**GOOD ROADS MOVEMENT.**  
An Organized Effort to Be Made to Secure Good Roads in Crow Wing County.  
A Meeting of Business Men Called for Next Wednesday Evening at Gardner Hall.  
A meeting of business men and all persons interested in improving the roads in the county and streets in the city will be held in Gardner Hall Wednesday evening to perfect an organization of citizens to make a grand effort to secure better roads and streets in this county this city. Every citizen interested in the betterment of the roads and streets is urgently requested to attend.  
It is the intention of the organizers of the movement to perfect an organization, and then invite the farmers and country residents of the county to a future meeting, when a good dinner will be served and an effort made to interest all farmers in the county in the movement.  
The leaders in the idea are such solid and substantial citizens as J. W. Cook, O. O'Brien, J. M. Elder, W. F. McGinnis, Dr. Hamstead, and other business men, who called on the county commissioners at their meeting last Monday in company with Alderman Gardner, who laid before the commissioners the invitation of the city council to buy a stone crusher for use on the roads of the county and the streets of the city. The commissioners practically all favored the idea and appointed a committee with power to act to purchase the crusher. J. M. Elder then addressed the commissioners at length on making a good road, intelligent effort to make good roads throughout the county, and not waste the public funds in little details and appropriations of other dollars here and a few there to stir up a plan as stated above, and his remarks were well received by all present, including quite a good many farmers who were present.  
The effort that is being made to secure good roadways to meet with commendation and hearty approval of all residents of the community. No public money can be better or more profitably spent than for road improvement. It has been the experience of every community that every dollar spent in intelligent road improvement has been returned a hundred fold in enhanced real estate valuation alone. Besides the business of merchants is increased correspondingly, and the amount of the outlay alone is gained on the savings in the wear and tear of vehicles. It is unquestionably a business proposition; the best investment a community can make.  
Then let every business man of the city attend the meeting on Wednesday night and by his presence encourage the movement, and show that he has good horse business sense.

**TEST MEETINGS.**  
The evangelistic services which commenced on Sunday last and are being continued throughout the week, are continuing interesting. Dr. Forbes preached a very fine and helpful sermon on Sunday evening to about 700 people. Helpful sermons have been preached this week by the Rev. A. H. Carter, I. B. Bortell and Geo. W. Gallagher. The Rev. Jas. Clavel will preach this (Friday) evening. There will be no service on Saturday evening, but a meeting in the tent Sunday afternoon at 8 o'clock. Services in the evening as follows: Young People's Union at 7 o'clock, led by Albert Angell, of the Baptist church; preaching at the special revival services at 8 o'clock. The Rev. A. H. Carter will render a song entitled "Stick to the Bible my Boy." Everybody cordially invited to attend these services, and all Christians are expected to assist in this good work.

