

## Donation/Memorial

The Crow Wing County Historical Society has been in existence since 1927. During that time it has expanded from two small rooms to its current museum and historic buildings at the fairgrounds. Continued growth is an important part of our planning, whether it be additional programs, new and innovative exhibiting, or updated conservation practices.

We cannot continue to preserve our local history and progress into the future without the ongoing generosity of people like you. A gift to the Crow Wing County Historical Society makes you a partner in telling the story of Crow Wing County.

If you have questions regarding your donation or memorial gift, please contact the society at (218) 829-3268. Your commitment in saving the past for future generations is greatly appreciated.
