BETSEY BLESSING.

The dinner of the year 1711, when the American army was attacked in New York, the commander-in-chief, Gen. Washington, was besieged in a brief retreat after dinner was served by an orderly, who was killed and said: "A young woman who came here to see her husband, who was killed with your excellency."

"Betsey Ann Blessing!" repeated Washington, with momentary show of irritation; "who is she, and why is she here? I warrant she and her lover is a promoter of war, and is ready to swear that he is a loyal subject! What think you, Holdfast?"

"If I please your excellency, she is well favored, as far as I could know from her crying, for she is in sore trouble."

"Now, Mistress Blessing," said Washington, "what business have you here? I warrant you are a spy, and are ready to betray the secrets of the army to the enemy."

"On the moral of your excellency is to dine with several officers of your excellency's army, and to be present at the dinner of the year 1711, when the American army was attacked in New York."

"I know not, gracious sir, what meaning that half of the mountain and the noise of your excellency's army, and to be present at the dinner of the year 1711, when the American army was attacked in New York."

The Nome Gold Field.
 The first map folder or circular respecting the Klondike gold strike of 1898 was issued by the Northern Pacific railway. It is more than a coincidence that the first map folder or pamphlet of the Nome Mining district comes from the same source.

The present folder not only contains a good map of the Nome district but is embellished with several cuts of views at Nome City and on the beach where the method of mining is clearly shown. All information obtainable regarding sailing dates from Seattle and Tacoma, through rates, etc., is given in this book and the public cautioned to go to the agents of the N. P. Ry., who are supplied with diagrams of the Alaska steamers, and arrange in advance for their accommodations rather than to put off this very important business until they reach Puget Sound. There is no doubt but what there will be a very considerable passenger business from the middle and eastern states and a very heavy business from the Pacific coast states to the Nome district next spring.

For folders, rates, etc., call on the N. P. Ry. agent or send a two-cent stamp to Chas. S. Fox, General Passenger Agent, St. Paul, Minn., and he will mail you the Nome folder.

 Matt. J. Johnson, Esq., West Superior, Wis., says: "I have taken Johnson's in 1911 and to the merit of your preparation, I am satisfied. I was unable to walk without crutches, and could only sit down in one position. Your preparation cured me in 10 days. I purchased two bottles and secured an improvement on the third day. As soon as the second bottle was used up I was practically well and have not had a relapse since. I can frankly state that it cured me. Yours truly, M. J. JOHNSON." Younger**

"I am now twenty-two years of age and my hair is as dark as it was twenty-five years ago. People say I look at least that much younger than I am. I would be entirely bald or snow-white if it were not for your Hair Vigor."—Mrs. Anna Lawrence, Chicago, Ill. Dec. 22, 1898.

**Is Yours
Snow-white?**

There is no getting around such a testimonial as this. You can't read it over without being convinced. These persons do not misrepresent, for their testimonials are all unadorned.

Myr's Hair Vigor restores color to gray hair every time. And it is a wonderful food to the hair, making it grow rich and heavy, and keeping it soft and glossy all the time. It is also a elegant dressing.

FALLING HAIR
Save Your Hair with
Shampoos of
Cuticura SOAP

**Save Your Hair with
Shampoos of
Cuticura SOAP**

And light dressings of CUTICURA, purest of emollient skin cures. This treatment at once stops falling hair, removes crusts, scales, and dandruff, soothes irritated, itching surfaces, stimulates the hair follicles, supplies the roots with energy and nourishment, and makes the hair grow upon a sweet, wholesome, healthy scalp when all else fails.

Millions of Women
The CUTICURA SOAP exclusively for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and healing red, rough, and sore hands, in the form of baths for annoying irritations and chafes, or too free or offensive perspiration, in the form of washes for obstinate wash-noses, and for many antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients, and the most refreshing of dower odors. No other medicinal soap ever compounded to be compared with it for preserving, purifying, and beautifying the skin, scalp, and hair. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it is tonic, in One Soap at One Price, via, Twenty-Nine Cents, the most skin and complexion soap, the most toilet and baby soap in the world.

Cuticura
