DEATHS.

Eddie Schürmeyer, aged two years, died on Thursday, February 2, 1899, at the residence of his uncle in East Brainerd, of pneumonia. Funeral services will be held on Sunday.

Alfonzo Liners, aged 48 years, died at his residence on Sixth street south, on Tuesday, Jan. 31st, 1899, of complications of la grippe. Deceased had lived in this city for several years, being employed at the N. P. foundry. The funeral services were held at 9:30 a. m. yesterday at St. Francis Catholic church, Rev. Father Lynch conducting the services. He leaves a wife and several children to mourn a father's death.

Rev. A. G. Helm, pastor of the Swedish Baptist church, of this city, died at the church parsonage on Saturday, Jan. 29th, aged 48 years. The cause of his death is not known. He has resided here only about five months, and has been sick ever since. The local physicians could not agree as to a diagnosis of his case, and desired to hold a post mortem examination, but the family objected. The funeral services were held on Wednesday, Feb. 1st, at 2:30 p. m. at the church, Rev. Frank Peterson and Rev. E. R. Pope, of Minneapolis, and Rev. Bergman, of Aitkin, conducting the services. He leaves a wife and six children, ranging from 20 years down, to mourn his loss.

Miss Agnes Gillis, whose death has momentarily been expected for the past two weeks, passed peacefully away about 5 o'clock on Monday evening, January 30, aged 67 years. Her death was due to the effects of old age, hastened by an attack of grippé. She has lived in this city for the past 22 years, coming here from Lowell, Mass. She was the cousin of General George Stark, who was president of the N. P. road in 1877, through whose influence she came to Brainerd. She was a lady of culture and refinement, highly educated, and possessing a wonderful fund of information. She took an active interest in all public affairs for the material, moral and intellectual advancement of the community, consequently was loved and respected by all who knew her. She was an active member of St. Paul's church, and was foremost in all church work. She had considerable means when she first came here, which she eventually lost through real estate investments until in her latter years, she was supported only by her pension and the charity of friends in the east. The funeral services occurred yesterday morning at 10:30 o'clock, at St. Paul's Episcopal church, Rev. Chas. F. Kite conducting the services. The remains were shipped to Lowell, Mass., her childhood's home for burial, this being her expressed wish.

True H. Moores, whose critical illness was recorded in these columns last week, died on Friday evening, Jan. 27th, 1899, at 5:10, aged 29 years and 11 months. Mr. Moores' death was the result of a surgical operation to remove the appendix from which he did not have the vitality to recover. He has been a sufferer for some time from appendicitis, and had an attack just previous to the operation. It was then decided that a surgical operation was necessary in order to make recovery possible, but his system was unable to stand the shock. He died surrounded by the remaining members of the family. He was a most popular and enterprising young man of excellent character, and his death was a sad blow, not only to the afflicted family, but to his many friends here. Mr. Moores was born at the old family home near Gull River, on Feb. 6th, 1869, where he lived with his parents until about six years ago, when the family removed to this city, since which time he has resided here. He was an engaged in the livery business here for some years with C. G. Moores, and also was engaged in logging operations for several winters. For the past few months he has been at Cedar Rapids, Iowa, where he was

employed by his brother-in-law, H. J. Canick, manager of the Bomley Threshing Machine Co. He was home on a visit for the holidays when he was taken ill. The funeral services were held at the family residence on Monday, Jan. 30th, at 2 p. m., Rev. Geo. W. Gallagher, of the First Congregational church, officiating. The afflicted family of the deceased have the sympathy of the community in their sad bereavement. Out of a family of nine, only four are left, four dying in the last few years. Mr. and Mrs. H. J. Canick, of Cedar Rapids, Iowa, were in attendance at the funeral.

This will mean when the first came here, which she eventually lost through real estate investments until in her latter years, she was supported only by her pension and the charity of friends in the east. The funeral services occurred yesterday morning at 10:30 o'clock, at St. Paul's Episcopal church, Rev. Chas. F. Kite conducting the services. Kimball Pianos and Organs. The Kimball Pianos and Organs are unequalled in tone, touch, workmanship and durability, receiving the Highest Honors at the World's Fair in 1893, Gold Medal at the Omaha exposition in 1898, and are endorsed by all teachers of music in Brainerd, and also by the leading singers and musicians of the world. Why run chances on cheap instruments, gotten up to sell without reputation, with stained cases, and which are good only for a few months, then you wonder why your instrument needs tuning so often? The W. W. Kimball sells as cheaply as any of them, on monthly payments, and you are sure to get a square deal.

