When the coal fields of America and Canada are exhausted, the world will be able to supply the world with fuel. The coal supply is practically inexhaustible.

As yet we have traveled a mile in a minute, 10 seconds; a running horse in a minute, 30 seconds, a torpedo boat in a minute, 30 seconds; a steam yacht in 2 minutes, 12 seconds.

Samples of tea grown and dried at Sumnerville, S. C., have been received by the United States. The tea has been pronounced superior to East India tea.

Preparations of the United States, against its own citizens, will some time have to make Canada in order to escape the tax on the liquor to transmute her for her temptations.

The golden wedding gifts presented to the King and Queen of Denmark at the recent anniversary ceremonies have been exhibited to the people of more than 100,000 came to see the magnificent display.

General, who military officers in the United States, according to the Mexican authorities, broken out in a revolutionary spirit, as, as the United States, will get itself into a comic opera.

From the cotton seed that used to be thrown away is now it is estimated, 50,000 tons of more every year, which is enough to supply the whole world with cotton.

In a wonder that Queen Victoria was not overcome by nervous prostration when she attended the whole world laughing at her "speech" to her "Lords and Commons." Lord Salisbury certainly took advantage of the royal good name that time.

The lightest man in Canada is Leonard Whitton, of Brighton, who tips the scale at 467 pounds. Mr. Whitton is 5 feet 10 inches tall. His measures were five feet, four inches around the hips and his head measurement is twenty-three inches.

MARIELOU, the King of the Samoans, has been struck into wealth which makes him rich as a king. He has bought a yacht and put a mortgage on the Vanderbilt. He has been paid \$200,000 for the proceeds of his wreckage from the vessels which went ashore in the great storm.

The Rev. J. G. Tate, the Republican nominee for Lieutenant Governor of Nebraska, will not meet the legal requirements of the office. He is ineligible because he has only been naturalized about one year, and has not taken the oath of office.

The French courts don't seem to be very strictly in sympathy with Mr. Edward Parker Dixon in his proceedings against his wife. The fact that he is a French citizen is not a sufficient reason to stick to their throats. Besides, the Frenchman has a powerful lawyer, a pretty woman, and a large fortune.

There a few more than ten thousand new cases of cholera and cholera in two days, it is evident that the cholera is not yet pasted. It is said that we must keep a strict watch against the malady if anything like an epidemic of cholera is to be avoided.

The Chicago Medical Union endeavored to keep out a Hamilton, Ontario, that was on its way to Denver by trying the antidiphtheria law on it. The United States Commissioner who heard the case has not issued many orders, it seems to me for the fact that members of bands are artists and not laboring loafers.

A Kentucky newspaper deprecates the decision of county court, a day that used to be an event in the life of the community. The crowd was crowded when the judge and his wife were in their glory, but sympathy laws and restrictive ordinances have done away with all that.

Over 700 cases of cholera are reported in one day in Russia. The cholera is spreading in the most rapid manner in the most fertile soil. A wonderful discovery of gold being made in the district of Alaska.

The Harrier's Last Resort. I went into a nineteenth century tortoise chamber at Albany the other day. There was a lot of people out of the window, I had a good view of the sea. I saw a man who had been out of the window for a long time.

A dispatch to the London News from London says that a young man of fortune, who was a member of the House of Commons, had been found dead in his room. He had been found by a maid who had been sent to see if he was still in bed.
