NATION'S HEROES ARE HONORED.

Appropriate Decoration Day Exercises Held in Brainerd by Pap Thomas Post.

Thirteen Hundred School Children in Line in the Parade.

Decoration Day was observed in this city in the time honored way, the exercises being under the direction of Pap Thomas Post.

The weather was all that could be wished for. The sun shone brightly, but its warm rays were tempered by a delightfully cool and refreshing breeze that prevailed throughout the day.

The city was decorated somewhat, but not to the extent as in past years. Flags everywhere flew at half mast, and some of the business places and private residences were draped with the national colors and flags.

In the morning the Post, preceded by a drum corps and a firing squad from Company F, followed by the ladies of the Relief Corps in carriages, and a group of school children in a decorative conveyance, marched to Evergreen cemetery, where the graves of their fallen comrades were decorated with flowers by the school children. Appropriate exercises were conducted before a large assemblage of people who flocked to the beautiful burying grounds during the morning hours.

In the afternoon exercises were conducted in the Y. M. C. A. park on a platform temporarily built for the purpose. The exercises were preceded by a parade about town participated in by the fire department, Company F, the Post, and over thirteen hundred school children, each carrying a flag. It was a most inspiring sight to see the little tots march by proudly carrying the flag of our country. A feeling of patriotism is here taught that is worth many times the trouble, and it should be made a feature of each Decoration Day.

The platform at the park was occupied by the members of the Post and those taking part in the exercises. Mayor Halsted presided. The exercises were opened by a song by the school children, which was followed by a prayer by Rev. Clark. Mayor Halsted read a letter of regret from Comrade Joel Smith, who is confined to his home with rheumatism, at his inability to personally attend, and the list of names and addresses were made by Judge W. A. Fleming and Rev. A. H. Carver, which were listened to and generously applauded by an immense crowd of people. Judge Fleming, in his usually happy vein, paid a glowing tribute to the fallen heroes who gave their lives to their country and the cause of freedom. The other speakers were equally pleasing and held the attention of the crowd.

The exercises were concluded with a song by the school children.

The following is a list of the fallen heroes at rest in Evergreen cemetery:

Ben's Minstrels and R. E. Shows.

The above shows will exhibit in Brainerd, afternoon and night, Monday, June 3rd, on the Northern Pacific lot, corner of 4th and Main streets. The entertainment will consist of a first-class minstrel show, as well as a host of high-class vaudeville acts, embracing juggling, contortion, tumbling, singing, dancing. Among some of the principal people we mention Gus San, famous juggler and balancer, Sam Harner, America's greatest clown and singer, E. W. Chipman, singer and wit, Nugent and Pinto, dancers. The famous Anhaus family of acrobats in number—H. J. Yarkoy, comedian, John Lynch, the world's greatest high wire artist, besides ten other big acts. Hear the free band concert and exhibition at 2 and 7:30 p. m. Popular prices will prevail. The show is strictly moral in every respect, and the ladies and children will enjoy it hugely.

Smoke Social.

The Trades and Labor Assembly will give a smoke social at the Assembly Hall on Friday evening, June 6th, for the purpose of raising funds to meet the expenses of the assembly. A fine program has been arranged, and the Hon. James Wood, of Chicago, a noted labor leader and orator, will be present and deliver an address. Everybody turn out and enjoy a pleasant evening and give the boys a lift.

DOUBLE THEIR CAPACITY.

Parker & Topping Will Make Castings for Entire Line of the Northern Pacific.

Parker & Topping have been notified the past week by the N. P. that their contract to furnish castings for the company for work east of Helena, Montana, has been extended to the entire line of the road, which will increase their business at the foundry in this city from 50 to 100 per cent, and of course, their force of employes will have to be increased accordingly. The castings for the road from Helena west have heretofore been made by the foundry in Tacoma, formerly owned by Messrs. Parker & Topping, but for some reason the company has seen fit to take the work from the Tacoma foundry and give it to Messrs. Parker & Topping here.

THE COUNTY WINS.

The Supreme Court Decides the Case of Lawyer True Against the County in Favor of the Latter.

