

# WORK OF CONGRESS

**Washington, Feb. 2.** — For a few minutes in the Senate yesterday afternoon it seemed likely that a vote might be taken on one or more of the resolutions relating to expansion that are pending before that body. An unusually large number of Republican senators were in attendance all day, many having been notified to be present in the event of a critical vote on the pending question. Mr. Bacon of Georgia had called on his resolution and Mr. Chandler of New Hampshire had withdrawn his motion to refer them to the committee on foreign relations. Mr. Sullivan of Mississippi had entered a motion to substitute the resolution for those of Mr. Bacon, while Mr. Davis chairman of the foreign relations committee, had announced that he was willing that a vote should be taken immediately. As it was evident, however, that a vote on resolutions and amendments could not be taken before 2 o'clock, the hour fixed by unanimous consent for the Senate to go into the Senate session, Mr. Bacon asked for unanimous consent that a vote be taken at 12:30. To this request, Mr. Carter of Missouri objected and the whole question was left unconsidered. Mr. Bacon of Idaho addressed the Senate upon the first anti-expansion resolution, devoting the greater part of his time to a defense of the resolution that the committee applies as well to people of our territories as to those of our States.

**The House.** — The House entered upon its consideration of the free and harbor bill and made rapid progress. Fifty of the eighty-eight pages of the bill had been completed when the house adjourned. The bill appropriates directly about \$12,000,000 and authorizes contracts to the extent of \$10,000,000 additional. The general debate was unusually brief. Its features were the question of the bill by Mr. Hepburn of Iowa, who has fought the free and harbor bill for the last six years. He said he knew all the arguments that had been made for and against it and had nothing to say for its passage but had been arrested by the opposition in the bill. He attacked particularly Mississippi and Alabama, which was fully defended by Mr. Cates of Mississippi.

**Washington, Feb. 3.** A notable speech was made in the Senate yesterday by Mr. Spencer of Wisconsin. He took for his text the anti-expansion resolution offered by Mr. Bacon, but did not confine himself closely to that proposal. He discussed the question of expansion in all of its phases and traced the migration of the people from the West to the East and the effect of bringing the burden question home to the people themselves who, he said, could not be expected to do their own second thought to do that which would be fair, just and generous toward the inhabitants of the Philippines. Mr. Spencer spoke for three hours and through the day yesterday, his ability as a close and accurate debater being shown in an advent and address and clear and forceful manner. He was warmly received by the warm-hearted members of many of his colleagues, and every effort was made to bring the burden question home to the people themselves who, he said, could not be expected to do their own second thought to do that which would be fair, just and generous toward the inhabitants of the Philippines.

**The House.** — The House and Senate adjourned today. The House passed the military academy appropriation bill, carrying about \$5,000,000. It served as a text for a speech by Mr. Griggs of Georgia on the president's suggestion that the president should be elected by the people. He referred to the days of Appomattox to the days of the present, and urged that the president should be elected by the people. He also urged that the president should be elected by the people.

This Mormon representative-elect from Utah, Roberts, has one thing left him if he is refused a seat in congress—a lecture tour. Himself and his two wives and children, with the advertising he has had, would insure a crowded house in every city and village in the land at 50 cents per head.

If the electric light plant can be made a much more profitable business by increasing the capacity at a cost of only four or five thousand dollars, the council should do it at once. It is only good business sense that every citizen who wants lights should be supplied, and if the capacity is not large enough for this purpose, it should be made so immediately. Let the necessary improvements be made.

In an article under the caption "Affairs of State," the Minneapolis Journal says "in the Sixth district Page Morris is already marked for slaughter." Will the Journal please let the people of this district know who has done the "marking"?

The Sixth district is entirely satisfied with the work and efforts of its present congressman, and if there is any dissatisfaction it rests entirely in the brain of some seven-up politician who would like to serve the people in a similar position and be confided in by Jerry J., hence the "marking."

### NEIGHBORHOOD NEWS.

Items of Interest in Neighboring Towns Gleaned from Exchanges and from Special Correspondents.

