### MARTIN-MCKAY.

The home of Mrs. W. H. McKay, on  
Kingwood street, was the scene of  
a very pretty wedding on Wednes-  
day last, at 8:30 o'clock, when her  
youngest daughter, Miss Louisa Mc-  
Kay was united in marriage to Mr.  
Wm. Martin, of Barnesville, Minn.  
The wedding was a very quiet affair,  
only immediate friends and relatives  
of the contracting parties being  
present. Rev. D. D. McKay, of Min-  
neapolis, formerly pastor of the  
Presbyterian church, of this city,  
conducted the impressive marriage  
ceremony. The rooms were tastily  
decorated with evergreen, plants  
and cut-flowers and presented a very  
pleasing appearance. Miss Mary  
McKay, a sister of the bride, was  
bridesmaid, and Mr. Chas. D. Mc-  
Kay, a brother of the bride, was the  
groom's best man. After the solemn  
words had been spoken that made  
the man and wife, the newly wed-  
ded pair received the congratulations  
of the assembled guests, after  
which a sumptuous wedding supper  
was served. A large number of  
very elegant and appropriate wed-  
ding presents were received. Mr.  
and Mrs. Martin left on the 11:30  
train for Minneapolis for a wedding  
trip to the home of Mr. Martin's  
parents. They will return to Brainerd  
in a few days where they will  
reside. The bride has long been  
a resident of this city, and was a  
most popular young lady, loved and  
respected by all who knew her. The  
groom is a machinist now in the em-  
ploy of the Great Northern at Brainerd,  
but was employed in the N. P.  
shops in this city for some years  
and was a very popular and highly  
respected by his associates. They  
have the best wishes of their many  
friends in this community.

Mrs. A. Stearns, of Ottowa, Can-  
ada, a sister of the bride, was present  
at the wedding.

MARRIED.

### HEINE-MILLER.

On Tuesday morning at 10 o'clock  
Mr. Albert Heine, of Minneapolis, and  
Miss Elise Miller, of this city,  
were united in marriage at the resi-  
dence of the bride's parents on  
East Front street, Rev. W. E.  
Loomis, of the M. E. church con-  
ducting the marriage ceremony. The  
wedding was a very quiet affair, only  
a very few intimate friends and rela-  
tives of the couple being present.  
Miss Lena Miz was bridesmaid and  
Mr. Wm. Heine, of Minneapolis, a  
brother of the groom, was the  
groom's best man. After the cere-  
mony the newly wedded couple re-  
ceived the congratulations of the as-  
sembled guests, after which a sum-  
ptuous wedding breakfast was served.  
A large number of elegant wedding  
presents were received.

Mr. and Mrs. Heine left on the  
noon train for Rosdoff, Wis., where  
they will remain a few days visiting  
relatives, when they will return to  
Minneapolis, where they will reside  
in the future.

The bride is a daughter of Mr. and  
Mrs. Chris Miller, of this city, and  
has for some years been a popular  
teacher in the public schools. She  
has resided here since childhood, is  
a lady of culture and refinement, and  
has hosts of friends who will wish  
her much happiness in her new rela-  
tion.

The groom is a respected busi-  
ness man of Minneapolis, a partner  
in the mill machinery manufacturing  
firm of Helms, Heine & Bjork, and  
vice president of the concern.

Mr. Gust Nelson, of Todd county,  
and Miss Helma Root, of Crow Wing  
county, were united in marriage on  
Monday, December 20th, at the M.  
E. parsonage, Rev. W. E. Loomis  
conducting the ceremony.

Mr. James Richmond, of Cass  
county and Louise Biglow, of Crow  
Wing county, were married at the  
M. E. parsonage on Saturday, Dec.  
24th, Rev. Loomis officiating.

