## BAD WRECK IS NARROWLY AVERTED

Northern Pacific Officials in This City Think Switch Was Turned for Spite.

## CARS TOTALLY DEMOLISHED

The Switch Was Turned About the Time the Passenger was Due to Arrive.

What appears to have been the work of some individual who has a spite resulted in a disastrous accident in the Northern Pacific yards in this city Tuesday night at 12 o'clock, and it was so fault of the investigator that serious injuries did not result and mayhap fatal ones as a result of his revengeful nature.

Freight No. 53 was pulling into the yards from the east and as the train was about half over the switch, which is located at the east end of the platform at the Northern Pacific depot, was turned. There was a sudden crash and under the strain the earth shook for rods around. Two large cars jumped the tracks and turned, and of course the train stopped at once. The two cars were utterly demolished and it was quite a loss to the company.

The passenger from the east is due about this time but it was two hours late that night. Those about the depot cannot but believe that it was the intention at first to wreck this passenger train.

The wrecking train cleared away the debris and by the time the passenger reached the city the track was cleared.

## WAS INDUCTED BISHOP.

Samuel C. Edhall Is Bishop—Rev. George H. Davis Formerly Receives and Acknowledges New Head.

The ceremony of inducting Right Rev. Samuel Cook Edhall into the bishopric of the diocese of Minnesota was celebrated at Christ's church in St. Paul Tuesday, and seldom has there been seen in the Twin Cities so imposing an array of Episcopal clergymen or so elaborate exercises.

Clerical and lay representatives of that faith were present from all parts of Minnesota, and from Iowa, Nebraska and Wisconsin. The capacity of the church was taxed to accommodate the number and those who were present as spectators.

Nearly three hours were consumed in the ceremony and the sermon. The induction service itself was extremely simple, differing little from the institution of a minister. The procession was the imposing feature.

Not only was the latter so because of the number of clergymen composing it—there being fifty in their full canonical robes—but because of the ecclesiastical rank and the age of many of those participating. There were four bishops, two archdeacons and most of the older clergy of the state.

The cross bearer entered the church first, followed by the chorists, singing the processional hymn. The younger clergy were next, twenty-four in number. They formed a double line down the greater length of the nave. Between the two lines the bishops passed. Bishop Edhall coming third, and followed by the remainder of the clergy. The younger clergy then formed in procession and approached the altar, seating themselves upon either side of the chancel upon a raised platform prepared for them.

Bishop Edhall presented a splendid appearance in his full bishopric robes. The black gown was relieved by the cope of scarlet. The other bishops wore the scarlet cope and band also, and these, with the many white gowns following, gave a suggestion of grandeur.

Rev. George H. Davis, D. D., of Mankato, president of the standing committee of the diocese, received and formally acknowledged Bishop Edhall as ruler and guide of the Minnesota diocese.

## LIKELY TO BE TROUBLE.

The Lion Clothing Company Will Close Out in This City Although They Leased Spalding Building.

It will be remembered that shortly after H. Spaulding had bought the building which was occupied by McOll, the photographer, that he rented the same to the Lion Clothing Company. A verbal agreement had been made and a lease taken by the company from Mr. Spaulding for a term of two years. Now the firm has decided to go out of business in this city since the recent escape of Morris Dryer.

Mr. Spaulding made the improvements in the building subject to the company's demands and even went so far as to put in a new front several hundred dollars were expended in fixing up the place and now Mr. Spaulding feels that he has a grievance coming.

No more clothing in ours after we dispose of present stock. Go to the converter at cost price. Ball starts now.

## TO NORTHERN MINNESOTA.

Homestead Entries in the St. Cloud Land Office for the Month of October a Record Breaker.

The total number of homestead entries at the St. Cloud land office for the month of October was 107, says the St. Cloud Journal-Press. This breaks the record of entries for several years past. A. P. Docter, who has been a clerk in this office since 1894, says that it is more than were filed at the office during any month during his long service and it is believed to be the largest number of any month in ten years past. The tide of immigration to Northern Minnesota is believed to be responsible for the increased activity in the disposition of the public domain.

## REV. S. W. HOVER REMEMBERED.

Members of His Church and Friends Give Him a Surprise Wednesday Night—His Thirtieth Birthday.

Rev. S. W. Hover, pastor of the First Baptist church of this city, was given a happy surprise Wednesday evening at the home of Mr. and Mrs. Otto Lunberg, in East Brainerd, the event being the anniversary of his thirtieth birthday.

