HOLD A COUNTY FAIR.

Meeting of the Crow Wing County Agricultural Society.—New Officers Elected.

A meeting of the Crow Wing County Agricultural Society was held at the Y. M. C. A. on Tuesday evening pursuant to a call of J. M. Eider, secretary. About twenty-five or thirty business men and members of the society were present. The meeting was called to order and presided over by Dr. Wessens. He stated the last president of the Association, and J. M. Eider acted as secretary. The Doctor explained that the object of the meeting was to make arrangements for holding a county fair in the fall and to consider a proposition of Mr. M. K. Swartz to furnish suitable fair grounds. Mr. Swartz was called on and explained his plans for the building of a driving park and fair grounds as published in the Dispatch of Feb. 17th. Mr. Swartz also had plans of the buildings to be erected, which he exhibited to those present, and made the proposition as published heretofore of furnishing the grounds for the use of the society for a consideration each year equal to the amount appropriated by the state. At the conclusion of Mr. Swartz's remarks Dr. Wessens moved that the election of officers be proceeded with, which was carried, and the following officers were elected without opposition: President—Dr. W. Hensstead. Vice President—Wm. Dodd. Treasurer—G. D. Lalbar. Secretary—J. J. Eider. General Superintendent—Dr. G. S. Marcherson. The advisability and advantages of holding a fair and making it a success was then discussed. Messrs. G. S. McPherson, Wm. Dodd, J. J. Eider, E. P. White, Judge Holland and others making short speeches. It was finally decided to call another meeting for Saturday afternoon, March 11th, at 3 o'clock, at the Y. M. C. A. building, at which it was hoped all farmers and business men interested would be present, and further business in regard to the fair and to accepting Mr. Swartz's proposition was postponed until that time.

A motion was made and carried that the secretary communicate with the county commissioners, requesting their presence at the meeting on March 11th, and that they be instructed to invite and urge their constituents to be present on said occasion, and that the press extend an invitation to all farmers and business men to be present.

The meeting then adjourned.

ALL FOUR DISCHARGED.

The Men Arrested for the Murder of Geo. A. Barclay Released on the Preliminary Examination.

The preliminary examination of the men arrested for the murder of Geo. Barclay last fall, occurred at Walker, commencing last Friday and continuing until Monday of this week. The men were ably defended by Judge W. A. Fleming, of Duluth. The testimony presented by the state, unexplained, would have made quite a case against the defendants, but under the searching inquiries of the defendant's counsel, the suspicious points disappeared, and the judge discharged all the men, Louis Deboe and Joseph Dolterroff, who were taken from the jail in this city, and A. Hayward and John Eason, a lumberman, who were also held for the offense.

A FINE NEW LIVERY BARN

Will be Constructed in This City Immediately on Laurel Street, by Purdy & Neuman.

On Monday Archie Purdy, the popular local driver, and P. H. Neuman, of Little Falls, closed a deal for the purchase of the two vacant lots on Laurel street between Molstad's tailor shop and the Gardner block, on which they will build at once a fine large livery barn. These lots were the property of J. J. Starcher, of Brainerd, N. D., and the sale was made by Keene McFadden, an agent for Mr. Starcher, the consideration being \$800.

The barn will be a large frame structure veneered with corrugated iron, the dimensions of the building being 40x125 feet, or about the size of the old Gergen barn destroyed by fire on 6th street. While the building will be owned by Mr. Purdy and Mr. Neuman, the livery business will be conducted alone by Mr. Purdy. This will give Mr. Purdy, undoubtedly, the best building and location for the livery business in this city. The building is to be erected for a building permit at its next meeting.

DISTRICT COURT.

The March General Term will be Held Next Week—A Short Calendar.

The March general term of the district court will convene at the county commissioners' court on Tuesday morning, with Judge G. W. Holland presiding. The term will probably be a short one, as the civil and criminal calendar is very brief. There are several cases where men have been bound over to the grand jury for various offenses, and there will undoubtedly be several indictments, all of which will be tried.

The following is a list of the cases on the calendar:

- David D. Smith vs. Wm. Gergun and Archie Purdy, defendants, H. J. Spencer, intervenor.
- Anna Caplis vs. F. J. Murphy, receiver for W. P. Buckley, insolvent.
- James M. Eider vs. The Grand Lodge of the Ancient Order of United Workmen.

Lost His Right Arm.

Charles Rockless, proprietor of a small saw mill at Jenkins, in this county, met with a most painful accident on Saturday last. He was brought to the Lumberman's Hospital in this city, and Dr. Thabe operated the stump and dressed the dismembered arm. At present writing he is doing as well as could be expected, considering the severity of the injury. Mr. Rockless' home is in Ansdanula, Wright county.