I. O. O. F. Reunion.

### Unity Lodge No. 194, I. O. O. F.

has decided to hold a re-union of the  
members of the lodge and the order  
and their friends at the lodge room  
on Wednesday evening, January 11,  
1899. An executive committee con-  
sisting of J. C. Congdon, J. C. Hessel  
and Fred Willits has been ap-  
pointed, who have appointed com-  
mittees on reception, entertainment,  
dances and other sub-committees.  
The committees are all at work, and  
a most delightful entertainment is  
promised. Unity lodge ever does  
things by halves, and this occasion  
will be no exception to the rule. The  
program for the evening embraces a  
public installation of officers, ad-  
dresses by the Grand Master of the  
order, Mr. Geo. G. S. Campbell, and  
Rev. Geo. W. Gallagher of this city,  
and fine literary and musical exer-  
cises. Refreshments will be served,  
after which a social dance will be  
held. It will be no doubt be one of  
the most enjoyable occasions of the  
season.

Christmas Festivities.

Christmas was observed in this  
city in the usual manner. At the  
various churches Christmas festivi-  
ties were held for the benefit of the  
children, and the time-honored fig-  
ure of Santa Claus was in evidence. The  
M. E. church held its Christmas cel-  
ebration on Friday evening last,  
while the Congregational, Baptist  
and other churches had the usual  
Christmas services on Christmas  
Eve, except the Episcopal church,  
where the Christmas exercises for  
the children was held on Wednesday  
evening of this week.

At St. Francis Catholic church the  
usual appropriate Christmas services  
were held. At the 10:30 service  
Rev. Fr. Lynch preached a sermon  
appropriate to the occasion, and the  
splendid choir of the church render-  
ed St. Cecilia's beautiful mass, be-  
ing assisted by the Kelsey orches-  
tra of this city and Mr. French,  
Staples clarinet.

An audience  
completely filling the spacious church  
auditorium was in attendance.

Some Dancing Parties.

The Ladies Auxiliary of the A. O.  
H. will give their first annual ball  
at Gardner hall on Friday evening,  
January 20th. Music will be fur-  
nished by Kelsey's orchestra and  
tickets will be one dollar. The com-  
mittee having charge of the arrange-  
ments is Mesdames Werner Hen-  
stead, Thomas Canan, James Culen,  
J. M. Quinn and Miss Sadie Heilly.  
The occasion will be one of the most  
pleasant of the season.

The Chiquitana Club give a so-  
cial dancing party this Friday, eve-  
ning at Walker's hall. Dancing  
will commence at 8 o'clock.

North Star Lodge, I. A. M., will  
give a social dance Monday evening,  
January 2nd, at Gardner hall.

Held the Lucky Number.

The drawing of the magnificent  
sideboard given away by J. F. Mc-  
Ginn & Co., took place on Satur-  
day evening last. The drawing was  
in charge of a committee composed  
of Geo. Brown, Martin Nelson and  
Mr. Gerson. The lucky number pro-  
ved to be 3,404, and the remain-  
ing numbers were sealed up for an-  
other drawing in case the holder of  
the first number should not appear.  
On Monday, however, Mrs. Pat-  
O'Donnors presented the lucky num-  
ber and was awarded the sideboard,  
a splendid oak article, beautifully  
finished, costing \$50.

Board of Education Proceedings.

A special meeting of the board of  
education was held on Friday eve-  
ning last, all members being present  
except Messrs. Freese and Tite.  
The board met for the purpose of  
allowing the pay roll, \$1,257.57, and  
the finance committee was instruc-  
ted to make a loan, covering the  
amount.

A resolution was decided to open  
the schools on Tuesday, January 3d,  
1899.

Five Tailoring Establishments.

### P. M. Zakariassen, proprietor

of the Seventh  
street tailoring  
establishment, desires  
to call the at-  
tention of his  
customers and the  
public to the fact  
that he has  
ordered from the manufac-  
turers a magnificent line of suitings  
of the latest pattern, some of which  
are already in, and the balance will  
be here soon, and include spring  
and summer styles. There is no one  
of anyone in Brainerd sending out  
of the city for their suits, or any-  
thing in the tailoring line, as Mr.  
Zakariassen guarantees to give every  
satisfaction as to prices, and his  
reputation is a sufficient guarantee  
that you will get a perfect fit. The  
new tailoring establishment is as  
fine in all respects as you will find  
in cities many times the size of  
Brainerd, and none but first-class  
workmen are employed. If you are  
thinking of ordering a suit or an  
overcoat, call and get Mr. Zakariassen's  
prices and look over his stock  
before you place your order else-  
where, as it goes without saying  
that he will keep your trade in the  
future.

o'clock at St. Francis Catholic  
church, Rev. Fr. Lynch officiating.

