INTO FINE NEW QUARTERS.

Postmaster Ingersoll Receives Word by Wire from Washington This Morning that the Proprietor For a LEASE OF ODD FELLOWS' BLOCK

Has Been Accepted, And The Post-Office Will Be Removed About The 15th of July.

The people of this city will hear with great satisfaction that the post-office is to be shortly removed into its new quarters, the lower floor of the Odd Fellows' block having been leased by the government for that purpose. The present post-office has been adequate to the city, besides being almost a death trap to the post-office employees, hence the removal will be welcomed by all. All of the inspectors that have been here recently have reported to the department that the present room was totally unfit for use, and the owners refused to improve it. Inspector W. H. Chapman was sent here two weeks ago yesterday to arrange for a new location. He received several propositions for new quarters, which he sent to Washington, but what his recommendations were is not known. However, the postmaster sent a telegram to the first floor of the Odd Fellows' block, occupied by Kelly's grocery store, has been accepted, and it will be refitted, a vault constructed, and the room placed in first-class shape to receive the office as soon as Mr. Kelly's lease expires, which is July 6th. The work of refitting will take some days, and the removal will probably not take place until about July 15th, when Brainerd will have a post-office that will be comfortable for the employees, centrally located and convenient for the public, and a credit to the city. The government's lease of the building is for five years.

Mr. Kelly has purchased the building in which the post-office is now located and will refit and repair it and make a fine double store for his growing grocery business.

Case Dismissed.

The case against Chas. Swanson for allowing minors to play cards in his saloon was dismissed in the municipal court on Saturday on motion of the county attorney. The city clerk was absent from the city and the state was unable to prove that the defendant was a licensed saloon keeper, which was essential under the statute. The record book was in court, and an attempt was made to prove the record by the mayor and the chief, but it was decided the clerk or his deputy were the only persons competent to do so.

The New Drug Store.

H. Spalding's new drug store at the corner of 6th and Front street was opened on Tuesday morning, although all of his fixtures had not arrived. They were delayed by the strikes prevailing in the city. However, his goods had arrived and his show cases were in place, and Mr. Spalding concluded to open without his prescription case and other delayed fixtures. Everything about the store is new and attractive, and at night it is brilliantly lighted by a large number of incandescent lamps mounted on elegant brass fixtures. The furniture is all a handsome golden oak. A magnificent soda fountain has been put in. Mr. Spalding was dispensing medicinal drinks with free hand on the opening day. That he will do a splendid business his great personal popularity, wide acquaintance and splendid location has rendered certain, and his many friends wish him great success.

BRAINER CLUBS WIN.

Two Games of Ball Won by Brainerd Clubs on Wednesday.

Brainerd Loses Two Games to Duluth on Saturday and Sunday.

Two games of ball were played in this city on Decoration Day, and the Brainerd clubs both won. One game was played by the regular Brainerd club at the Swartz driving park with the Agricultural College team, of Fargo, and the other was on the grounds on West Front street between the Brainerd Maroons and an Atkin aggregation.

The game at the driving park was one of the best games ever played in this city, the visitors being defeated by the score of four to five. It ought to have been a shut out, as every score made by the Dakota farmers was on errors. Rutherford and Vorge were the battery for the home team and Slette and French for the visitors. Vorge pitched a beautiful game, but the batsmen of Fargo slugging being able to connect with his curves only five times, and for one bagger. Slette, the fast pitcher, struck out more men than Vorge, but he also gave more passes. It was largely a pitcher's contest and Vorge had the best of it. The visitors were shut out for six innings, but in the 7th they were able to score 3 runs on an error by Rutherford which tied the score. The eighth inning resulted in a shut out for both teams. The visitors made one run in the ninth, and it looked as though Brainerd was beaten, but the Brainerd slugger put on their battling clothes and pounded out two runs before a man was out, winning the game. The attendance was about 400. Ed McClary umpired the game and gave good satisfaction. The clubs lined up as follows:

Duluth: Pitcher... Fargo Peterson... 1st base... Rutherford Thielman... 2nd base... Watson Howe... 3rd base... Fowler Finn... right field... Bottensfeld Rutherford... center field... Mannis Dressen... short stop... Green Murphy... left field... Slette Vorge... pitcher... Slette Brainerd... 1 0 0 1 1 0 2 0 0 0 0 0 0 0 3 0 1 5 4-27

Struck out by Slette 8; by Vorge 1; base balls by Rutherford 3, French 1.

