Republican Ticket. For Congress: GEN. W. D. SIMMONS. For Judges of the Supreme Court: JOHN M. BERRY.

For State Senator: EBER H. BLY, Of Crow Wing Co. For Representative: D. A. CALEY, Of Mill Lake Co.

CROW WING COUNTY TICKET. For County Auditor, C. E. WILLIAMS. For County Treasurer, R. McFADDEN.

For Co. Attorney, G. W. HOLLAND. For Commissioner 3d District, E. W. WEED.

Vote for Bly and Caley, Tuesday. General Elections will be elected by 600 majority.

Stand by your own interests and vote for Bly and Caley. An Old Fellow's Oath is about to be instituted at Moorhead.

Crow Wing is in bondage. Vote for Bly and Caley and you are free. A Vote for Simmons or Fridley is a vote to bankrupt Crow Wing county.

Vote for Capt. Black, the old soldier, the honest man—and stop Whitcomb, the rascal. President Hayes has appointed Thursday, November 28th, as a day for thanksgiving and prayer.

Democracy of Crow Wing county, own interests demand that you vote for Bly and Caley. Pocket-book first, party afterward.

Mr. Caley's friends are doing all they can for Mr. Bly in the Mill Lake election. Let Mr. Bly's friends stand by Mr. Caley in Crow Wing.

An appropriation for the State road from Moorhead to White Oak Point very much needed this winter. Elect Bly and Caley and we will get it.

Crow Wing county is badly in need of special legislation. Elect Bly and Caley and you will get it. We have frittered away our chances for much needed legislation long enough. Elect Bly and Caley and we will get it.

What interest have Simmons and Fridley in Crow Wing county? We have had Morrison and Sherburne county men in the Legislature before. Consider Bly and Caley. They care for you.

We understand the first number of the Gleaner News is out, but though we are sent the Tribune to the publisher, our prospectus is issued, we are not favored with a copy. Why so this time?

The election of Mr. Caley is just as essential to Crow Wing county as Mr. Bly's success, for without his assistance in the House, Mr. Bly's efforts in the Senate in our behalf may be fruitless.

A gentleman from Little Falls says that Morrison county people recognize the rights of Crow Wing and Mill Lake counties this year, and will give Bly and Caley a majority in the county. Hurrah.

Mr. Bly has been a member of the Legislature a number of times in Wisconsin. His former home, and is expected so that he will know more of us than some good this winter. Vote for Bly and Caley.

Mr. Bly proposes to have Cassano Crow Wing county consolidated as one county, if elected to the Senate, thus giving us nearly a million dollar valuation, instead of two hundred and eighty thousand as we have at present. Vote for him.

Brainerd is a lumber town and depends upon the lumber and mill industry for its existence, and should vote solid for Mr. Washburn, for he will give us a majority in the lumber business, and not for Donnelly, who has no interest with us.

A much stronger feeling than we had before anticipated, is being manifested all over the State in favor of Capt. Black, and against Whitcomb, inasmuch that we now have faith in his election by a fair majority. Friends, cast every vote for him in Crow Wing county that you can.

Do you want good times in Brainerd? Elect Bly and Caley, and we will have our very heavy taxes reduced. Our taxable valuation largely increased, an unappreciated to our voters. Elect Bly and Caley, and we will have our taxes reduced, and a law providing that the counties attached to us shall pay their share of our court expenses, and that we will bring good times.

Crow Wing county pays the entire court expenses for Cass, Wadena, Itasca and Wilkin counties, and is the only county in the State that does so. We are the only county in the State that does so. We are the only county in the State that does so.
