Hon. S. G. COMSTOCK, of Moorhead, Minn., passed east on Thursday en route for St. Paul. By the way, Mr. Comstock is named in his district for the State Senate, a slight tribute to his admirable record last winter in the legislature. His views are liberal and high-toned, and compare very favorably with our biggest gun, and what is better, he was a supporter of the Centennial appropriation.

THE WEATHER this week has been very changeable, Monday, Tuesday and Wednesday were red-hot, sweltering days, the thermometer ranging at 90 to 100 degrees. But the latter part of the week has been more Duluthian, and overcasts have been called into requisition, stores put up and underclothing doubled. On Thursday, from 90 degrees in the forenoon the thermometer went down to 45 in the afternoon and 25 in the evening, about where it remained until today. A cold rain, closely approaching snow, fell on Friday.