The seeds purchased in Russia by Prof. M. E. Hanson, special agent of the department, for introduction into the United States, upon their receipt in Washington were found to contain a large amount of weed seed, in many cases of kinds not yet known in the United States. On account of the lack of seed-cleaning machinery in the district in which the seed was purchased it was impossible to get clean seed. Dr. J. C. H. Hanson, therefore, was carefully used in Washington city for purity, and it found to contain weed seeds was carefully cleaned, either by machinery or by hand. Furthermore, the seeds when distributed were accompanied by a memorandum calling attention to the danger from foreign weeds and directing their extermination should any appear.

THE LEGISLATURE

Business Transacted by Minnesota.

St. Paul, Jan. 20.—After a discussion, which was prolonged through two days, the house yesterday passed, by a vote of 72 to 43, the bill introduced by Mr. Peterson of Hennepin relating to the rate of interest on state land contracts from 5 to 4 per cent, and extending the time of payment from forty to fifty years. Favorable action was not accomplished without a sharp contest in which the opposition mounted a following that finally surprised the friends of the bill. Mr. Peterson of Hennepin and Mr. Lynde of Carlton led the minority, while the support of the majority found expression through Messrs. Jacobson, Grandall, Squires, Yale and others.

Aside from the consideration of the bill the house had time only for the reports of committees, and under this order of business the judiciary committee delivered a report of thirteen bills, none of them of great importance. The committee on general legislation reported for indefinite postponement the teachers' retirement bill, and for passage Mr. Westcott's amendment to the civil rights bill.

The senate yesterday held a short session, and gave to consideration an opportunity to catch up on the bills in the absence of Mr. Smith, who attended the session to the capital block of trust companies. To provide a law for the Hennepin county manufacturing and iron in Minnesota.

Among the bills introduced was 8, introduced by Senator Horner, which authorizes the state capital commission to issue certificates of indebtedness to aid the state in the acquisition of land which will counter the new capital.

NEIGHBORHOOD NEWS.

Items of Interest in Neighboring Towns Gleaned from Exchanges and from Special Correspondents.

J. J. Howe, of Brainerd, was in the city today. He was looking for teams to send up to his logging camps above Brainerd. The roads are now in good condition and all the lumbermen are putting more teams to work hauling, as they are anxious to get in as much timber as possible.—Little Falls Transcript.

A. J. Delmonico, the man murdered in New Mexico, an account of which appeared in the Free Press some weeks ago, proves to have been an uncle to Alphonse J. Delmonico, as one time a Saak Rapids merchant. The murdered man was known as "the torquay king" and left an estate estimated at \$3,000,000. There are eight heirs, four of whom, including Alphonse J., have gone to Las Cruces, N. M., to look after their interests.—Saak Rapids Free Press.

KLONDIKE NOGGETS.

Chris Lyons and little son came to the Klondike today, where they will make their future home.

H. Oswald, who went to Minneapolis this week, had an operation on his eye, and thinks it will prove successful.

J. H. Hoyt, an old man 75 years of age, has his saw mill at Klondike almost ready for work. He is a pretty old man for such work.

Although it is pretty cold weather the farmers around Klondike still continue to roll in their gold nuggets to the mill, and right lively too.

Oswald Bros.' saw mill is ready for sawing now. L. P. Atkin has put in the largest log that has yet been hauled to the mill, and also the longest one.

KATRINE GLEANINGS.

Mr. Lindberg, of Deerwood, visited Mr. Wilson this week.

L. E. Garrison says the sawyers will soon finish cutting the pine in this vicinity.

Mr. T. Scott, while working at Scott's camp, narrowly escaped death by a falling tree last week.

One of the men employed at Scott's camp had his foot badly crushed by a log falling across it. He was taken to the Lumbermen's Hospital at Brainerd for treatment.

