The Election at Home.

Several of these states claimed for Garfield—California, Nevada and Oregon—are somewhat in doubt, but the present indications are that they are republican by small majorities.

The Election at Home.

Election day, as usual, passed off very quietly in Brainerd. The saloons were all closed and business generally suspended. Business men and prominent citizens of both parties were at the polls, Republican leaning Garfield and the Democrats leaning Arthur, and they worked zealously but pleasantly all day for their respective tickets and a more thorough canvass, we believe, was never before made of a fairer expression of the genuine sentiment of the voters had in the town, than at the election just closed. There

was no opposition to the Republican county ticket, except upon County Commissioners, so that very little of personal feeling entered into the issue excepting upon the Legislative question. Mr. Holland, the Democratic nominee, being a resident of this town, strong efforts were made in his behalf, resulting in his running 197 ahead of his ticket in the county.

The active vote in the county stood as follows:

Table with 4 columns: Name, Republican, Democrat, Total. Includes names like For President, For State, For County, etc.

Buckman in Morrison.

LITTLE FALLS, Nov. 4.—My majority in this county is 185.

Republicans Make Democratic Weapons.

VICKERSBURG, Minn., Nov. 5.—Many Republicans have not yet reported. There is a suspicion that they are holding back until they can get a better showing than they had.

California, Nevada and Oregon.

SAN FRANCISCO, Cal., Nov. 5.—Garfield's majority in this State is about 200,000. The Republican claim is that the Democrats still claim the State for Garfield. The Republicans are certain of Oregon and even claim Nevada.

Proposition to Make It Unanimous.

WATERBURY, C. T., Nov. 5.—Prominent Southern Democrats here sincerely favor the proposition to cast a united electoral vote for Garfield and make his name the only one on the ticket.

San Francisco, Cal., Nov. 4.—Returns from the interior and a more careful count of those before returning to the States show the change in favor of the Republican ticket. The State vote as now reported is Garfield 69,000; Arthur 67,000; Weaver 2,700.

Try to Explain.

NEW YORK, Nov. 3.—This metropolitan with its million and a half of people, has rarely been so stirred to its depths as during the past forty-eight hours. All the circumstances attending the election, national state and municipal, combined to interest and excite all classes of the people.

will be found that the Southern statesmen came to vote their true sentiments as in the north a large majority of them are Republicans. They have been standing out for sixteen years against their own judgment with the Democratic with the hope of obtaining control of the government. This hope has been abandoned and they will abandon their folly.