**REPUBLICAN LEAGUE CLUB ORGANIZED.**  
A Membership of Nearly 500 Already Secured—New Names Added Daily.  
A Meeting Will Be Held Tonight to Elect Delegates to State League.  
A republican league club was organized at the Central Hose House in this city on Tuesday evening, and it might be more properly said, re-organized, as a club has existed here for several years. Quite a large number of party workers were present, and much enthusiasm was displayed. All seemed to feel that with such a ticket as was nominated in June success is assured, and all are correspondingly active.  
The meeting was organized by electing John T. Frater chairman and F. G. Hall secretary. Sifting speeches were made by the chairman and several other gentlemen, pledging republican success, but urging effective organization and hard work to make success doubly sure.  
A permanent organization was effected by electing officers as follows:  
President—Dr. A. P. Groves.  
1st Vice President—H. I. Cohen.  
2nd Vice President—A. T. Kimball.  
Secretary—Geo. H. Spear.  
Treasurer—H. D. Troglavsky.  
An opportunity was given all persons present to sign the membership list, and a committee of two was appointed from each ward to circulate a list to give all republicans an opportunity to join, as follows:  
1st Ward—Geo. Gardner and P. M. Lagerquist.  
2nd Ward—Prof. J. A. Wilson and J. C. Davis.  
3rd Ward—H. T. Skinner and E. D. Wilkins.  
4th Ward—Tom Crawford and John Larson.  
5th Ward—F. E. Kenny and S. R. Adair.  
On motion the president was authorized to appoint an executive committee of five, to conduct the work of the league in conjunction with the state league.  
The committee to secure names to the membership list were instructed to report at a meeting to be held at the Central Hose House tonight, when delegates to the state league meeting to be held in St. Paul next Monday evening will be elected, one from each ward.  
Delegates will be entitled to reserve seats in the auditorium when Geo. Roosevelt addresses the National League Club meeting held in St. Paul on Tuesday, the privilege of being a delegate is eagerly sought, and it is hoped a large delegation as possible can be secured. Already nearly 500 names have been placed on the list, which entitles the club to 10 delegates.  
Upon the operation of the Wilson free trade tariff for revenue only, there was a deficit of \$108,000,000 in thirty-five months. Under the Dingley tariff for protection there was a surplus of \$46,000,000 in thirty-two months.

**DEATHS.**  
Geo. Magreen, aged 11 years, died at the home of his parents, 27 and Mrs. John Magreen, 182 Oak street, on Wednesday, July 11th, of liver trouble. The funeral will be held at the family residence today.  
Clara, the three year old son of Mr. and Mrs. John Goyette, died yesterday, July 12th, of heart trouble, at the family residence at 191 7th street south. The funeral will be held from the residence at 2 p. m. today, Rev. Carter officiating.  
A section band by the name of Andrew Johnson died at the Sanitarium on Sunday, July 8th, of injuries received in a hand car accident. The remains were interred in Evergreen cemetery on Tuesday, the 10th, Rev. J. A. Johnson conducting the burial services.  
It is with a feeling of intense personal sorrow that we announce in these columns the death of that departed friend and staunch work- ingman, John O'Toole. No man in the last state ever had more than he was prepared to go further for the promotion of the cause. His articles published from time to time in these columns tell how self- reliance and an advocate to his own principles, and the activity which he always showed in his own organization, and the good results which flowed freely from his work all stand as many tributes to his worth and his ability. He was popular to John O'Toole that he sought neither honor nor prominence in the work he did, while personally there was no man in the city who was more warmly beloved than he in his lively and lovable qualities. It is a bitter, and a sad loss, and the work of such a sensitive and devoted man as to give all republicans an opportunity to join, as follows:  
1st Ward—Geo. Gardner and P. M. Lagerquist.  
2nd Ward—Prof. J. A. Wilson and J. C. Davis.  
3rd Ward—H. T. Skinner and E. D. Wilkins.  
4th Ward—Tom Crawford and John Larson.  
5th Ward—F. E. Kenny and S. R. Adair.

**MARRIED ONLY A MONTH.**  
Death Separates a Newly Married Braided Couple.  
Joseph Gupe, for many years a resident of this city, and Miss Henrietta Thompson, a popular teacher in one of our public schools, were married in Minneapolis on Tuesday, June 26, and on Saturday, July 7th, Mr. Gupe died at Kilbourn City, Wisconsin, after only a month and two days of married life. After the wedding Mr. and Mrs. Gupe went to the home of the bride's parents to spend their honeymoon, and it was there the groom was suddenly stricken with heart disease and died. Mr. Gupe lived in this city for over 11 years, being employed during this time in D. M. Clark & Co.'s hardware store. He was a genial, well-versed companion, and a most efficient, industrious and upright employee, having the fullest confidence of his employer. He resigned his position with Mr. Clark last fall and left here because of impaired health. His many friends in this city were greatly surprised and deeply pained to hear of his death, and all extend sincere sympathy to his widow in her great affliction. The remains of Mr. Gupe were taken to New Castle, Wis., for burial.