DULUTH WINS TWO GAMES.

The Duluth news of Friday contains the following notice of Saturday's game at Duluth:

The Duluths found the Brainerds had learned an easy proposition yesterday and won by the score of 7 to 0. The game was exciting but the men played fast and there was no rag chewing. The game was on the slab for the visitors and Gagnon did the act for Duluth. Few of the men were certain to get the little fly were certain to find someone's mitt. McCarthy, the new man, was on second base and aside from one bad error played a fine game. He is all right and will stay on the team. He has all kinds of steam and the way he shoots them to first is a revelation. The visitors had plenty of errors and Lawrence, the shortstop, was the principal offender. There was not much slugging in the game and all the hits but one were for one bang only.

Conners did not play yesterday but is expected to arrive in time to play today. Thielman, who had a trial with Chalmers, played second for Brainerd and showed that he understands the game.

Walter B. Congdon, of This City, Receives West Point Appointment.

Walter B. Congdon, of Duluth, has been appointed cadet to West Point, and Jas. J. McNair, of Bemidji, alternate, by Congressman Page Morris. The appointments are the result of the competitive examination held in this city on April 19th, in which 12 young men of the district participated, two of whom, Edgar Parks and Adolph Johnson, were from this city. Mr. Congdon received an average of 91.10 per cent. Mr. Parks, of this city, stood the highest in geometry, algebra and general history, the high school studies, but fell down on the common branches that he had not studied for two or three years. He took the examination on the spot of the moment, without any preparation, while the Duluth young men were preparing for weeks. Had he brushed up a week or two on the common branches, he probably would have won. His high standing in the high school studies, speaks well of the efficiency of the Brainerd High school as well as Mr. Parks' ability.

BAINERD LOSES THE SECOND.

Another game was played on Sunday, and the Brainerd club was again defeated by a score of 15 to 10. It was a slugging match, very heavy hitting being done on both sides, but the Brainerd boys had the best of the attack work and would have won, but for numerous costly errors made, and the valuable assistance rendered the Duluth club by the umpire. Rutherford and Thielman constituted the Brainerd battery, and Hartman and Cox the Duluth. The day was raw and cold and very windy, and a good game was impossible.

MARoons vs. ATKINs.

The game between the Maroons and the Atkin team was a running match, the score being 12 to 28 in favor of the Maroons. An immense crowd was in attendance, called partly by the game and partly by the balloon ascension, which was to take place at the grounds, and they get their money's worth in quantity is what they wanted. The Brainerd boys pounded the Atkin pitcher just as much as they pleased, and only quit when too tired to run around the diamond.

News of the Northwest

DAM BLOWN UP

Indianapolis, Ind., May 28.—The dam at the mouth of the Mississippi river, which was blown up by a body of military engineers this evening, it was constructed with dynamite and without a trace of any shrapnel or other fragments of the business house in the vicinity. The village board of health formally condemned the dam as an obstruction of the Mississippi river and ordered its removal. The dam had just been completed by the United States and Great Britain. When Mr. Lodge of Massachusetts demanded proof that the dam was safe, Mr. Lodge said that the dam was safe and that he believed there was a secret understanding at the state department. Mr. Lodge said under our form of government no such understanding could exist, and the secretary of state had denied the existence of any such understanding. It is believed that the country would accept the dam if it were safe, but the dam was blown up by a body of military engineers this evening, it was constructed with dynamite and without a trace of any shrapnel or other fragments of the business house in the vicinity.

A BIG JUDICIAL DISTRICT.

