

Brainard Dispatch.

Send every Thursday morning at Brainard, Minn. Express 10:30 p.m. in ADVANCE.

We recommend the Minneapolis Daily Tribune as our preferred paper.

It was impossible for G. H. Douglass to bribe the Tribune not to support him.

The Tribune, as we feared, defeated Mr. Douglass. It is a blow to any candidate to have its support.

"Gath's" letters appear only in the Minneapolis Tribune.

It is, as we feared, the support of Mr. Douglass by the Tribune at the last moment, killed him politically.

Wadsworth's attorney, Mr. Coppersoll, is having quite a sensation.