DeMuelles, the traveling man, has just received word that an English syndicate has recently made an offer of \$2,000,000 for the three mines belonging to the estate of his murdered cousin, Anne J. DeMuelles in Old Mexico. This paper printed an account of the murder of DeMuelles by a Mexican half-breed some weeks ago. Mr. DeMuelles' relatives, of Minneapolis are down in Mexico settling up the big estate and each member of the family expects to receive a proportion of the immense fortune to be distributed among the heirs. He is worthy his good fortune and his friends through the state will wish him the fortune to get it all.
A man giving the name of E. P. Sherman, victimized several merchants in St. Cloud the first of the week. His plan was very smooth and worked all right. He deposited three or four hundred dollars in a local bank, and then made several small purchases about town giving checks in payment, which were promptly paid by the bank. When he had established his credit in this manner, he went around and made large purchases, a fine suit of clothes at one point, a nice gold watch at another, and other expensive purchases at other places, and gave checks in payment, and then went to the bank before they were presented and drew his money and left for parts unknown.

KATRINE GLEANINGS.
Elio and Earl Arnbald visited at Katrine on Saturday.
R. J. Maghan has contracted to put in a lot of logs for G. W. Scott.
Miss Minnie Ham has returned to her home at Brooklyn Center. She will be sadly missed from our literary gatherings.
P. C. Wasserlicher, county superintendent of school at Aitkin county, and his brother, attended the entertainment Saturday evening.
The children at Katrine will remember the last day of school of some time, owing to the generous hospitality of G. W. Scott, who gave a supper at the camp on that evening. They were all allowed to attend in company with their "sisters, their cousins, and their aunts."
They spent the evening playing games. Mrs. C. Wilson carrying of the prize, one of Mr. Brockway's famous mince pies, as the best gamester of the evening. The supper which Mr. Brockway and his cookee spread before the host was a

marvel of skillful cooking. It is now conceded that Mr. Scott's camp is the best on Saturday evening meat with a due share of appreciation. There was a well filled house and the programme consisted of music on the viola by Rev. Wilber Hunt, W. H. Hill and Hallie Pringle, on the guitar by Mrs. Hill, on the organ by Mamie Coleman and Edna Young, on the autoharp by Milton Hunt, and on the harmonica by Bert Skilling. Mr. Kibbe, of Benetville, and C. A. Hunt furnished the vocal music. Recitations were given by Misses Ham and Coleman, assisted by the members of the school and Messrs. Wheeler and Gustafson, and were well executed. Mr. Will Coffin, of Deerwood, gave a very interesting lecture on "Phrenology" and Mr. Larson, as captain, exhibited a squad of eight boys in uniform who went through the military drill according to the latest army tactics. Mr. Larson deserves great praise for his patient efforts in behalf of the boys. W. H. Hill gave a "Quoted Lecture" in costume and also performed with the boys in a manner to make any dorkie pale with envy.

FOR THE PUBLIC GOOD.
The Information Contained in This Paragraph is of More Value than Anything else in the Paper.
The average man is a doubter. It is due to the fact that he constantly makes strides in science and physics in the face of such evidence as is presented before him in Brainerd. He is a doubter because he does not possess of ordinary common sense, can doubt. Any article on the H. J. Hagdorn, of 123 5th street north, and ask him if the following is not literally true.
Mr. Hagdorn says—I thoroughly believe Doan's Kidney Pills act up to their representations. In making this statement I base my opinion on the following: For thirty years I had more or less trouble with my kidneys. Some attacks laid me up, during others my back ached so severely that I could not sleep at night nor work during the day. On many occasions I could not stand and talk to a man for two or three minutes without suffering with twinges across the small of my back which radiated toward the shoulders. As time passed by and complaint became more pronounced, difficulty with the kidney secretions set in. As might be expected I tried everything with the attacks occurred, to check them, to obtain relief, and even to help me to tide them over. If I had met with any marked degree of success I never would have resorted to Doan's Kidney Pills. When suffering severely I got a box. I expected the results would be similar to those obtained by using other preparations. In twenty-four hours I changed my mind. I got relief and was acting totally different to anything else I had tried, and experienced relief on with the treatment until I finished two boxes. Now I may be a skeptic, but at the present moment, and it is now some time since I stopped the treatment, I have not a symptom of my old complaint. To anyone interested I can only say that I am glad to state the details and substantiate the above statement in a personal interview.

The Band Concert.