It is rumored that the St. Paul & Duluth will build a branch line to Little Laca lake.

The supreme court, on the appeal of P. H. Gross, of the People's Gas Co. deal at Little Falls, holds that all the stockholders are liable for the debts of the insolvent company.

The Bemidji Pioneer is authority for the statement that the Brainerd Lumber Co. has bought a site in a village upon which they will build a large saw mill to be ready for this season's work.

Frank D. Weston and Davis Van Hook, of Staples, were arrested by a United States marshal on Saturday for having forged a signature to a post-office order and getting possession of the \$50 for which it called.

The Long Prairie Leader says the horse over that may again be being troubled with diphtheria, at least the disease has every indication of being the same as diphtheria to which members of the human race are afflicted with at times.

St. Paul has another case of suicide by gas, a man named Achilles Host of Rice Lake, being the victim. He went to bed at the Grand Central and was found the next day, the surroundings being very similar to those connected with the recent death of Mrs. Peterson, of this city.

A bill has been introduced in the legislature to allow the taking of pickers at all seasons. It is to be done and not interfere with fish season on other varieties of fish there would be very little opposition to the measure, as the pickers are known as a pirate and his presence destroys many thousands of the game fish which inhabit the Minnesota lakes.

The funeral of Mr. Witman, of Crooked Lake, occurred on Feb. 7th. He was one of the early settlers of Bay Lake, coming here from Minn.apolis with his nephew, A. Stafford of Brainerd, who was a member of the co-operative colony. Mr. Witman was highly respected by his neighbors at this place, who are very sorry to hear of his death.

The entertainment given at the school house last Saturday evening was pronounced the best of its kind ever given here. The program was quite varied and the school children, as well as those who assisted, displayed histrionic talent which would have done credit to people of town. We were pleased to see Mrs. McCalvey and Miss Miller and others of Mills Lake in attendance, as well as Mr. Pringle's family of Pine Lake, and Messrs. Coffin and Skilling of Deerwood. There was quite a gathering of lumbermen in attendance from Scott's camp, who seemed to enjoy the evening's entertainment. One noticeable feature was a military drill in uniform by Mr. Larson, who was lately stationed at Chicamauga, assisted by Carl Wilson of this place. There will be another entertainment given soon.

A. MAHLUM,  
Co. Auditor.

No man can cure consumption. You can prevent it though. Dr. Wm's Norway Pine Syrup cures cough, croup, bronchitis, and sore throat. Never fails.

Master Engines.

Of the twenty-one immense compound locomotives ordered of the Schenectady Locomotive Works by the Northern Pacific seven have been received and fourteen will arrive early in the spring, says the Pioneer Press. In some respects these engines resemble the heavy Great Northern engines that have been in service—most difficult grades more than a year. Their dimensions follow: Weight, 189,000 pounds; cylinders, 23 and 34 by 34 inches; boiler diameter, 72 inches; tubes, number, 339; tubes, diameter, 21 inches; firebox, length, 129 3/16 inches; firebox, width, 42 inches; working pressure, 225 pounds; heating surface, 2,924 square feet; driving wheels, diameter, 55 inches.

August Flower.

"It is a surprising fact," says Prof. Houlton, "that in my travels in all parts of the world, for the last ten years, I have met more people having used GERRARD'S AUGUST FLOWER than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for filling office positions, where headaches and general bad feelings from irregular habits exist, that GERRARD'S AUGUST FLOWER is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion. Sample bottles free at M. K. Swartz's drug store. Sold by dealers in all civilized countries.

Everybody's liable to itching piles, Rich and poor, old and young—terrible the torture they suffer. Only one cure. Doan's Ointment. Absolutely safe; can't fail.

The program for the Dress-shed ball concert Friday evening, Feb. 24th will include songs by the Aerial Quartette, also solos by Miss Mitchell, Miss Davis, Mr. Alderman and A. L. Mattes. With these favorite singers and the fine music of the band there can be no doubt but that this will be the event of the season. Our citizens are all ready quite interested in this entertainment, and they say they are going to hustle for the band. Let all give the concert hearty support.

