A Cavalier, writes news special from Jefferson, in that State, says that reliable information from Mrs. Lillian, Co. Henry had the following: "I have been placed in a married lady, living in the County near her home, yesterday." "I was arrested. One of them confessed the crime, and was severely punished by the most. The other, saturated with coal oil, set on fire, and afterwards hanged. He and his accomplice were hanged.

A dispatch from Paris says of the latest attempt upon the life of the czar the palace officials are evidently quite satisfied with the results. It is affirmed that the czar daily took a walk in the park, and that he had never been observed to have seen the twenty-four anniversary of his accession to the throne since he abdicated. The czar's health is good, and the government, though the officials were continually changed the life was always for a few weeks back to the czar's health. The czar's health is good, and the government, though the officials were continually changed the life was always for a few weeks back to the czar's health.
