentry like summits. Some of them are in the way of redoubt of the old explorers, the men who first braved the perils and difficulties of an unknown, untrodden wilderness."  
The store is taken from "Wonderland '97," a beautiful new Tourist Book Published by the Northern Pacific Railway. It will be mailed to any address upon receipt of six cents in stamps by Chas. S. Fox, Gen. Agent, St. Paul, Minn.