He had been invited to spend the evening at the home of Mr. and Mrs. Lunberg with members of the church and friends and when the opportune moment presented itself Secretary Wilhelm, of the Y. M. C. A., on behalf of those assembled presented Rev. Mr. Hover with a very elegant new overcoat. Mr. Hover responded in a happy vein.

Don't miss our bargains in clothing. We are selling out our entire stock of clothing, most positively.

## BOLD BAD MAN IS ROUNDED UP.

Man Who Stole a Bunch of Checks from Agent McKay Arrested Tuesday.

## BRAKEMAN ON DAKOTA DIV.

He is Charged with Grand Larceny in the Second Degree—Hearing November 11.

Tuesday evening Sheriff Erickson arrested D. L. Richardson at J. K. P. Grasser's home at Gull Lake, charging him with the theft of the several hundred dollars worth of checks taken from Agent W. D. McKay's office day before yesterday. Richardson was brought to this city and is locked up in the county jail.

The sheriff had quite an exciting time in making the arrest. He went to the Grasser home and inquired for Richardson but was informed that he had gone to the home of a man by the name of Quin. Sheriff Erickson, however, was confident that his man was in the house and his theory proved only too true when he saw the man trying to get out of the window of a wood shed near the house. Mr. Erickson pulled his gun on the man and he was willing to give in at this juncture.

It seems that Mr. McKay's suspicion pointed to this man Richardson and that he wanted the officers to go out and locate him the night before. Richardson's home is at Jamestown, N. D. He had been a brakeman on the Northern Pacific but was injured sometime ago and was brought down to the Sanitarium in this city for treatment. He was released from the hospital on October 18 and it seems since then has been leading a rather precarious life. As is the custom with the Northern Pacific in this city Agent McKay had this man's check for work done on the Dakota division, Superintendent Wilson, of that division, having forwarded them to him.

This man Richardson while at the hospital called on Agent McKay several times and asked if his check had arrived. It did not come for a long time and in the interim the brakeman would come around the office of Mr. McKay quite often and inquire often about the matter. Finally the check did come, and when the young man called he was told by Agent McKay that instructions had come from Superintendent Wilson to hold the same. The man continued to come around the office after that, however, and kept on inquiring about his checks. Other men were in the habit of coming in the office at the same time with Richardson for the same purpose. Day before yesterday Richardson came in again and inquired about his check. There were others in the office at the same time. Mr. McKay had occasion to stop out and Cashier Wilson was called to the phone. Just before this Richardson had asked Mr. Wilson for some paper and an envelope; that he wanted to write a letter. When Mr. Wilson went to the phone Richardson went over towards Mr. McKay's desk and seemed to be standing there writing. While standing there it is thought he got hold of the valuable papers. They were in a pass book which Mr. McKay keeps for that purpose and the book and all was taken. It has proved a very great inconvenience to Mr. McKay, and in all his experience with the company he has never lost anything of this kind before.

Detective McPetridge, of the Northern Pacific, arrived in the city Wednesday to work on the case. He states that he has known this man Richardson of yore and that he is a crook and a thief. He states that he was waiting for him to get out of the hospital when he would have arrested him anyway on the charge of grand larceny in the second degree. A hearing was set for 10 o'clock, November 11.

## STILL MORE SERIOUS CHARGE.

Case in which W. E. Barber is Charged With Petit Larceny is Diminished But He is Re-arrested.

Wednesday there was a hearing in the case of the state against W. E. Barber, charged with petit larceny. Barber, it will be remembered, was arrested a short time ago on the charge of stealing copper, brass and other valuable material at the Northern Pacific shops.

On motion of County Attorney Alderman the case was dismissed this morning but Barber was at once re-arrested on the more serious charge of grand larceny in the second degree. He was admitted to bail in the sum of \$150 and his hearing set for Nov. 11 at 10 o'clock.

## TO SEND STOCK WEST.

C. N. Parker Will Ship His Herd of About Sixty-five Steers to Mandan, N. D., to be Wintered.

Nate Osgood, of Fargo, is in the city and is rounding up C. N. Parker's cattle at his Long Lake ranch.

There are about sixty-five steers which Mr. Osgood will take to Mandan, N. D., to be wintered there. Mr. Parker states that he has not sufficient hay to carry him through the winter and he can winter the stock at three dollars a head or better at Mandan.

## N. P. LIBRARY ASSOCIATION.

Their Annual Entertainment This Year Will be in the Shape of a Grand Ball.

