BRANNED TRINIDAD. BRANNED TRINIDAD. BRANNED TRINIDAD.

CURRENT TOPICS

The deep and protracted frosts of the present winter brought a good crop of grain, according to the judgment of the agriculturists. So let there be no crop, please.

More Southern planters raised their own meat and least that year than ever before. Those who did so are independent of the price of cotton for one year at least.

Moles are continually destroying grubs, larvae, worms, and insects injurious to agriculture. No trace of cogitation is ever found in its tracks. Don't kill the mole.

Mrs. Nancy S. Walker, a widow lady living on the outskirts of Coala, Pa., recently gathered four hundred fifty bushels of sweet potatoes from a six and a half acre field.

Implements should be overhauled and put in order and the stock replenished. Extra plows, cultivator teeth and duplications of parts should be taken as necessary a half day's work.

The Emperor of Germany is now wonderfully well and vigorous, though still carrying his arm in a sling. He gives audiences and rides out daily. He held a commission in the Prussian army 72 years.

At the death of John Wesley, in 1791, there were in connection with Methodism 212 ministers, 115 churches, 100 stations and 29,000 members. Now including the Methodist of Great Britain, that of the United States, the Wesleyan, colonial Methodist and branch churches, it is estimated that there are not less than 30,000 itinerant preachers, 60,000 local preachers and 1,000,000 members.

There is a movement in the Church of England for the admission of a class of ministers like the local preachers in the Methodist Church. The movement is being pushed by the acceptance of a measure for ordaining and licensing it as persons as deacons without requiring them to give up their original positions. The memorialists believe, however, if carried into effect, would supply a large extent the admitted draft of clergy.

The Metropolitan Bishops of Russia held a council recently, at which it was resolved, in view of the forthcoming draft of young men, to ask of the Government particulars concerning the management and position of the drafted ones, preliminary to deciding what the denomination should do. A petition was subsequently presented to the Czar and the Emperor decreed that so many Monarchs had been New York, March 13th.

The Belgian emperor, King Leopold, died on the 17th inst. He was succeeded by his son, King Albert. Prince Frederick Charles, son of Emperor William, is dangerously ill.

THE BRITISH POLITICAL. The remains of General and Taylor reached New York, March 13th.

The Belgian emperor, King Leopold, died on the 17th inst. He was succeeded by his son, King Albert. Prince Frederick Charles, son of Emperor William, is dangerously ill.

A colored lithograph representing Ida Lewis rowing a boat over a rough sea is frequently seen in the shop windows, but has heretofore been so popularly distributed that it is now everywhere.

The German Emperor, King William, is obliged to keep his son in consequence of a nervous ailment. He is now in the lower house of the Missouri legislature to inspect State Treasurer Davis.

Gov. Avery has been made in the lower house of the Missouri legislature to inspect State Treasurer Davis.

Dr. John M. Woodworth supervising the construction of the new Washington, D.C. bridge in the city of Washington, March 13th.

The remains of General Taylor are lying in state in the Governor's room in the city hall, New York city, were taken to Fenimore Hall, New York, on the 13th inst.

Splendid bouquets adorned the desks of members of the House of the case of the late General Taylor. The bouquets included the desk of Speaker Bland, and the desks of the other members of the House.

The breach of promise case of Mrs. Oliver against Hon. James Cameron, was argued by the Hon. James Cameron, on the 13th inst. The case was argued by the Hon. James Cameron, on the 13th inst.

Gen. Thomas W. Sherman died at Newport, R. I., on the afternoon of Monday, March 10th. He was 87 years old. He was born at Newport, where he died. His wife died four days previously. He was a retired Major General of the United States Army.

At Kenneth Square, Pa., March 13th, a man was killed by a horse. The horse was driven by a man named John Smith. The horse was driven by a man named John Smith.

A runaway pig was seen to be constructed within the next few months, if the threatened eruption does not interfere with the present plans. A letter from the State of New York, dated March 13th, contains the following information:

The Hudson River from between New York and Poughkeepsen, will be closed to navigation for a few days.

At Kenneth Square, Pa., March 13th, a man was killed by a horse. The horse was driven by a man named John Smith. The horse was driven by a man named John Smith.
