The September term of the district court opened on Monday morning with Judge Holland presiding. The work of the court is very busy, two days and indictments were rendered against Henry Jackson for murder in the first degree and the applicant from Wing Shung and Iann Hong, the Chinaman. The grand jury made the following report:
To the Hon. G. W. HOLLAND, judge of the district court.
The members of the grand jury have this day visited the county jail and given it a thorough inspection. They look upon it as a place where the law is not enforced, and they are of the opinion that it is a disgrace to the county. As we go to press there is in progress in the Park building at corner of 6th and LaSalle streets, occupied by Chas. Kinkadee's saloon. The place caught in a bedroom over the saloon, just how we were unable to learn. The building was well supplied with gas, and fully insured. The water pressure at first was very poor, but after running a couple of days it improved. The fire will probably be extinguished without great loss.

The proposition of base was discussed and decided upon at a meeting of the building committee, and the same was held Wednesday at the hotel. After a report of the executive committee, the committee on the proposed violation of the game and fish laws, the committee voted to place a lake with the water there to be used for the destruction of fish and for the benefit of the people. Mr. A. P. Harris, was authorized to issue a suitable lake for five years, and Capt. Willis, was authorized to issue a suitable lake for five years.

The above item means that a base lottery will be established in this county. Mr. Harris, secretary of the association, has entered into an arrangement with H. Spalding, who is now in LaSalle, Wis., to purchase the rights in the LaSalle, Wis., and the same will be used for the destruction of fish and for the benefit of the people.

Board of Education Proceedings.
A special meeting of the board of education was held on Wednesday evening, all members being present. The meeting was held to hear reports of committees.
