The New Government.

After the smoke of our local battle has cleared away, and we gather together our winning men and look at the result of the conflict, calmly and as fellow citizens, we can offer an opinion as to the merits of our new officers just as we find them.

FINANCIAL STATEMENT.

Crow Wing County, FOR THE YEAR ENDING MARCH 20TH, 1873. Whole amount of County orders issued to date, \$6519.92.

THE "REMOVAL" HUMOR.

There has been in circulation the past few days—aided and abetted by the St. Paul papers—a rumor that the General Offices of the Northern Pacific Railroad were, for long, to be removed from Brainerd to St. Paul.

THE DAVIS Vertical-Feed Sewing Machine.

For all kinds of work, is the best Machine offered to the public. It has taken the HIGHEST PRIZES at every Fair in Minnesota, and the West, where exhibited, the past year. It is not advertised beyond its merits, like most others; it stands on its own merits!

Competition deferred.

Mrs. RUSSELL, Local Agent, "Tanagra" Sewing Machine, Brainerd, Minn. The best Sewing Machine ever made. Sold by Messrs. Needles, Throckm., & Co.,

THE Locomotive Engineers.

Although we have most of it in type we are compelled to leave the article on "The Strike" handed us yesterday over till our next issue—owing to its extreme length and the late hour at which it was received. It will appear in full next week, which is the best we can do, even after making a big effort to get it in for "the boys" this week.

Errors Tenuous.

For the benefit of those liable to be misled by a few malicious falsehoods circulated concerning me by certain irresponsible parties to the effect that "Blinky Jack" was brought up before me for shooting Shaw, and that he had been arrested at all, and consequently not brought before me. The source where these reports arise, is sufficiently well known here to cast doubt, yet, uncontradicted, they might be believed by a few. Next week I will publish a list of all fines we collected.

Thanks to Frank Keating for a mess of lettuce—nice and fresh—on the 2d inst.

It is irrefragable in the way of enterprise, and has opened out a splendid place on Front street, where he proposes to furnish our citizens the coming season with every thing they want in the line of choice fruits, vegetables, fish, meats, etc. Mr. Keating's partner, Mr. Wolf, has been very sick for the past few weeks, but we are pleased to see him about again, and wish he may be able to serve customers, in his pleasant manner, as of yore.

Just received at E. L. Strauss' Jewelry Store, Fifth Street, a beautiful and fashionable Spring Stock of Ladies' and Gents' Jewelry, Watches, Silver and Plated Ware, etc., all to be sold at a close margin. Drop in and see the beautiful goods, which includes many new patterns. Strauss' emporium of fashionable jewelry.

THE VACANCIES.

After the resignation of Messrs. Hobart, Chase and Allen have been filled as follows: J. H. Sullivan, Superintendent Minnesota Division; W. S. Alexander, General Freight Agent, and L. M. Ford, Auditor. The two latter gentlemen we have not the pleasure of being acquainted with, but understand them to be excellent men for the positions to which they have been appointed, and we welcome them on behalf of our good citizens to a place among us here in the City of Pines.

Mr. J. H. Sullivan is well known on the road, having heretofore been General Manager of the same, and is in a position to become extensively known along the line, as yet, still he has secured some warm friendships here, and many will rejoice to congratulate him upon his promotion. He is a well versed railroad man, a courteous gentleman and will be a valuable addition to the road. We wish him the greatest success in his new role, for we know he will strive hard to not only deserve success as Superintendent, but to prove himself highly respected by the confidence and esteem of the thousands with whom he must come in contact, in discharge of his duties. Here's our friend Sullivan.