The supreme court on Friday rendered a decision in the case of James N. True vs. the County of Crow Wing, affirming the decision of Judge McCullum in favor of the county. Mr. True was employed by Sheriff Erickson as counsel in conducting the case against the Minnesota Water Co. for the collection of personal taxes. County Attorney Alderman left county matters in the hands of Attorney W. C. Crane, who attended to the case, but the sheriff saw fit to employ Mr. True, although the duty of conducting the case was clearly in the hands of the county attorney and his representatives. The commissioners refused to pay the bill of Mr. True, and he brought suit to compel payment. The case was decided against him in the district court, and the decision is now sustained by the supreme court as follows:

A Romantic Marriage.

Joseph E. Myers, a prosperous Crow Wing county farmer living three miles east of the city, arrived here yesterday noon from Highmoor, South Dakota, bringing home with him a bride to comfort his declining years, who he married on Saturday, May 25th, at the home of her parents at the above place. The lady's maiden name was Miss Addie M. Hatch, and the wedding was the result of a correspondence, the parties having never seen each other until a few days previous, when Mr. Myers sent them to meet, her with a view to matrimony. Mr. Myers is about 80 years of age and the bride is 36, and is a bright, intelligent woman, who will preserve over the years' domestic life with grace and dignity. Mr. Myers is one of Crow Wing county's solid and substantial farmers, and his many friends here wish them both every blessing in their new relation.

The Maroons and High School Baseball Game.

The Maroons and High School baseball teams played a game of ball yesterday afternoon on the West Front street grounds, the Maroons winning by a score of 20 to 10. Both clubs were partially made up of outsiders, hence the game was not especially fast one as the score indicated.

METAL TRADES ASSOCIATION SAYS AGREEMENT WITH MACHINISTS IS OFF. VIOLATED BY EMPLOYEES

Abrogation Throws a Hundred Thousand Men in the United States, Canada and Mexico Out of All They Have Gained by Organization. The Nine-Hour Day is Placed in Jeopardy. Chicago, May 30.—The administrative council of the National Metal Trades association at a meeting here declared its agreement with the International Machinists' association for the country null and void and no longer in force. The National Metal Trades association. The agreement which was made at St. Louis, Mo., May 1, 1906, and the terms looked upon as the best ever drawn up between employer and workmen in its provisions for the avoidance of strikes and lockouts. Its abrogation throws the 100,000 machinists of the United States, Canada and Mexico out of all that they have gained by organization. The manufacturers take the stand that they are not now bound by the agreement and the nine-hour day is in jeopardy. The administrative council of the National Metal Trades association took the ground that the agreement has been violated by the International Association of Machinists, which arbitration and has instituted strikes in many shops of members of the National Metal Trades association.

ARBITRATION FAILED. General strike of Chicago Union Machinists Ordered. Chicago, May 30.—After arbitration had failed to settle the differences between Chicago machinists and their employers, the long threatened general strike in the machine trade of Chicago and vicinity was ordered by the executive board of the local lodge of the machinists' union. The total breakdown of the attempt at arbitration came after a five hours' session of the joint arbitration board of the union and the manufacturers' association.

The issue for arbitration was the question of fixing a wage scale for the new 10-hour day inaugurated May 30 in place of the 10-hour day then abrogated. Efforts to effect a compromise were made by both sides, but to no purpose and the strike order followed. The without effecting a compromise. The highest increase of wages offered by the manufacturers during the course of the session there were several deadlocks and at no time did the manufacturers refuse to consider the received from time to time during the conference by the men representing both sides in a room closely adjoining where the arbitration conference was taking place was a meeting of the administrative council of the National Metal Trades association with over 70 members present from all parts of the country, which kept in close touch with the arbitration proceedings in another room was a large gathering of machinists from district No. 8 of the International Association of Machinists.

Concede Machinists' Terms. Hartford, Conn., May 30.—The Pope Electric company and the Pratt-Walker company have issued a communication to the striking machinists and metal workers to the effect that commencing in the morning both shops would be run on the basis of nine hours' work for ten hours' pay. The strikers will hold a meeting to consider the offer. About 450 men are concerned.

OUTLOOK ENCOURAGING. General Grant Says the Philippines Are Tired of War. Washington, May 30.—General Fred D. Grant, who has just returned from service in the Philippines, stopped in Washington on his way to New York. He is accompanied by Mrs. Grant. The general called on Secretary Root during the afternoon and for a short time discussed Philippine affairs with him. He says the people of the islands are now ready for a central government, established either under civil or military auspices. They are sick of warfare and want peace. The general's outlook, General Grant said, is very encouraging.

