

Mr. Moody says there are more than 1,500 persons in the sermon on the...

A TATTLOE (who) recently presented parliament from the British medical men, against vaccination.

There is a fairly lively in Metcalf county, Kentucky, composed of eleven members, some of whom know the letters of the English alphabet.

The expectation of future happiness is the best relief for anxious thoughts, the most perfect cure of melancholy, the guide of life and the comfort of death.

Among the six of the United States the cod comes first in money value, the salmon second, the mackerel third, and then the menhaden.

Twelve bishops of the Methodist Episcopal church have united in an appeal to the denomination to clear of the infidelity of the Metropolitan church, Washington, D. C.

There is a perennial abundance and easy access to water in the State of Oregon, so beauteous, longed for of his high calling, there is always hope in a man that actually and earnestly works.

Dr. ENNER A. STROM, a graduate from the medical department of the University of Pennsylvania, has sailed for Siam, to join the Presbyterian mission there as a medical missionary.

In consequence of the release of his son-in-law and companion, and other concessions now made by the government, Geribaldi has withdrawn his resignation of a seat in the Italian Chamber of Deputies.

If ever household affections and love are grateful things, they are grateful to the poor. The ties that bind the wealthy and the poor to home may be forged on earth, but they which link the poor to his family hearth are of God's true metal and bear the stamp of heaven.

The seven largest Congregational churches in this country are: Plymouth, Chicago, 25,000 members; Chicago, First, 11,000; Central Presbyterian, 1,000; Broadway Tabernacle, New York City, 900; Church of the Pilgrims, Brooklyn, 800; Church of the Holy Spirit, New York City, 400; Oberlin, First, Ohio, 345.

Among the reports to an advertisement of a music committee for "a candidate of organic music teacher," etc., was the following: "I am interested your advertisement for an organist and music teacher, either lady or gentleman. Having been both several times, I offer you my services."

A recent procession at Oxford, Ind., found little without a minister when the church was reached. After an extraordinary delay a ragged tramp who was passing by on a railroad track, was introduced, but he was a clergyman and, the women conversing, proceeded with the service, concluding them to the satisfaction of all.

In the course of inquiries as to the phreosopence of the son, a German naturalist has discovered that the phreosopence occurs whenever sea fishes are brought into the air, and the solution. The luminous aspect begins in the eyes, spreads over the whole body, and increases each day. The phosphorescent substance is a kind of lime which is white by day and shines in the dark.

Sir PIERRE GREY many years ago reached the Home of Rest at Singing Hill, England, a lovely home at Singing Castle. He gave the site, sketched the ground plans, and collected a large part of the furniture. Death came on him suddenly; but Lady Grey completed the work, and it overjoyed the private opent of the Home. It has worked girls and women. Not those actually sick, but those to whom a fortnight's holiday, under agreeable, health-giving circumstances, may prove to be irrevocable.

A LEPERAN thief was sent out to preach during the summer vacation among the Swedes at Leadville. They told him they did not want him, but he said he had been sent there, and would stay and preach, and preach. They told him of the man who had warned him away. He reports that his perseverance has been rewarded by a large number of converts, and in a trip of only 150 miles and preached to a hundred Scandinavians at Kokomo, 15,000 feet above the sea.

Mr. ARNOLD HARTLEY, the American gentleman who is still belittled, will marry Lady Bertie Courtenay, co-nstantine to figure conspicuously in the English journals. The following details regarding his family are given by the London World: "On his father's side Mr. Bartlett comes from a family of descent, one of the oldest and best families of New England. The Bartletts of Massachusetts are equally well known in the United States as in England, and his family are in England." Mr. Arnold Bartlett's ancestor, Capt. Bartlett—the name is strongly marked in the family—founded the colony. For two centuries and a half his descendants have flourished in prominent positions as lawyers, politicians, and soldiers.

TELEGRAPHIC BRIEVES.