The concert given by the City band at Gardner's hall on Friday evening last was a revelation to many of our citizens. Few realized that the band had made such rapid strides recently, although it has been an excellent organization for several years past, hence all present were most agreeably surprised to hear the most difficult overtures, by the masters of the musical world rendered in a manner that would have reflected credit on the most famous organizations of the country. The remarkable proficiency attained by the members of the organization is due in a large measure to the untiring and unceasing efforts of Prof. Drenskul, but he undoubtedly had much to do with his arduous labors by the rounds of applause that greeted every number on the program. The program printed by the Brainerd last week was observed, the vocal selections by the Zellan Quartette and solo by Miss Maybelle Davis and E. F. Alderman receiving equal appreciation. Al. Mattes in his character song as usual took the house by storm. Each of the ladies and gentlemen on the program and each member of the band was presented with an elegant souvenir silk badge and boutonniere. All present pronounced it the most enjoyable occasion of the season. Card of Thanks. I desire to express my heartfelt thanks to the many kind friends and neighbors, who so generously extended aid and sympathy during my recent affliction, and to the ladies and scholars of the Congregational church and the Lady Macabees, I am especially grateful for aid and sympathy. E. church last Sunday evening unanimously and with enthusiasm endorsed Mayor Egan's course in closing the saloons in our city, extending their thanks and pledging their support in continuance of his order during the whole of his term of office. A new time card will go into effect on the N. P. on Sunday March 15th, at which time the company will put on two through trains to the coast shortening the time seven hours making the fastest trains to the coast, not excepting the "Great Northern Flyers" which are so extensively advertised. To do this the trains will have to make an average run of thirty three miles an hour including stops. This will mean an average speed, while running, of over 40 miles an hour, and on the plains of Minnesota and Dakota a much higher rate to make up time lost in the mountain districts. The time of the local train will not be changed a great deal. No. 5 will leave St. Paul at 6:15 a. m. and arrive here about 1 p. m., instead of 1:50 as at present. No. 6 will leave Fargo at 7:30 arriving here as at present about 12:00. The train from Duluth will arrive at about 12 o'clock noon instead of 6:40 p. m., and the other Duluth trains will run about as at present. The Brainerd will publish the corrected time card next week.

A GOOD INDIAN.

Millie Laca Indians Reported all Drunk and Fighting With Axes, Clubs, and Other Weapons. On Tuesday night Fred Lukens, Frank Brodfield and Truman Beas returned from the town of Lawrence, in Millie Laca county, where Mr. Lukens has been conducting a branch store. Lawrence is right on the shore of the lake in what was the Millie Laca reservation, and Mr. Lukens conducted his store there for the purpose of trading with the several hundred Indians remaining there. The Indians were paid by the government on Wednesday of last week, and according to these gentlemen, haven't been doing anything but drinking and fighting ever since. On Saturday night an Indian, whose name they could not learn, was killed by another Indian, name also unknown, by having his brain battered out with a big heavy club about three or four inches in diameter and about three feet long, which Mr. Brodfield brought back with him, and now has in his father's business place on Front street. It is all spattered with blood and presents a gruesome appearance. The murder occurred just in the rear of Mr. Lukens' store, and although they did not see the murder, they heard the cries of his victim, and went to his assistance, but arrived too late. The murderer made his escape. The authorities of Millie Laca county were not notified of the affair, and the following day the Indians buried the murdered man. The murderer seems to be a case of revenge. The man who was killed is said to have murdered an Indian at Knife Lake, for which he is wanted by the authorities at Mora, and for which he is said to have been indicted, and the man who did the killing is said to be a relative of the Knife Lake victim. The gentlemen also report the Indians all drunk and fighting with clubs and axes and other lawless weapons incessantly. A squaw was struck by an axe and severely hurt the same day, and branding was heard. Several Indians were seen in every direction. Each Indian is said to have a bottle or jug of whiskey, which they seem to be able to get at Mora, 25 miles distant, in unlimited quantities. WANTED—Jack Pine Tits. M. J. KELLY. DEATHS. John Swanson, aged 50 years, died at the Sanitarium on Tuesday, Feb. 28th, of liver complaint. He was brought there from Montana a pasture maker and leaves a wife and two children. Sercombe, of Chicago, arrived in the city on Wednesday noon for burial. Mrs. Sercombe was a sister of Walter and Frank Bloom of this city, and died at her home in Chicago on Jan. 16th, of heart disease. Mr. Sercombe and daughter accompanied the remains. They were interred in Evergreen cemetery, Rev. Gallagher conducting a burial service. J. L. Evenson died at his home on Maple avenue in East Brainerd on Wednesday, March 1st, of cancer of the stomach, aged 54 years. Deceased was employed at the shops at Grand Rapids, where he died of a husband and father. The remains will be shipped to St. Paul for interment. The remains of E. E. Aldrich, formerly of this city, but recently a resident of Grand Rapids, Minn., were brought to this city yesterday from Grand Rapids, where he died of pneumonia, and was today buried in Evergreen cemetery by the side of his wife, who was laid to rest some nine years ago.