The Contest in the Fifteenth covers a Sixth of the State.

There is one judicial district—the fifteenth—which embraces perhaps one sixth of the state of Minnesota.

The north is the Canadian line to the south it touches the geographical center of the state.

The work of a judge in such a district approximates the circuit riding of Lincoln a day though it should not be understood from this that the cause heard do not include some of the most important.

THE CENSUS TAKERS.

Work Begins Today and Enumerators Should be Given Information Promptly.

Today the work of taking the census begins and the enumerators will commence their calls on the people in the various wards of the city.

In order to do this the information should be prepared in advance, so the questions to the following list may be answered promptly:

- 1. Surname, Christian name, initial. 2. Residence, street, number of house. 3. Relationship of each member to the head of the family. 4. Color or race. 5. Sex. 6. Age at last birthday. 7. Day, month and year when born. 8. Are you married, widowed, widower or divorced? 9. Number of years married. 10. How many children. 11. Sex of these children. 12. Where were you born? If in the United States, give state or territory. If of foreign birth, give name of the country. 13. How many children. 14. Where was your father born? Your mother? (same condition as the foregoing). 15. If of foreign birth, who did you come to the United States? 16. How many years have you resided in the United States? 17. Have you been naturalized? How many years since you became a citizen? 18. What is your occupation, trade or profession? (This question applies to persons 10 years of age or over). 19. How many months during the year are you employed? 20. How many months have you attended school? 21. Can you read? 22. Can you write? 23. Give the main facts concerning your education. 24. Do you rent the house in which you live? 25. If you own the house, is it free or mortgaged? (The same questions apply to farms). 26. Do you own the house in which you live? 27. If you own the house, is it free or mortgaged? (The same questions apply to farms). 28. At many of the houses women will be required to give the information, when the men are away at work and it is important that they be posted as to the answers required. The Discrepancy suggests that at every house this list be taken and the answers to them written down, and as to every person who lives in the house, or who did live in it on June 1st. By taking the list and writing down the answers as to every person will facilitate the work very much, besides assisting the enumerators and insuring correct information. Persons knowing some one absent from the city who belongs here should inform the enumerators, and those having servants or boarders should be especially particular about getting this information for the enumerators. The women of the city can do much toward assisting in this work, if they will take the list and follow the advice given above. It is desirable that we have a correct enumeration and too many can not be taken in preparing it.

FROM OUR COUNTY CORRESPONDENTS.

