Section 69. On the 1st day of June, of each year, the county treasurer shall return to the county auditor the several tax lists in his hands, having compared the same with his duplicate receipts on file in the auditor's office, and written upon the amount of each tax so receipted for, the word "PAID" and the date on which the receipt is given in discharge of such liability, and each tract or lot of real property against which such tax is receipted shall be deemed delinquent and therefore a penalty of ten per cent. shall immediately accrue and thereafter be charged upon all such delinquent taxes, and any auditor who shall make out and deliver any statement of delinquent taxes, without including such penalty therein, and any treasurer who shall receive payment of such taxes, without including such penalty, shall be liable to the county for the amount of such penalty.