The Brainerd Dispatch.

W. H. WOODRUFF, P. M. WELLS. INGERSOLL & WIELAND.

Official Paper of Crow Wing County. Published at the Post Office at Brainerd, Minnesota, at second class matter.

Invest every Friday from 8:30 to 9:30 p.m. at the Brainerd office, on matters of local interest.

Legal Notices for Legal Notices. We, the undersigned, have been appointed by the court to sell the property of the estate of the late John L. Lind, deceased, for the purpose of paying the debts of said estate and distributing the residue thereof to the heirs and next of kin of said deceased.

FRIDAY, DECEMBER 30, 1898.

SWEAR OF YOUR BAD HABITS, boys, and keep swears off.

Misses school children contributed \$1,872 toward the Lafayette monument fund.

The people of St. Paul will give a reception to Gov. and Mrs. John Lind at the Hotel Ryan on Tuesday evening.

Gov. Dewey is now in fact the ranking officer of the navy, as he has been in the estimation of his countrymen since the first of May last.

Johnson undertakes to kiss all the native girls in the Philippines he will have accomplished a much larger feat than the one which gave him his notoriety.

Sexton Morris, of Vermont, died on Tuesday, aged 88 years. He had served his state in congress for 44 years, and was highly respected by all parties.

At Crookston \$30,000 in bonds were voted for public improvements at the last election, and now the mayor refuses to sign the bonds unless the council will agree to fit him up an office in the city hall.

The citizens of Walker who have been shivering in their beds for fear they should be left without the protection of Uncle Sam's troops can now rest easy for the government will send the Seventh Infantry to Ft. Snelling when the Third goes to Manila, and a detachment of it will be stationed in the barracks at Walker.

On Tuesday next John Lind will take the oath and become governor of Minnesota for two years. Mr. Lind is a man of great ability and has a well earned reputation for fearlessness and honesty, and hence will undoubtedly make an excellent governor. His one weak spot is his free coinage views, but as he has nothing to do with the matter as governor, it is confidently expected he will make a most excellent official.

Repair the Dam. The city council should take steps at once to repair the Brainerd dam. The dam is said to be badly in need of repairs. In fact it is intimated by some who are capable of judging that extensive repairs are necessary before the spring rise in the river to prevent the dam from being taken out. If the dam should go and the magnificent booming privileges at Rice Lake be destroyed, there is no doubt that it would result in the closing of the Brainerd Lumber Co.'s extensive plant elsewhere up the river, a loss which would be fatal to the city. Hence, as a measure of self-protection, the council should see to it that the dam be repaired at once and all danger removed.

Making the Home Attractive. William Morris Johnson, author of "Inside of a Hundred Homes," contributes the first article in his series on "The Home Practical" to the January Ladies' Home Journal. In these articles Mr. Johnson will explain how the various rooms, hallways, etc., of a house may be artistically furnished and decorated at comparatively small cost. The explanation is so clearly detailed that, with the aid of the accompanying drawings, almost any one with taste may follow the instructions given. The articles will show how the interior of a house may be transformed from the commonplace into a thing of artistic beauty and coziness. There is no subject of such vital interest to Americans as the improvement of the home, and Mr. Johnson's articles will doubtless prove as popular and useful as his "Inside of a Hundred Homes."

Appreciated at Aitkin.

The Brainerd DISPATCH has just commenced its 18th year, and last week contained 19 pages, and the Brainerd Tribune contained 12 pages. Brainerd will find that two good papers beat three not so good. Success to the Brainerd pencil pushers.—Age.

Investments at Leech Lake.