The fire department was called out yesterday, but in each instance the blaze was extinguished before much damage was done. The first call was to the Episcopal parsonage where the wood work in the dining room had caught fire from a stove pipe placed too close to the wall. The second was at the residence of B. A. Eustis, on 4th street, where the roof of the kitchen had caught fire from a defective chimney. The fire here that is necessary to keep warm during the present cold days are productive of much damage.

**PERTINENT PERSONAL NOTES.**

**Want Early Closing.**  
 A regular monthly meeting of the Retail Clerk's Association was held last evening and a committee consisting of R. G. Valentyne, A. Loken, Miss Bertha Stadel and Sadie Reilly, were appointed to confer with the merchants with a view to secure the early closing of stores with the exception of Saturday nights, pay day nights and the night following. The clerk's would like to close at 6:30 or 7 o'clock as would be most convenient and as far as we can see it would not be detrimental to the interests of the merchants to do so. While there undoubtedly is some trade in the grocery and dry goods lines in the evening, yet if the closing was general, patrons would soon accommodate themselves to the change, we believe, and do their buying in the daytime. Clerk's survey ought to have as much time for recreation as other workmen.

The clerks also appointed a committee to make arrangements for a smoke social to be held on the evening of St. Valentine's day, to which the members of all other labor unions in the city are invited. It is expected the organizer of the Federation of the Federation of Labor of the state will be present and deliver an address.

**Don't Forget the Social.**  
 The ladies of St. Paul's Episcopal church will give a sociable Monday evening, February 13th at the home of Mr. and Mrs. A. Forsyth in East Brainerd. Come one, come all, and enjoy a royal good time in this hospitable home.

**New Opera House.**  
 Recognizing the extreme need of the city for a place of amusement, the ladies of St. Paul's Episcopal church have decided, at considerable expense, to fit up a permanent stage in Gardner's hall with dressing rooms and other accessories, besides purchasing a full set of scenery with wings and borders, so that theatrical entertainments of any character can be presented. To do this will take the outfit of several hundred dollars, and the boys feel the general public will be glad to assist in bearing the expense, hence they have decided to put on a minstrel entertainment by local talent on Friday evening, Feb. 17th, the proceeds of which will be used for this purpose. The entertainment itself will be well worth the price of admission, and will consist of a minstrel first part, and a long list of songs and specialties in part second. Such well known talents as S. F. Alderman, A. L. Mattes, E. W. Wight, C. D. Johnson, C. C. Kyle, Dave Smith, Chas. E. Wilson, Joe Murphy, Messrs. Simpson, Nevors, Kelly and Haas, P. J. Murphy, C. A. Albright, and others have been secured. R. J. Lambert and crew, recently with the Eunice Goodrich Co. will know professional specialty people, will take a part. The scenery will first be used on this occasion. Let everybody turn out and pack the hall and help the boys in their good work.

**DEATHS.**

Information has been received in this city of the death of D. S. Forgy in Duluth, the first of the week. Mr. Forgy for several years was a resident of this city, conducting a store in East Brainerd, and has many friends here who will be grieved to hear of his death.

Inaac Wightman, aged 81 years, died on Sunday, Feb. 6th, of heart failure, at the home of his nephew, A. Stafford, on Oak street east. He has been a resident of this county for ten or twelve years, coming here from Minneapolis on the so-called private colony that located at Bay Lake some years ago. His remains were taken to Bay Lake for burial, the funeral services being conducted by Rev. Carver, of this city.

Oscar M. Green, for several years a resident of this city, employed as a machinist at the N. P. shops, died at St. Luke's Hospital, St. Paul, on Monday, Feb. 6th, of appendicitis, after an illness of but a few days, at the age of 22 years. His remains were taken to the home of his father in Fargo for burial. Mr. Green was a young man of excellent character, good habits, energetic and industrious, and had a host of friends among his fellow workmen at the shops who will deeply mourn his death.

