Two deaths at Evansville, Ind., are reported from a cholera, which is working mill hands with two cases that will probably terminate in death.

This public of San Francisco has discovered the existence of a secret society for the purpose of selling Chinese women to lives of prostitution.

Who had me first with rapturous joy, And did not fret and feel amoy When the nurse said: 'Why! she's a boy!'

Who, when I had a little light Because Tom tore my paper kite And hid it, said I did just right?

Who, when Tom licked me black and blue, Did not let me lick me back, too, saying, 'Tis my duty so to do?'

Who, when I wished to buy a toy, He'd bring me one, and would give me more joy Than any other boy?