**NEBRASKA FUSIONISTS REACH AN AGREEMENT AFTER AN ALL-NIGHT SESSION.**  
Silver Republicans Get Second Place and Democrats Attorney General.  
Several Surprises Sprung at the North Dakota Republican Convention.  
LINCOLN, Neb., July 12.—Daylight found the three fusion state conventions still in session, after a moon-breaking all-night session and with practically no progress farther than the adoption of their separate platforms. A recess was taken at 7 a. m. until 10. On reconvening the conference committees reported a compromise proposition whereby the Democrats, Populists and Silver Republicans met the Democrats to have two state offices, Silver Republicans one and the Populists the rest. Without dissent on the part of the Silver Republicans the whole controversy to a compromise of one, M. F. Hartington, who publicly stated that he would not profitably spend his time for road improvement. It has been the experience of every community that every dollar spent in intelligent road improvement has been returned a hundred fold in enhanced real estate valuation alone. Besides the business of merchants is increased correspondingly, and the amount of the outlay alone is gained on the savings in the wear and tear of vehicles. It is unquestionably a business proposition; the best investment a community can make.  
Then let every business man of the city attend the meeting on Wednesday night and by his presence encourage the movement, and show that he has good horse business sense.

**Don Gunn's Blow Out.**

The annual Fourth of July celebration arrived in Grand Rapids today late this year. That the affair did not prove more serious than it was is almost a miracle considering the conditions under which it happened. One of the boys of the Hotel Pokegama had some of this noise-producing stuff stuck in a put on car tracks and the like for celebratory purposes and exploded like the report of a cannon. The guest was removing a cigar box full of the substance from the office of the hotel. Intending to place it on the track when the incoming passenger train arrived. Someone remarked that it was pretty dangerous stuff to handle, and to prove that such was not the case the handler put a small piece of it on top of the box and touched a match to it. The stuff exploded by concussion and fire has no effect on it other than to burn it up, and it was to demonstrate this that the small piece was set on fire. Somehow or other the flame reached the explosive in the inside of the box. This exploded the man holding it and he let it drop to the floor with the result that a terrific explosion took place, breaking five of the large plate glass windows, shattering the panes in the overhead skylight, tearing a hole in the floor and knocking down a quantity of plaster. Several men were sitting nearby and the explosion took place and that some of them were seriously injured is remarkable. As it was they were all pretty well shaken up and several were severely bruised about the hands, face and legs. The damage to the building will amount to about \$200.—Herald Review.

Years of suffering relieved in a night. Holding piles yielded at once to the curative properties of Don's Ointment. Never fails. At any drug store, 50 cents.

**Base Ball Matters.**

Louis Vossberg played with Royalty at Brainerd yesterday and the game ended in Royalty quitting the field in the seventh. McCleary was the umpire and he was manifestly unfair. The score was 9 to 7 in favor of the home team when an alleged fly ball was called for by McCleary and Manager Wilson called his bats in and stabled them. Doly pitched for Royalty for a time and the score was 7 to 1 in his favor. Then he let down, thinking it was a catch, and the Brainerd fellows pounded him all over the lot. He will know more at he grows older about baseball.—St. Cloud Journal-Press.

McCleary is considered by everyone a very fair and impartial umpire, and when he errs, if at all, it is against the home team. The decision above referred to was so very close that it was not a half way reasonable excuse for quitting the game, hence it looks as if the certainty of his defeat is what caused the Royalty manager to call off his team.

**It Saved His Leg.**

**White Man Turned Yellow.**

Great consternation was felt by the friends of M. A. Hogarty, of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice, and it was treated by the best doctors, but without benefit. Then he was treated by Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Biliousness, Liver and Kidney troubles. Only 50c. Sold by McFadden Drug Co. and H. P. Dunn & Co. (trans. auted).
