A Racking Cough

Cured by Ayer's Cherry Pectoral.

My father described the wonderful curative effects of Ayer's Cherry Pectoral. During a recent attack of La Grippe, which assumed the form of a catarrh, several of the lungs, accompanied by an aggravating cough, I used various remedies and prescriptions. While some of these remedies partially relieved the coughing during the day, none of them afforded me any relief from that agonizing affliction of the lungs which would seize me the moment I attempted to holden at night. After ten or twelve such nights I had almost decided to sit up all night in my sleep, and, indeed, I did so on several occasions. I then obtained a bottle of Ayer's Cherry Pectoral, and used it in accordance with the directions. In a few moments, I fell peacefully asleep. In the morning, I was greatly refreshed and feeling much better. I took a teaspoonful of the Pectoral every two hours, and the cough gradually decreased the dose, and in two days the coughing was entirely cured. I feel compelled to mention this in order that others similarly afflicted may be cured.

The Real Cause of Hard Times.

It is the opinion of many business men that the real cause of the hard times which are now prevailing is the excessive issue of paper money. They believe that the Government should stop issuing paper money, and that the banks should be required to issue only gold and silver coins.