The party at Mr. Hunt's was a grand success. Mr. Hunt posing in on a charade: "Simbad, the sailor." He threatened to get even with the men who invented that game.

Mr. and Mrs. G. A. Hunt expect to leave here tomorrow for a visit to their old home in Durand, Wisconsin. They will also visit in Minneapolis, returning by way of Chippewa Falls and Superior, Wis.

GRAVE LAKE ITEMS.

Born, on Jan. 17th, 1899, to Mr. and Mrs. H. Markel, a son. All are doing well.

T. C. Point, is handling some logs on Long lake for his new purchases on Sec. 16, of it is town.

John Howard has moved from the Joe Edwards' ho, westward to S. Hank's place on No. 8 Lake.

Mrs. Alberts, of Walker, who has been visiting friends and relatives here, returned to her home last week.

It was reported here that Ole Alberts was married some time ago in Todd county, but diligent inquiry fails to corroborate said report.

M. K. Swartz, the popular drugist of Brainerd, was viewing the sights of this town and beyond on Monday of last week with a party of friends.

John Spohn and John Howard are putting up quite an extensive ice house, which they will fill with ice to be used in shipping fish next summer.

Mrs. W. A. Chord, of West Garrison, left here for Fergus Falls on the Saturday evening train, to visit her husband who is confined in the hospital for the measles there.

Will Bond and George Boek have finished hauling logs on their Crooked lake contract, and will soon commence hauling from Sec. 16, of this town, where they have some 200 thousand to bank.

Mrs. T. C. Poulston entertained a few of her friends and relatives at dinner last week, it being her 50th birthday. May she live to see many more in happiness and plenty, is the wish of her many friends.

The Crowell Bros., who continue

plated hauling any number of loads of logs per day at the beginning of the season, are now content to haul one load per day of 2,000 feet per load for each team, and consume any amount of time before and after daylight at that.

The log-haulers from Scott's camps, over in Garrison, are having any amount of trouble crossing Portage lake. Their loads are so heavy as to break through 16 inches of solid ice and getting their horses in. One load is reported as having on 70 logs, scaling anywhere from 8 to 12 thousand feet. They lost one horse by drowning.

GARRISON GEMS.

The Varner boys, who have been employed by Miller & Knowlton, have come home.

G. A. McLaughlin, who took a contract to put in 600,000 shingles, is now working.

Mrs. McCauley has been on the sick list for the past few days, but is better at this writing.

Jim Dinwiddie seems to have some attraction up on White Fish lake. We suppose fishing is good.

Sherod Copley had the misfortune to cut his foot quite badly this week, and the doctors think amputation will be necessary.

Bert Scott has bought 40 acres of land in the western part of the town of Exney, Scott. Things begin to look suspicious, Bert.

Messrs. Miller and Knowlton, who are logging on Bay Lake, have in about 30,000. They are haulers, and will likely succeed in their undertaking.

Just as the men were getting to work Wednesday last, Dan Lefflers was injured by a log falling on him. He was employed by Mr. Marston at his camp near Garrison, and was taken to his home near Aitkin and medical aid summoned. The doctors report two ribs broken twice and two broken once. He is getting along all right at present.

GRANDMOTHER GARRBOO.

CROW WING CRUMBS.

Little Sidney Everest has been quite sick for a few days.

Harvey Lee departed for the woods with his team last week.

Miss Marion Phelps is much better. We are in hopes to see her out again soon.

Frank Stifter returned to his home at Tower City, N. D. last Saturday.

There has not been a very large attendance at school here this last week on account of the cold weather.

Mr. and Mrs. Knell, of Bay Lake, spent Saturday and Sunday with Mrs. Knell's parents, Mr. and Mrs. E. M. Phelps.

Henry Schiagel, who has been here with his uncle the most of the winter will return to his home at Winstead, Minn., next Friday.

Mr. and Mrs. M. D. Everest, who have been spending the winter with their son, W. H. Everest, returned to Saak Rapids. Their grandson, Eugene, accompanied them.

Mrs. Rose Bauman, of Livingston, Mont., who was here visiting her sister, Mrs. M. Schiagel, returned to her home last Monday. Her little nephew, Martin Schiagel, returned with her.