South African Casualty List. London, May 30.—Casualty lists issued by the war office give 41 British killed and 10 wounded. The majority of these casualties occurred from May 25 to May 28 and between Bethel and Standerton. In Bethel, Transvaal, where General Buller was defeated. Approves Conventor's Action. Havana, May 30.—A discussion says that the country generally approves the acceptance of the Platt amendment and predicts the beginning of an era of prosperity.

THROUGH HIS NATIVE STATE.

Parties Digging a Well in Oklahoma Bring in a Gusher. Woodward, O. T., May 30.—Parties digging a well at Monow, 15 miles southeast of here, struck a vein of oil which soon developed into a gusher. The oil forced itself to the brack of the well and covered an acre of ground before the flow could be checked. Monow is on the Canadian river.

New Orleans, May 30.—An oil gusher of mighty proportions was discovered during the day in Terrebonne parish, 40 miles west of here. Excitement there runs high and land has doubled and tripled in value. Jambouville, La., May 30.—An oil gusher has been brought in near the Kentucky line, about 50 miles north of Jambouville. This is the second rapid flowing oil well recently located in that section.

Get a Fitman Per Cent Rate. Kansas City, May 30.—The machinists, blacksmiths and boiler-makers employed at the shops of the Union Pacific Railway company in Kansas City, Kan., have received notice from the company that they are to be given, beginning on first next month, Saturday, a raise in wages amounting to about 15 per cent.

Case of Supposed Plague in London. London, May 30.—At Willesden, an outlying suburb of London, a man supposed to be suffering from a lighter form of bubonic plague has been discovered. Persons with whom he came in contact were examined, but have now been released. The patient himself is still under observation.

Work Done by Supreme Court. Washington, May 30.—The United States supreme court disposed of 308 cases during the term which closed a few Tuesday and 219 additional cases were either argued or submitted on briefs. During the term 451 cases were filed. There are now 308 cases on the docket for next term.

Switzerland Adjoins Six Die. Milwaukee, May 30.—The United States supreme court has affirmed the sentence of death in Louisiana, Cal. on the third Monday of May, 1907. The following board of directors was chosen: Daniel Smith, Chicago; S. J. Dashiell, Jersey City, N. J.; J. T. McMillan, Astoria, O.

Chinese Ordered Deported. Philadelphia, Pa., May 30.—The case against 60 of the 80 Chinese held at the county jail for unlawful entry into the United States has been closed. In 20 cases deportation orders are ordered and a large percentage of the remaining cases will also carry deportation.

TAX LIMIT UNCONSTITUTIONAL.

Supreme Court Says Case and Heltram County Tax Levies O.K.—Victory for Comities.

Says the Pioneer Press.

The state supreme court yesterday decided a case compelling the Thomas B. Walker Lumber company, Red River Valley Lumber company, Thomas B. Walker and H. C. Akley, all of Minneapolis, to pay taxes in Beltrami county levied by the county commissioners in violation of the law of 1897 creating those counties. The court holds the law unconstitutional and the act of the commissioners void.

In 1897 the legislature created Class and Beltrami counties and limited the annual general tax in Beltrami county that might be levied in the next ten years to about \$12,000, besides two mills for general school tax, two mills for special school tax and one mill for local school tax. The county commissioners increased the tax to about \$21,000. The lumber companies refused to pay the tax.

The following is the opinion of the court:

In re-proceedings to enforce payment of taxes delinquent in January, 1900, State of Minnesota, plaintiff, vs. Thomas B. Walker, Red River Valley Lumber Company, Thomas B. Walker and H. C. Akley, defendants. No. 20,000 of chapter 39, Laws of 1897, as amended the counties there- by granted from the operation of the general laws of the state relating to taxation by counties and sub- stantially therefor limitations as to taxation which are applicable to such counties only, is special legislation, and therefore obnoxious to the provisions of section 33, article IV, State Constitution. The Best River.

Hou. A. F. Ferris, of Brainerd, was in the city Wednesday forenoon.

He is well pleased with the growth Brainerd and Crow Wing county are making this year. Several large business blocks are going up in that city, and the enlarged railroad shops are bringing hundreds of mechanics and their families to the city. More men are now finding employment in the city than ever before, and every line of business is experiencing benefits. Brainerd is also becoming somewhat of a wholesale center, as it is the distributing point for a large district.—Little Falls Transcript.

New Clothing Firm.