The officers of the Northern Pacific Library Association are making extensive arrangements for their annual convalescence, which heretofore has been in the shape of an entertainment of some kind followed by a grand ball. This year the ball will be given without the entertainment and the date fixed is November 22.

The ball will be given in Gardner hall and it will be a great event. Every Northern Pacific employee has a name set to the ball and will be entitled to a year's membership in the association.

## MILL WILL CLOSE DOWN SOON.

The Brainerd Lumber Co. Mills Have Closed Down Nights—Like Will Soon Freeze Over.

The night shift at the Brainerd Lumber Co. mills in this city was let out the first of the month and the present indications are that the mill will close for the winter very soon.

Nearly all the night men have gone to the woods and most of the men who are now on the day shift are expected to go into camp as soon as the mill is closed down.

Don't miss our bargains in clothing. We are selling out our entire stock of clothing, most positively.

## BIG SALE OF TIMBER.

State Auditor Dunn Holds a Big Sale in St. Paul Yesterday Swelling States' Fund.

State Auditor R. C. Dunn yesterday morning in the chamber of the house of representatives sold 35,000,000 feet of state timber. About seventy-five lumbermen were present and the bidding was spirited. H. C. Akeley, C. A. Smith, Thomas H. Shevlin, H. O. Clarke, P. J. Scanlon and other Minneapolis lumbermen were present. The price averaged about 46 a thousand against \$3.75 last year, and in many cases full payment was made, though only 25 per cent down is the rule. The amount added to the state funds will be close to \$200,000. The state retains the land and the logging must be finished in two seasons.

Only timber that is "ripe" and in danger of fire is sold, and about 12,000,000 feet originally advertised was withdrawn from sale. The highest price was paid by the Mashuk Lumber company of Hibbing, which bid \$8.70 per 1,000 for 570,000 feet of pine handy to mill. Several pieces brought from \$7.50 to \$8.20. Other large buyers were the H. C. Akeley Lumber Co., C. A. Smith Lumber Co., J. C. Carpenter, Bonness & Co., Itasca Lumber Co., J. C. Clark and George McRees of Minneapolis; Powers, Simpson & Co., Hibbing; John Noster, Duluth; Cloquet Lumber Co., Cloquet; James A. Nichols, Little Falls; Otis Staples, Stillwater; and T. J. Neils Lumber company, Cass Lake.

Most of the stumpage was in St. Louis, Itasca and Boltram counties.

## Way They Crawled Out.

The football game between the Aitkin highs and the Y. M. C. A. team of this city, which was scheduled to take place at Aitkin this afternoon, has been declared off, the Aitkin players having backed out and declined to play. In other words, the Aitkin players are afraid to go out against anything near their own weight, and so they do the baby act.

—Brainerd Tribune, Saturday.  
Comment on the above is unnecessary, since it is well known that the Y. M. C. A. team was unable to score in a game with their own high school team which the Aitkin boys snored under to the tune of 57 to 0. As soon as the Brainerd Y. M. C. A. team gets a record, the Aitkin team will consider a proposition from Itasca.

Frank Sartall narrowly averted an accident to herself by her horse running away, at Sauk Rapids. She was moving her canned fruit to her new home, when the horse took fright. The fruit was scattered and the buggy smashed to atoms. Her infant child had just been taken from the carriage when the accident happened.

A suit for \$5,000 has been commenced in the district court, at Grand Forks by William Epworth against the Grand Forks Lumber company for damages sustained while working in defendant's mill in East Grand Forks on June 7.

## BRAINED LOST ONE BUT WON ANOTHER.

First High School Team Defeated in Game at Fargo Saturday Afternoon.

## OTHER NOTES ON THE GRIDIRON.

Second Team Goes to Little Falls and Wins Hard Fought Game.

The high school team returned Sunday morning from Fargo where they went to play a game with the high school team of that city. It was a crowded game the score being 41 to 0 in favor of Fargo. Captain Brockway was injured during the game, not seriously however, and the team suffered from a severe cold which crippled the locals. The Fargo Morning Call has this to say of the game:

"Considering the chilly weather of yesterday the attendance at the football game in this city yesterday afternoon between the high schools of Brainerd and Fargo was very good and those present were full of enthusiasm.

"The result of the game was 41 to 0 in favor of Fargo, the high score of the home team being effected due to superior team work.

"Capt. Redman and Turner both did good work for the home team and a large addition to the score was the result of their efforts. Porritt, who played quarterback back for the first time yesterday, did some fine work and was warmly congratulated.