The Indian commissioner has decided to recommend an appropriation of \$5,000 for the construction of a residence at Leech Lake for the use of Capt. Mercer, the agent, who will soon leave for his new post. There are no buildings at Leech Lake suitable for dwelling purposes for the agent, and the senate will be asked to include the item in the Indian bill, which has passed the house, says a Washington correspondent. The commissioner will probably urge an appropriation for a small boat which will be used for the transportation of supplies and also to enable Capt. Mercer to get around among the lagoons on the lake shore. The suggestion will be made by Agent Mercer and will be favorably received by the commissioner. Leech Lake is the object of much interest at this time. The school facilities are not what they should be, and Commissioner Case recommended to the secretary of the interior that \$30,000 additional be asked for a school plant. At last last session \$20,000 was appropriated. This is considered insufficient, and congress will no doubt allow the additional sum.

Stand by Morris.

The following article from the Aitkin Age is full of good-sounding words, and can be read with profit by those who have "bees" in their bonnet. "There is more or less talk in the newspapers and among the politicians of Page Morris being retired at the end of his present term, and of there being another republican nominee. Two years ago, when Chas. A. Towne summoned all his dignity and heroically and majestically walked out of the republican national convention, the republicans of this district immediately began to talk about a suitable candidate. Towne's popularity, ability and strength were well known. At least one county convention had declared for him, he had the privilege of writing his own platform. With these the circumstances Judge Morris was important because the republican candidate. At that time he was serving as district judge, a position of equal honor and emolument, one he could have held indefinitely and one much better suited to his tastes and inclinations. Had he remained on the bench until this year he would have been the candidate for associate justice of the supreme court instead of Judge Lewis. At the earnest solicitation of republican leaders from all parts of the district, he resigned and accepted the nomination for congressman. The fight that followed is familiar to the people of the state. During his first term Page Morris has acquitted himself with credit, and when he returned last fall to give his constituents an account of his stewardship and ask an endorsement they found him a broader-minded, able statesman than two years previous and better equipped by experience and acquaintance to do further good work for the district. Twice has Page Morris waged the hardest fight for congressman known in the history of the state; twice has he routed the enemy when republicans generally considered his cause almost hopeless. Now, before his term has expired, he begins to talk of his successor, to lay plans for undermining him and schemes for depriving him of a re-nomination two years hence, should he be a candidate, by the republicans of this district liable to a charge of the basest ingratitude, a charge they can hardly afford to have laid at their door. The attempt at this time to work up a bona fide republican premature and ill-advised."

NO GUESS WORK HERE.

All Brainerd People Have to Do is to Follow the Example of Fellow Citizens.

Facts are stubborn. Some may be disputed. None can be disproved. A fact is the opposite of fiction. It is always lodged about with proof. Has to stand the test of investigation.

Of 'drifts' to the realm of doubt. Investigate closely the following. The closer the scrutiny the more convincing the results.

A Brainerd citizen speaks here. Speaks from experience and conviction.

Relates facts, stubborn facts. That may be disputed but cannot be disproved.

Mr. C. A. Burton, of Sixth street south says:—"It is a pleasant duty to endorse an article which does you good!" From personal experience with Don's Kidney Pills I am able to give them a hearty endorsement.

My trouble was regular kidney complaint, and it clung to me for three or four years. The kidneys did not operate freely causing numbness and some pain. Across the small of my back there was always aching which I noticed more so that when I got down to bed it was a severe effort for me to get up. When Mr. Swartz, the druggist, advertised Don's Kidney Pills he got some and commenced their use.

From the first dose their action was directly on the kidneys, and I was specially aware of a marked change for the better. At present I enjoy much better health the kidneys act normally and the backache has left me. This statement of mine is glad to corroborate to any inquiring friends.

Don's Kidney Pills are for sale at all dealers in medicine, or by mail from Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Don's and take no substitute.

August Flower. "It is a surprising fact," says Prof. Houston, "that in my travels in all parts of the world, for the last ten years, I have met more people having used GREEN'S AUGUST FLOWER than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for filling out postcards, where headaches and general bad feelings from irregular habits exist, that GREEN'S AUGUST FLOWER is a general remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottles free at J. E. Swartz, druggist store. Sold by dealers in all civilized countries.