Interesting Local News of the Surrounding Country. OAK LAWN GEMS. Geo. Wood, of Brainerd, was a visitor at Geo. Jackson's Monday night. August Nelson is building two miles of good substantial fence around his farm. Mr. Ely's farm has commenced to market his early vegetables, such as radishes and onions. J. M. Jarbo is spending a week up at Tamarack looking after his farming interests in that vicinity. Those that missed seeing the beautiful eclipse of the sun on Monday missed a chance of a life time. The Daggett Brook aggregation of Sunday with Jim Slick as manager and proprietor was short lived. The boys that went out to the lakes last Sunday fishing report having poor luck. Perhaps they took along the wrong kind of bait. "Elder" Mead is in Minneapolis and Anoka this week, making arrangements for the Advent camp meeting that commences at Anoka the 7th of June. H. P. Dullum has built a stump puller that will pull stumps equal to any \$150 stump puller on the market. He invites those having stumps to pull to come and see it work. I. B. Porter is inclosing in 40 acres for pasture. He says there is not much beating the bush with a lantern and wolf club at 12 o'clock at night looking for his cows. J. M. Jarbo has cleared and broke 12 acres on his farm this summer. He says he will have 40 acres under the plow before the snow flies next fall. That is push and ambition for him. Johnie Jackson is trying to learn to ride a wheel which he has recently bought. He says he can turn more head springs and somersaults on it than any circus clown that ever traveled. The young man that goes to Brainerd three nights in the week to see his best girl and returns home at 2 o'clock in the morning and sleeps in the hay until sun rise, is getting to be quite a hay seed. We forgot to state in one of our items last week that Henry Tubert rode eight miles on his wheel to the Brainerd college and back at night. We would have thought that a long ways to go to school, 40 years ago and no wheel to ride on. We have a few kickers in our town. Tuck Wray kicks when his name appears as Jack Wray, and Mrs. Frank Cannon objects to being called Cannon every time while others kick at our Genie. We would prefer some one else would try it for a while. We will guarantee that they wouldn't know their own writing when they saw it in print. Our old friend Frank Steeras informs us that he is going into the balloon ascension business. Frank is well known in Oak Lawn and vicinity as the notorious fattest calf slayer, or prodigal son. He is soon to give an exhibition in Brainerd and wants all those that are interested in calf raising to patronize the show. A Life and Death Fight. Mr. W. A. KATHINE GLEANIUS. Sheriff Erickson was looking for a party at Millie Lac last week. If the lakes keep receding from shore some of them will soon become frog ponds. Several of our young people expect to be confirmed at the Lutheran church at Doorwood next Sunday. D. Borgen is putting in a large field of melons. If this dry spell continues a juicy melon will find good sale. Rev. Shapre preached to a good sized audience Sunday at North Bay Lake, and Rev. Hunt held services at Cutler. The tourist season has opened early at Bay Lake. Sunday found the lake dotted with boats, and more visitors are arriving each day. Most of them hail from Duluth. Those who are prepared to irrigate their berries are getting ready to go at it. There seems to be no prospect of rain here, although light showers have fallen in some places. Mrs. Hiram Scott, of Garrison, was very pleasantly surprised on the occasion of her birthday by a large host of friends, about sixty in number, who came to spend the evening in a time of rejoicing. Mr. and Mrs. E. Elmore, Mrs. Wilson and son, of this place, attended the party. A MEASURE OF MERIT. Brainerd Citizens Should Weigh Well This Evidence. Proof of merit lies in the evidence. Convincing evidence is Brainerd. Is not testimony of strangers; But the endorsement of Brainerd people. That's the kind of proof given here. The statement of a Brainerd citizen. Mr. James Parker who lives at 24 Second ave., East Brainerd, carpenter, says: "Every winter since I had grippe I have been unable to shake it off. My health has been commencing to fail me across the kidneys with a numb sort of aching which I felt always in the same spot, even when lying in bed. I was also troubled with headaches which I felt about the forehead. I got a box of Doan's Kidney Pills at a drug store and took them using them I have been much better in general health, have no more attacks of headache, no more backache, and I regard it as quite wonderful that anything in the shape of a pill could bring about such a change." Doan's Kidney Pills 50 cents a box. For sale at the McFadden Drug Co., H. P. Dunn & Co., and all drug stores. F. W. McFadden, Brainerd, N. Y., sole agents for the U. S. Remember the name, Doan's, and take no substitute. Thus hast strange notions for one so young, a substitute to think that thou art the same as Rocky Mountain Tea, made by the Madison Medicine Co. See For sale at McFadden Drug Co's.

Glorious News Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but after her health is excellent." Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents a bottle. McFadden Drug Co. and H. P. Dunn & Co. Guaranteed. There's no beauty in all the land, That can with her face compare. Her lips are red, her eyes are bright, She takes Rocky Mountain Tea at sight. For sale at McFadden Drug Co's.

A Wealth of Beauty is often hidden by unsightly Pimples, Eczema, Tetter, Erysipelas, Salt Rheum, etc. Bucklen's Arnica Salve will glorify the face by curing all Skin Eruptions, Also Chafe, Bruises, Burns, Boils, Pimples, Ulcers and worst forms of Itch. Cures in a box. Cure guaranteed. Sold by McFadden Drug Co. and H. P. Dunn & Co., drug stores.

Mothers lose their dread for "that terrible second summer" when they have Dr. Fowler's Extract of Wild Strawberry in the house. Nature's specific for bowel complaints of every sort. Only one remedy in the world that will at once stop thickness of the skin in any part of the body; Doan's Ointment. At any drug store, 50 cents.