"Brainerd played a very fair defense but appears to be short on tactics in favor of Fargo, the high score of the home team being effected during the play and was unable to remain to the finish which was a great disappointment to the remainder of the team as he was a very strong man in his position. The Brainerd boys stated that while they were beaten they had naught to complain and enjoyed the trip immensely.

The second high school team of this city made a good showing Saturday afternoon in a game played at Little Falls with the second team of the Little Falls high school. The score resulted in a victory for the locals, being 16 to 2. The boys for their part put up a real fast game and among the players there are some comers who will make a great record on the gridiron.

## BURNED THE TOWN.

Fire Caused by Burglar Blowing Up a Safe at Chicago, Ill.

Mayville, N. D., Nov. 8.—The business portion of Chicago, Ill., town 11 miles southwest of this city, was almost entirely destroyed by a fire which broke out at 6 o'clock Sunday morning. The loss will be about \$10,000, the insurance being in the out-of-pocket of \$12,000.

The fire was probably started by burglars in their attempt to blow a safe in a butcher shop. They succeeded in forcing the door off, but were frightened away before getting the small amount that was in the safe. They left some of their tools. The flames, fanned by a stiff northeast wind, spread rapidly and the main business houses of the place were soon in flames.

## BLAST FURNACES CLOSE.

Shortage of Transportation Affects Independent Steel Mills.

Pittsburg, Nov. 8.—Eighteen blast furnaces in the Pittsburg district and the Mahoning and Shenango valleys have or are about to close down for want of coke. The car and motive power shortage on the railroads is responsible for this condition. Suspension of these blast furnaces will cut off the pig iron production over 1,000 tons daily and will throw about 1,500 men out of work. It is expected that probably other furnaces will have to close down next before getting the steel mills will be materially affected.

## SUBMARINE TELEPHONE.

## THE HOME GOLD CURE.

An Instantaneous Treatment by Which Drunkards Are Being Cured Daily in spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and no weakness. A body filled with poison, and nerve completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and restoring the craving for intoxicants. Sufferers may now cure themselves at home, and save the expense of a long stay in a hospital.

The wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of insubriety. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvellous transformation of thousands of drunkards into sober, industrious and upright men.

Wives Cure Your Husband! Children Cure Your Father! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and perfectly tasteless, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this precious remedy, and as many more have been cured and made temperate men by having the "Care" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discerned drinking of their own free will. Do Not Wait. Do not be deluded by apparent and misleading "improvements." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of One Dollar, this placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special rates by ailed physicians when requested without extra charge. Sent by mail to any part of the world for One Dollar. ## REuben C. Pickett of Minneapolis indicted by the Grand Jury.

Minneapolis, Nov. 7.—Reuben C. Pickett, a well known man about town, has been indicted on the charge of murder in the first degree and is now held at the county jail to await trial.

Pickett is charged with having murdered his wife on the early morning of Nov. 1, 1900, at their home on Eighth avenue south. At the time Mrs. Pickett was supposed to have gone into the bathroom and while there the lamp exploded, setting her on fire, and before she could be reached was so badly burned and suffocated that she died.

It is rumored that Pickett covered his wife to death and to avoid suspicion set fire to her clothing to cover up the crime. He then ran to the nearest fire box and turned in an alarm.

When the steams arrived on the scene they found the bathroom door locked and the key missing.

Suspicion rested upon him at the time, but not enough evidence could be produced to warrant an indictment. Later developments have brought out further facts and it is claimed that the state has a pretty strong case against him.

## A RACE FOR LIFE.

Conrado Dyspepsia Tablets Arrive at Chicago.

Chicago, Nov. 7.—Eight children, accompanied by their parents, ended a 1,500 mile race for life during the day at the Chicago Patient Institute.

Another child will arrive in the morning. The youngsters, ranging in age from 4 to 9 years, came from Colorado Springs, Colo., where they were bitten by the long journey to have their children treated.

The victims were met at the hotel by Dr. A. Legerio, who administered the first injection of serum. To insure success Dr. Legerio pretends to administer the first treatment within five days of the time the bite was inflicted. If the children had not arrived during the day he says rabies would probably have developed and death might have resulted.

The victims are the children of a mechanic, employed in Colorado Springs. The animal which caused the trouble was a little black and tan dog owned by one of the children.

## Forming a New Base Ball League.

Kansas City, Nov. 7.—A story is in circulation to the effect that President Hickey of the Western League is organizing a new league to include Kansas City, St. Paul, Milwaukee, Chicago, Indianapolis, Toledo and Louisville. Hickey, it is said, will remove to Chicago. The cities dropped out of the Western may form a minor league. They are Omaha, Des Moines, Colorado Springs, Denver and St. Joseph, Mo.

