SHAKOPEE SOAP .- We have received sample of this famous scap—the Savon Imperial brand-from the factory at Shakopee, this State. After giving t a fair and severe test, we pronounce t eminently superior to any we have ever used, and do not wonder that the Shakopee Soap Factory has already won so enviable a reputation. Were we a groceryman we should certainly keep no other washing soap on sale and thereby gain two points over dealers in other brands—patronize a most worthy home institution, and have a better article for our customers. Let all our dealers order an installment of the Shakopee Soap, and we guarantee they will be delighted with it.