**WANTED—Jack Pine Ties.**  
 M. J. REILLY.

Closed the Saloons.

For the first time in many moons all the saloons in the city were closed, and closed tightly, all day Sunday, and as a consequence the habitual frequenters had to do some hard skimming to relieve their thirst. The reason for the closing came as suddenly and unexpectedly as a clap of thunder from a clear sky, and the saloon men were surprised that they could do nothing but look at each other and wonder where they were at.

Without any previous intimation on Saturday at 4 o'clock, his honor, Mayor Koop, sent a written order to Chief Stratton to notify the saloon keepers to close their saloons at 12 o'clock that night and keep them closed until 5 o'clock Monday morning, and the chief was directed to see that the order was rigidly enforced. The saloon men got motion on themselves at once and hastily called a meeting at Alderman Jamison's place and invited the mayor to be present, where they labored with him to rescind, but the mayor couldn't hear them.

What decidedly induced the mayor to take this action is a matter of considerable speculation, and many reasons are given by those who profess to know, but the mayor ain't saying a word. When the subject was broached by a Dispatch representative he said that the order would be enforced as long as a salo man, so there you are.

**Books for the School Children.**  
 An entertainment will be given at Gardner hall on the evening of February 22, Washington's birthday, by children from all the primary schools of the city. The programme will consist of songs, recitations and exercises by the children. The proceeds will be used for the purchase of books for the children.

**Board of Education Proceedings.**  
 The regular monthly meeting of the board of education was held on Monday evening, all members being present except Mallum and Preston. The business transacted was of a routine character and of no interest to the public. Bills were allowed as follows:

**A Cold Wave.**  
 This section of the country for the past two weeks has been visited by a cold wave that is record-breaker. As an exchange remarks, "It's not a wave, it's the whole ocean." Since Jan. 25th, the mercury has not been above the zero point. The climax came on Wednesday night, when the government thermometer in the possession of the city clerk registered 41 degrees below zero, and private thermometers indicated anywhere from 40 to 50 below. The highest point reached on Wednesday was at 2 o'clock, when it was 23 below. It has moderated some since Thursday morning, but it is yet "vices degrees below zero."

**Fake Piano Sales.**

**SOME USEFUL HINTS.**

Sometimes This Will Prove Very Convenient to Residents of Brainerd.

Did it ever strike the reader that when mankind takes sick, if all the stores we hear about the miraculous cures performed by medicinal preparations are true, how they could possibly help being cured, and why for the same reason they should die? Did it ever strike the reader that some of the commonest ailments which afflict mankind, had a very small beginning, and had the trouble been checked in time an immense amount of suffering and a vast amount of money would have been spared the victim? You cannot spit a long yarn about kidney complaint or backache resulting from it, so that if the reader is dissatisfied with the short and terse experience related by Mr. E. Loney, of the firm of Loney & Doan, undertakers and embalmers, on Front street, he should be pleased with what brought about such coveted results. He says: "It was necessary for me to employ some medicine for my kidneys." This is exactly the case of hundreds of citizens of Brainerd. They are warned; they will neglect the warning; complicated difficulties will follow; they begin to realize their danger and anxiously look for some agent to relieve them. After trying half a dozen remedies and probably consulting a physician, they find their physical condition far from improved. In fact, it is often the opposite. Now, when an unfailing remedy like that which Mr. Loney tested and proved to be up to its representations, is offered Brainerd people, would it not be the height of folly to ignore such valuable information? Here is the proof of it: Confining Mr. Loney says: "I procured one box, used it, and I believe they helped me. I take pleasure in recommending them for backache, etc." For sale by the McFadden Drug Co., and Johnson's Pharmacy, 6th and 10th streets, Brainerd, Minn. Doan's Kidney Pills are for sale by all dealers. Price 50 cents. Remember the name Doan's and take no substitute.