Unity Lodge No. 194, L. O. F. O. W. at their regular meeting on Wednesday evening elected the following officers: P. G. C. A. Nichols, N. G. W. H. Sadler, V. G. A. H. Bennett, Sec. Sec'y—Wm. Jamieson.

J. M. Gray and Alderman Jameson have been laying new cement sidewalks in front of their property on Fifth street this week. Mr. Gray's walk extends 75 feet on 5th and 25 feet around on Laurel street. These are much needed improvements, and it is to be hoped that other property owners on the business streets especially will emulate their example and do likewise.

The eclipse on Monday morning was viewed by hundreds of citizens. There were thin clouds that obscured the sun at times, but most of the time the clouds were so thin that the sun was plainly visible through them and no smoked glass was necessary. Generally throughout the country it was bright and clear and the opportunity for observation was excellent. Especially was this true of those localities in the north, where the eclipse was total.

The board of education held a special meeting on Friday evening last. The pay roll, amounting to \$2,115.23, was allowed, and the finance committee was authorized to negotiate a loan to cover the amount. Specifications for a steam heating apparatus in the Lincoln building were read and Dr. Groves moved that the board adopt the direct system of steam heating, with the addition of one ventilating radiator in each room, of sufficient capacity to ventilate the same, which was adopted.

C. M. Gardner, recently of Hot Springs, Arkansas, has bought the Arlington steam laundry plant and will remove it to Fair's building on Front street, next to the Auditor's Hotel, which is being refitted for the purpose. A steam drying room is being constructed, and every facility for doing the best work in the shortest time will be supplied. The new room will be occupied about June 15th. Mr. Gardner has had many years' experience in conducting the laundry business, hence is well qualified to conduct a successful business.

Mike Saegen was arrested Saturday evening on complaint of J. C. Hessel, charged with stealing a Deering mower from Mr. Hessel's warehouse on west Front street. Mr. Hessel says he started home and returned just in time to see Saegen pulling the mower out of the yard. Judge Munter held a special session of court that evening and Mr. Saegen was arraigned, the charge being petit larceny. The case was continued until 10 o'clock this morning. Mr. Saegen being released on \$75 bail. The defendant is employed at Holst & Tedford's ware house.

The hearing for an injunction to restrain the sheriff from selling the property of the Minnesota Water company for personal taxes was to have taken place before Judge Holland on Monday, but an agreement was reached between the parties by which the company puts up a bond of \$2,000 to pay any judgment that may be rendered by the district court on a hearing on the merits of the case, said hearing to be before Judge Holland, on proper notice by either party, and the sheriff agreed not to proceed with the sale, which would have been on Tuesday, the 25th. The company claims to be willing to pay a reasonable amount, but insists the amount required is exorbitant.

HONORED THEIR DEAD.

Memorial Day fittingly observed in Brainerd by the U. S. A. R.

Memorial day was appropriately observed in this city under the direction of Pap Thomas Post No. 30, G. A. R. It was a beautiful day, the weather conditions being perfect, and a large crowd was in the city to participate in the ceremonies and listen to the exercises. At 9:30 in the morning Pap Thomas Post and a firing squad from Co. L under the command of Corporal Albroth marched in the cemetery, the older members of the Post unable to march, and the ladies of the Y. R. C. and a group of school children going in carriages. On arriving at the cemetery the Post formed a square about the large cross erected by the Grand Army, with the W. R. C. and the children inside this square. Post Commander J. A. Wilson read the memorial service and the children sang songs appropriate to the occasion. During the afternoon wreaths to the unknown dead, to Gen. John A. Logan, to the fallen soldiers, and the dead of the Women's Relief Corps were placed upon the cross. A wreath to the dead of the British American war was also placed on the cross, Henry Simons, a veteran of the war, making appropriate remarks. The wreath was the offering of the veterans of the war residing in the city, and was accompanied by a large number of flags. A wreath to the dead of the Civil War was placed on the cross by the firing squad from Co. L, after which a detail of the Post under the command of Officer of the Day W. H. Hasty placed a wreath of evergreen and a potted plant on the graves of the 55 soldiers buried there; a flag marked the grave of every fallen hero. About 15 hundred people witnessed the ceremonies at the cemetery, and admired the magnificent floral offerings that loving friends had placed on the graves of their dead.