Last Saturday Willie Jack cut his head with an axe so badly that he had to be taken to the Lumbermen's Hospital at Brainerd for treatment.

Miss Belle Wilson, teacher in District No. 1, has just finished a four month term, closing on Monday evening with a nice entertainment consisting of a fine programme of recitations, essays and music, supplemented with a Christmas tree with presents and lots of pop corn and candy for the children. School will open again in two weeks for a five month term. Fred Wilson attended the entertainment.

KATRINE GLEAMINGS. A new boy across the home of Elmer Hall on Erath's bay. A social party and dance was held at the old Miller house last week. The main logging road is now completed from Scott's camp to Nobs Sebby. A. A. Miller and Joseph Rutger have purchased a large tract of land which formerly belonged to the cooperative colony.

A YANKEE. Yarkens Verres in Yarkens place as to what he is. "I was greatly amused," said a New Orleans citizen who has lately made a visit abroad, "to notice how the term 'Yankens' widens in application as one gets farther and farther away from the habitat of the real thing.

"New York a Yankee is commonly supposed to be a native of Connecticut, Vermont or Massachusetts, and I have noticed that the name is applied to nameskinners rather than to the people in general. In St. Louis a Yankee is understood loosely to be any one from the extreme northeast. Here in New Orleans the name indicates pretty nearly everybody above Mason and Dixon's line—in short, 'northerners' and 'Yankens' are more or less synonymous.

"I think you Yarkens are very strange people," said a big wholesaler who wanted to be extra pleasant. "I know several from your state." I tried to explain first, but I soon gave it up. "You know," would be the usual phrase. "I have seen several from your state." I tried to explain first, but I soon gave it up.

INDIAN SIGNAL SERVICE. They have long telegraphed by the use of drums. Travelers in agricultural countries have often wondered how some savage tribes were able to transmit news for hundreds of miles with no apparent facilities for doing so.

The families of R. J. Maghan, Herman Scott, David Borden and Mrs. McCalvey spent their Christmas with A. A. Miller. The Christmas tree exercises at the Edison school house were well attended, some of the Indian children who belong to the school assisting in the program.

A beautiful Christmas tree was exhibited at the Katrine school house on Saturday. The magt appeared in oriental costumes while sweet strains of music filled the air with Christmas joy. About one hundred and fifty people turned out to the Christmas tree at Mrs. McCalvey's and a royal good time was reported. Mrs. H. Scott had expended ten dollars for candy, hot punch, etc., and there was no lack of good things. W. H. Hill, in a very fine costume of velvet and gold, presided as Santa, and the fact that he wore wooden shoes which clicked to the music of the bones was enjoyed by the children.

Matchless Pianos and Organs. The Kimball Pianos and Organs are unequalled in tone, touch, workmanship and durability, receiving the Highest Honors at the World's Fair in 1893, Gold Medal at the Omaha exposition in 1898, and are endorsed by all teachers of music in Brainerd, and also by the leading singers and musicians of the world. Why run chances on cheap instruments, gotten up to sell without reputation, with stained cases, and which are good only for a few months, then you wonder why your instrument seems tuning so often? The W. W. Kimball sells as cheaply as any of them, on monthly payments, and you are sure to get a square deal.

The Novus Carabidae in Portugal.

A report sent by the United States Department of Agriculture says that the Department of Agriculture of Portugal, through Dr. Howard, entomologist of the United States Department of Agriculture, and the courteous cooperation of the State Board of Horticulture of California, has succeeded in securing in Portugal the wonderful success effected in California some years ago partly through the efforts of the department in saving the orange industry of that country from the ravages of the pest which had appeared in disastrous numbers in the orange and lemon groves along the river Tago.

Dr. Howard was appealed to by Portuguese authorities for an advice as to the most efficacious means of combating the ravages of the pest which had appeared in disastrous numbers in the orange and lemon groves along the river Tago.