## THE HOME GOLD CURE.

An Instantaneous Treatment by Which Drunkards Are Being Cured Daily in spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and no weakness. A body filled with poison, and nerve completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and restoring the craving for intoxicants. Sufferers may now cure themselves at home, and save the expense of a long stay in a hospital.

The wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of insubriety. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvellous transformation of thousands of drunkards into sober, industrious and upright men.

Wives Cure Your Husband! Children Cure Your Father! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and perfectly tasteless, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this precious remedy, and as many more have been cured and made temperate men by having the "Care" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discerned drinking of their own free will. Do Not Wait. Do not be deluded by apparent and misleading "improvements." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of One Dollar, this placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special rates by ailed physicians when requested without extra charge. Sent by mail to any part of the world for One Dollar. Address: Dept., Edgar & Cathartic Confections, 2923 Market Street, Philadelphia.

**PETER ANDERSON IS IN LIMBO.**

Is Charged With Starting Forest Fires Which Did So Much Damage.

**FIRE WARDEN AFTER HIS SCALP**

Sheriff Tanner of Morrison County Causes His Arrest Here Yesterday.

Yesterday Sheriff Tanner went out a few miles south of the city and placed under arrest Peter Anderson, well known in this county, and it is likely to go hard with him.

He was arrested on the charge of setting the brush on fire, which resulted in the big forest fires throughout Morrison and Crow Wing counties. It seems that Fire Warden Anderson has been investigating the matter and has finally concluded to prosecute Anderson.

It seems that Anderson lived just across the Crow Wing line into Morrison county until quite recently. He sold out his farm down there and moved on a farm a few miles south of this city. When he got ready to move from the farm in Morrison county there was a stack of straw which he wanted to sell to some of the farmers, but they did not want to pay him anything for it and the story goes that instead of leaving it to some farmer set it afire.

It is claimed that the fire started from this point and radiated through the two counties causing great destruction. It is likely to go pretty hard with Anderson on this score, as the state authorities have been having considerable trouble and State Fire Warden Anderson now insists on bringing the guilty parties who set fires to justice.

COMPANY F MAKES GOOD SHOWING. Report from Headquarters of Inspector of Small Arms of N. G. S. M.

LOCAL MEN AS SHARPSHOOTERS. Franklyn W. Britton is the Only Man to Qualify as Distinguished Rifleman.

General orders have been issued from the adjutant general's office of the National Guard, State of Minnesota, which gives the report of the brigade inspector of small arms practice on target practice, during the annual encampment of 1901, together with a list of the qualifying scores, and also the competitive rifle practice of this city, qualified as marksmen with the following scores: Capt. Samuel R. Adair, 131; First Sergeant Patrick J. Murphy, 121; Sergeant Chas. B. Rowley, 118; Sergeant James Towers, 111; Corporal Giffon A. Albright, 118; Private Frederick L. Britton, 123; Private George F. Burfield, 118; Private Alonzo M. Brant, 110; Private Elmer E. Dayton, 116; Private John Solberh, 106; and Private James S. Swarner, 115.

The regiment is in the sharpshooters' class. In the regimental team match at Lake City three members of Company F were in the contest, William Nelson, Franklin W. Britton and Francis J. Britton. Mr. Nelson's score in this match totaled 181, Franklin W. Britton's totaled 194 and Francis J. Britton totaled 194 out of a possible 180 in each case. These three gentlemen have been selected by Inspector of Small Arms Practice Lee for positions on the State Rifle Team.

It can be seen that Company F fared excellent in the aggregate and made as good a record as any company in the state, and a better record in individual shooting.

No more clothing in ours after we dispose of present stock. Goes to the consumer at cost price. Sale starts now. HENRY I. COXON.

The St. Cloud Grocery company has been advised that its bid for the furnishing of this city with groceries for the three months beginning November 1 has been accepted. Do you want straw? Call on D. M. Clark & Co.

The very high wages offered for men to go in the woods is proving too strong a temptation to many sailors on boats trading at Lake Superior ports. Almost every day complaint is heard that some of the members of a boat's crew have deserted, and it has been ascertained that, as a rule, they go to the woods. It is particularly disappointing for the vessel masters, to lose some of their sailors at the end of the route, for it is not an easy matter to replace them in Duluth at this time of the year.