A new clothing firm will be established in this city during the coming month by John F. and James Murphy under the firm name of J. F. Murphy & Co. They have leased for a term of five years the building now occupied by the City Meat Market, which will be vacated by Mr. Bane about June 10th, when the room will be thoroughly repaired and placed in proper shape for the new firm. A full stock of the latest men's and boys' clothing, gent's furnishings, etc., will be carried by the new firm. Both gentlemen will give their personal attention to the business. Mr. J. F. Murphy has had 12 years experience in the clothing business, and is in every way qualified to conduct a successful business. Both are popular young men of excellent character, well known by everybody because of their life long residence here, and should make a brilliant success in their new venture. Mr. J. F. Murphy is now in Chicago selecting a stock for the new store, which will be opened the latter part of the month.

Premature.

The announcement of the Little Falls Transcript that E. T. Davidson, of St. Cloud, would be the manager of the new Park Opera House was premature, as the management has not even decided that they will have a manager other than the Association officers. Speaking about the management of the new Park Opera House this city, the St. Cloud Journal Press says: E. T. "Bill" Davidson, of St. Cloud, has submitted an offer for the management of the house and, if accepted, will run it in connection with the Davidson of St. Cloud, playing the same attraction in both places. The Davidson plays a number of attractions that Brainerd would be glad to get and if "Bill" will do for Brainerd what he has for his own town, any announcement that he will guide the destinies of the Brainerd house, will be a source of gratification to his many friends in the city.

NOBLE CLIFFS SAVED.

Hudson's Historic Passages to Be an Interstate Park.

Insistent Recovery of "old American Rights" Prompted For Future Generations—Blazing Operations Suspended in Time.

After much talk and the using of much newspaper ink the famous Hudson of the Hudson-river are to be preserved. For many years the threatened destruction of these magnificent heights that run for 20 miles along the west bank of the Hudson has been a national disgrace. Some contractors have long been using the Palisades as a quarry and have irretrievably ruined some of the most picturesque sites. At last the vandalism is to cease, for a national disgrace. Some contractors have long been using the Palisades as a quarry and have irretrievably ruined some of the most picturesque sites. At last the vandalism is to cease, for a national disgrace. Some contractors have long been using the Palisades as a quarry and have irretrievably ruined some of the most picturesque sites. At last the vandalism is to cease, for a national disgrace.

With the appropriation of the New York legislature, amounting to \$400,000, added to that of New Jersey, \$20,000, the interstate commission is preparing to purchase the property for park purposes. Title to some of the lands has already been taken, and the remainder will soon follow. As there are more than 300 separate parcels to be bought and the same number of titles to be examined it will be some time before the land comprising the park is fully owned by the state. But they will all be taken over before Dec. 31 of this year. Some of the lands to be given to the commission free by the property owners, but most of it is to be bought.

Public opinion in both New York and New Jersey has been so greatly in favor of measures looking to the preservation of the Palisades that the legislature in regard to the matter has established a new record. The fact that the whole plan was approved by the legislatures of two states in one legislative year is almost unprecedented, as the enactment of the necessary laws in matters of this kind where only one state has been involved has often taken several years.

The commissioners in charge of the Palisades matter comprise some of the best known residents of New York and New Jersey. Among them are George W. Perkins, Abram S. Hewitt, Abram

INDICTED FOR EMBEZZLEMENT

Former Paying Teller of a New Orleans Bank Accused of Theft. New Orleans, May 30.—Philip Schumaker, former paying teller of the National bank, has been indicted by the grand jury for the alleged embezzlement of \$12,500. On May 14 there was a shooting in the bank while Schumaker was alone and he was found with a bullet in his leg, claiming it was said that he fought with two thieves who had overpowered him and made way with packages of large bills. No corroborating evidence of the theft could be found, although the count showed \$12,500 missing. It is alleged that an examination of Schumaker's books showed a shortage of \$2,500 before the reported robbery.

Miss Nellie Merritt, principal of the Lowell school, was the delighted recipient of a pleasant surprise on Wednesday afternoon after the close of school. The teachers who are employed in the building have greatly appreciated Miss Merritt's unvarying courtesy and kindness to them, and to give expression to their feelings they arranged a surprise party for her. She was called from the room for a few moments and while absent a table was spread and laden with toothsome delicacies and unassorted with masses of beautiful cut flowers. Miss Merritt was then called in and luncheon was served with Miss Merritt as the guest of honor. She was greatly pleased at this expression of their regard and esteem. The Lowell teachers are Misses Arnold, White, Barmister, Wilson, Merritt, Mrs. Smith and Mr. Bower.