Afternoon exercises.
The exercises in the afternoon consisted in a parade of Pap Thomas Post and Company L, with the Woman's Relief Corps and the speakers following in carriages. Dresskilt of the city band led the parade. The march as published last week was observed, and the parade ended at the Y. M. C. A. park, where the exercises occurred. A platform decorated with flags of the national colors was erected in the west end of the park. The Grand Army, the W. R. C. a group of school girls, the band and the speakers occupied the platform. Judge W. A. Fleming presided. The programme as presented last week was observed, with the addition of a recitation by a daughter of Comrade Fox. Rev. G. W. Gallagher, Rev. D. W. Lynch and Geo. H. Spear delivered addresses. The addresses were short, not exceeding 15 or 20 minutes each, but all three were excellent and elicited hearty applause. The band rendered several selections, and the children, under the direction of Mrs. H. Theriot, sang the national air, the large crowd joining in singing the closing song "America."

The G. A. R. will hold special services in their hall in Odd Fellows' block next Sunday at 3 o'clock p. m. J. A. Wilson, Post Commander.

DEATHS.

Mr. Joseph Vall died at his home in southeast Brainerd, on Sunday afternoon, May 27th, of hemorrhage of the lungs, aged 64 years. Mr. Vall was taken sick while attending the funeral of J. A. Denis, a few days previous, but had recovered and was about the streets on Saturday. On Sunday afternoon while talking he coughed slightly, which seemed to produce a hemorrhage of the lungs, that continued until death occurred.

Mr. Vall has resided in this city for several years, and was an industrious, upright and honorable citizen and had the respect of all who knew him. The funeral services were held at the Presbyterian church on Wednesday morning at 10 o'clock. Rev. Carver conducting the services.

Mr. Vall leaves a wife and three children, a son in Calumet, Michigan in Montana, and a daughter in Montana, and a daughter in the city. He was a member of White Cross Lodge No. 20, K. P. of this city, which organization attended the funeral in a body.

Mrs. Laura Peterson, wife of Ole Peterson, died at her home on the west side of the river, near Crow Wing, on Sunday, May 27th, of pneumonia, aged 27 years. The funeral services were held at the M. E. church in this city, on Tuesday afternoon, Rev. Clulow officiating. Deceased was daughter of Levi Hanson, of Crow Wing.

A Novel & Instructive EXHIBITION!

Watch For It, and Take Our Word For It. DON'T MISS IT!!!

In order to introduce our beautiful line of SILKS to the ladies of Brainerd, we have made arrangements to place in our show window

500 Live Silk Worms

which will spin silk in plain view during next week. We expect to receive the worms by next Monday morning, and will place them in the window at once, where they will feed on mulberry leaves during their stay. After feeding for several days they will commence to spin the floss—afterwards progressing to the stage where they enclose themselves in their cocoons. This beautiful sight is free to all for about eight or ten days.

During this period we shall place on sale

SILKS

for trimmings, decorating and suitable for Waists. At Greatly Reduced Prices.

We have a fine new assortment of Silks, and will make it as interesting for you to visit us on the inside of our store, as it will be to stand outside and look into our window.

We shall make prices on Silks which will be

BARGAINS!

This will be a combination of seeing the silk MADE and then buying the finished silk all colored and ready to wear.

R. F. WALTERS,

A GREAT SOURCE of attractions is a pretty foot handsomely encased in neat and shapely shoes, which helps to give a graceful carriage in walking. Light and shapely shoes are trivials to dancing, that poetry of motion which is woman's chief charm. In the beauty class our shoes hold the foot indisputably. Figure? Dainty as the shoes.
